# Pathways Fostering Spiritual Growth Among At-risk Youth

**E. Anne Marshall, Jennifer E. Symonds**

## **Pathways Fostering Spiritual Growth Among Atrisk Youth:**

*Passing on the Faith* Merton P. Strommen, Dick Hardel, 2008 From the Introduction This book is about passing on the faith from generation to generation throughout the milestones of a person's life Faith is created and nurtured by the Holy Spirit through the Gospels The vision underlying the RADICAL model was developed in light of the theological principle that faith is formed by the Holy Spirit through personal trusted relationships often but not always in our own homes A youth and family ministry for the 21st century connects all the generations in the total ministry of the congregation and through the cross of Christ recognizes the work of the Holy Spirit shaping faith in all the circles of relationships This revised edition expands on the authors original model in an all new chapter on the circle of creation This edition has also been updated throughout in light of new ideas and research that have emerged during the past decade **Pathways** Thomas J. Everson, 1993-01-01 Reaching troubled or at risk youth on a spiritual level is gaining ground as an effective approach in youth care This wealth of material gathered in a three ring binder was developed for workshops delivered to dozens of churches and youth ministry programs in recent years Topics covered include at risk youth who they are the question of suffering spiritual and more development methodologies and techniques for promoting spiritual growth Lost Boys James Garbarino, 2000-08-15 Remarkable What sets *Lost Boys* apart from the ordinary lament is the author's palpable sense of care and compassion The Washington Post Book World Our national consciousness has been altered by haunting images of mass slaughters in American high schools carried out by troubled young boys with guns It's now clear that no matter where we live or how hard we try as parents our children are likely to be going to school with boys who are capable of getting guns and pulling triggers What has caused teen violence to spread from the urban war zones of large cities right into the country's heartland And what can we do to stop this terrifying trend James Garbarino Ph D Cornell University professor and nationally noted psychologist insists that there are things that we both as individuals and as a society can do In a richly anecdotal style he outlines warning signs that parents and teachers can recognize and suggests steps that can be taken to turn angry and unhappy boys away from violent action Full of insight vivid individual portraits practical advice and considered hope this is one of the most important and original books ever written about boys *Practicing Passion* Kenda Creasy Dean, 2004-04-26 Youth and the Quest for a Passionate Church Creating A Safe harbor , *Building Skills in High-risk Families* Jane L. Peterson, 1995 This six phase approach guides workers and families through the process of building family strengths and developing skills By focusing on family skill acquisition and goal attainment this program helps both the worker and the family plot the course toward more effective and satisfying family life **Working with Aggressive Youth in Open Settings** Father Flanagan's Boys' Home, 1989 This manual is designed to provide basic information to child care staff who work with aggressive youth in open settings such as schools clinics group homes foster homes etc Child care staff who work with youth in closed settings eg detention or locked psychiatric facilities also will find the principles and procedures offered

in this training useful in reducing the frequency and intensity of aggressive behaviour in their programs      Pathways of Hope and Faith Among Hispanic Teens Ken Johnson-Mondragón, 2007 Building on the largest national survey of teenage religion ever conducted leading Catholic and Protestant experts recount in unprecedented detail the experiences of God faith community youth ministry and family among the fastest growing segment of young people in the country Latinos Listen as young Hispanics describe their faith and hopes in their own words gain understanding of the major issues affecting their religious development and life prospects and improve your ministry or family life with insightful pastoral recommendations Note Please allow 7-14 days for delivery      Supporting Children and Youth Through Spiritual Education Kirmani, Mubina Hassanali, Chapman, Amy L., Steele, Barbara M., Moallem, Mahnaz, Schroth, Stephen T., 2023-07-17 Across academic circles over the last few decades the interest and inquiry on spirituality continues to broaden Currently the school system in the United States and many Western countries put their focus on academic achievement at the expense of preparing their students inner cores for skills they will need to deal with a more complex and challenging world to come Supporting Children and Youth Through Spiritual Education provides a platform for researchers and experts in the field of spirituality in children and youth to voice the urgent need for an educational system that truly nurtures the whole child The book also considers the need to remove the misunderstandings about the terms spirituality and religion among those who work directly with children and youth Covering key topics such as religion cognitive development and spiritual needs this reference work is critical for principals administrators industry professionals researchers scholars practitioners academicians instructors and students

**Students with Emotional and Behavioral Disorders** Douglas Cullinan, 2007 This text provides a broad coverage of the nature causes assessment approaches and interventions of emotional and behavioral disorders It presents readers with an exploration of the assumptions behind intervention practices and curricula This emphasis enables educators and professionals to select and use appropriate assessments for effective instruction and classroom management techniques Back cover      Reclaiming Our Prodigal Sons and Daughters Scott Larson, Larry K. Brendtro, 2000 Reclaiming our prodigal sons and daughters offers a penetrating portrayal of the rootlessness of many of today's youth and a powerful four step plan for reaching them The unique feature of this book is its accent on the spiritual dimension of contemporary youth problems and on the role that members of faith communities can play in reclaiming youth in conflict      **Young Adult Development at the School-to-Work Transition** E. Anne Marshall, Jennifer E. Symonds, 2021-01-18 The school to work transition is a critical part of the human life span for young adults their families and society The timing of the transition varies greatly and its co-occurrence with a number of other life transitions make it challenging to summarize or generalize Individual differences and normative developmental factors as well as external contextual factors such as global pandemics changing economic circumstances workplace demands and cultural shifts intersect to create a range of challenges and opportunities for those navigating this transition Written by internationally renowned scholars in developmental psychology applied psychology

counseling and sociology the chapters in this book highlight the trends issues and actions that researchers academics practitioners and policy makers need to consider in order to effectively support young adults transition to work pathways This volume provides an explicitly international perspective on this area broad coverage of psychological topics on the school to work transition and an inclusive focus on sub groups and minority groups making it a must read for those who support young adults as they move from school to work
