Paths to Victory Jim Miles, 1991 The fourth volume in The Civil War Campaign Series covers every aspect of the campaigns in central and southeastern Tennessee and northwestern Georgia Includes a tour guide Illustrated and indexed A History Book Club selection *Air University Library Index to Military Periodicals*, 1996 *Paths to Victory* Jim Miles, 1999-10-01 Paths to Victory is the story of the Civil War in Middle Tennessee and northwest Georgia beginning with the battle of Stones River on December 31 1862 Includes a series of driving tours that enable readers to see the battlefields and important sites **Clear the Track** Phillip J. Reyburn, 2012-08-23 With the air filled with the missiles of death the bluecoats sought the shelter of mother earth and lay flat hugging the wet ground The men were caught in an exposed position and here occurred an incident that would haunt William R Hartpence of the Fifty first Indiana as long as he lived He observed First Lieutenant Peter G Tait of the Eighty ninth Illinois standing a little in advance of his regiment which had intermingled with the Fifty first during the assault With his eyes fixed on the young officer Hartpence watched as Tait was stuck by a cannon ball near the center of his body tearing a great hole in the left side As he fell he threw his right arm around to his side when his heart and left lung dropped out into it The heart continued to throb for twenty minutes its pulsations being distinctly seen by his agonized comrades who stood there and saw the noble life fade out in heroic self sacrifice Battle of Nashville December 16 1864 In answer to Lincolns call for more men to put down the rebellion the several trunk railroads centered in Chicago oversaw the organization of a regiment composed principally of railroad employees Numbered the Eighty ninth Illinois Volunteer Infantry it was better known by the sobriquet the Railroad Regiment Considered one of the 300 hundred fighting regiments of the Union army the Railroaders had 133 men killed in action or later died from wounds Another 66 succumbed in rebel prisons At the final muster Colonel Charles T Hotchkiss said it best Our history is written on the head boards of rudely made graves Such a record we feel proud of And indeed it was PHILIP J REYBURN is a retired field representative for the Social Security Administration With Terry L Wilson he edited Jottings from Dixie The Civil War Dispatches of Sergeant Major Stephen F Fleharty U S A **Confederate Combat Commander** Lawrence K. Peterson, 2013-08-15 Known as one of the most aggressive Confederate officers in the Western Theater Brigadier General Alfred Jefferson Vaughan Jr is legendary for having had eight horses shot out from under him in battle more than any other infantry commander Union or Confederate Yet despite the exceptional bravery demonstrated by his dubious feat Vaughan remains a largely overlooked Civil War leader In Confederate Combat Commander Lawrence K Peterson explores the life of this unheralded yet important rebel officer before during and after his military service A graduate of Virginia Military Institute Vaughan initially commanded the Thirteenth Tennessee Infantry Regiment and later Vaughan s Brigade He served in the hard fought battles of the western area of operations in such key confrontations as Shiloh Perryville Stones River Chickamauga Chattanooga and the Atlanta Campaign Tracing Vaughan s progress through the war and describing his

promotion to general after his commanding officer was mortally wounded Peterson describes the rise and development of an exemplary military career and a devoted fighting leader Although Vaughan was beloved by his troops and roundly praised at the time in fact negative criticism of his orders battlefield decisions or personality cannot be found in official records newspaper articles or the diaries of his men Vaughan nevertheless served in the much maligned Army of Tennessee This book thus assesses what responsibility if any Vaughan bore for Confederate failures in the West While biographies of top ranking Civil War generals are common the stories of lower level senior officers such as Vaughan are seldom told This volume provides rare insight into the regimental and brigade level activities of Civil War commanders and their units drawing on a rich array of privately held family histories including two written by the general himself Lawrence K Peterson a retired airline pilot worked as a National Park Service ranger and USAF officer He is the great great grandson of Brigadier General Alfred Jefferson Vaughan Jr
