Destiny's Written Script Patrice Yehuda, 2012-09-14 What would you do when the only path to your destiny is the path you never wished for Each destiny has a price that we must pay The path of the cross is that which leads to the crown Life triumphs over death Death only brings out life Death helps to reveal the power of life The path which is common to all men is the path which leads to nowhere God had determined the seasons long before time began He had also determined their appointed times and duration In the eternal order the unfavorable must come before the favorable darkness must precede light and evil happens before good The blessing cancels the curse and sin shall abound that grace may thereafter much more abound The script is the eternal master plan There is nothing that can ever be added to or taken away from the script It is eternally perfect and complete in its design and concept There must be a time when evil is allowed to hold sway but good holds the trump card of finality
