Michael Pavel,Ella Inglebret,2007-05-30 Choosing the right college is a big decision for most people American Indian and Alaska Natives are no exception but finding a college that offers a good educational program in their major plus a strong support system for tribal traditions makes that decision even more complex This volume will help Native people clarify their postsecondary aspirations improve their college choice and increase their success in college After a thorough examination of the issues that should be considered Pavel and Inglebret present the different types of colleges available programs and services to meet the special needs of Native students and financial aid options By answering many of the basic questions students have about going to college Pavel and Inglebret help to demystify the process and encourage more Native students to pursue a college education Special features include A list of colleges with Native American studies and those most friendly to Native Americans needs A list of sources for financial aid with contact information Interviews with Native American students on all aspects of their college experiences Suggestions for students on how to balance their new college experiences with their community and heritage **The State of College Access and Completion** Laura W. Perna,Anthony Jones,2013-07-18 Despite decades of substantial investments by the federal government state governments colleges and universities and private foundations students from low income families as well as racial and ethnic minority groups continue to have substantially lower levels of postsecondary educational attainment than individuals from other groups The State of College Access and Completion draws together leading

researchers nationwide to summarize the state of college access and success and to provide recommendations for how institutional leaders and policymakers can effectively improve the entire spectrum of college access and completion Springboarding from a seminar series organized by the Advisory Committee on Student Financial Assistance chapter authors explore what is known and not known from existing research about how to improve student success This much needed book calls explicit attention to the state of college access and success not only for traditional college age students but also for the substantial and growing number of nontraditional students Describing trends in various outcomes along the pathway from college access to completion this volume documents persisting gaps in outcomes based on students demographic characteristics and offers recommendations for strategies to raise student attainment Graduate students scholars and researchers in higher education will find The State of College Access and Completion to be an important and timely resource

    Dual Enrollment Policies, Pathways, and Perspectives Jason L. Taylor,Joshua Pretlow,2015-02-26 Looking to develop new dual enrollment programs or adapt and revamp an existing dual enrollment programs at a community college This volume addresses the critical issues and topics of dual enrollment practices and policies including state policies that regulate dual enrollment practice and the influence of state policy on local practice the usage of dual enrollment programs as a pathway for different populations of students such as career and technical education students and students historically underrepresented in higher education and chapters that surface student faculty and high school stakeholder perspectives and that examine institutional and partnership performance and quality This is the 169th volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission   **The Qualified Student** Harold S. Wechsler,2017-09-29 In The Qualified Student Harold S Wechsler focuses on methods of student selection used by institutions of higher education in the United States More specifically he discusses the way that college and university reformers employed those methods to introduce higher education into a broader cross section of America by extending access to an increased number of students from nontraditional backgrounds Implicit in much of this book is an underlying social and ethical question How legitimate was and is higher education s regulation of social mobility Public concern over colleges and universities practices became inevitable once they became regulators between social classes The challenging of colleges admissions policies in the courts augments similar concerns that have been present in legislatures for decades The volume is divided into three main sections Prerequisites Columbia and the Selective Function and Implications It focuses mainly on four universities The University of Michigan Columbia University the University of Chicago and the City University of New York Wechsler maintains that unlike other universities these institutions were pacesetters they did not adopt a new policy simply because some other college had already adopted it A new introduction brings the book originally published in 1977 up to date and demonstrates its

continuing importance in today s academic world of selective admissions *College Access and Opportunity Guide 2011* , A Shared Agenda Education Resources Institute, Pathways to College Network,2004 The goal of the Pathways to College Network is to advance college access and success for underserved students including those who are the first in their families to go to college low income students underrepresented minorities and students with disabilities All of the Pathways work is grounded in data and research Through a synthesis of research evidence from hundreds of studies the Pathways to College Network has established six principles to guide the actions of leaders in education and in all sectors of society These principles are 1 Expect that all underserved students are capable of being prepared to enroll and succeed in college 2 Provide a range of high quality college preparatory tools for underserved students and their families 3 Embrace social cultural and learning style differences in developing learning environments and activities for underserved students 4 Involve leaders at all levels in establishing policies programs and practices that facilitate student transitions toward postsecondary attainment 5 Maintain sufficient financial and human resources to enable underserved students to prepare for enroll and succeed in college and 6 Assess policy program practice and institutional effectiveness regularly These principles underpin a series of recommended actions for leaders including elected officials superintendents principals college presidents outreach program directors and community leaders Only through strong leadership and concerted continued effort by stakeholders and advocates will the impetus for change be created Some of the actions that this report recommends are 1 State and federal officials must mandate rigorous aligned curricula for schools and provide sufficient funding for programs teachers and students 2 School leaders should require a college preparatory curriculum for all students provide academic and social support for underserved students and ensure that teachers are well prepared to address different learning styles and cultural backgrounds 3 College and university leaders need to be clear about the skills and knowledge they expect incoming freshmen to have They should build partnerships with schools provide teacher training that focuses on the needs of underserved students and target robust need based aid and support programs to underserved students 4 Outreach program leaders must provide academic and social support for underserved students and their families including tutoring parent involvement and partnership initiatives and 5 Community leaders and family support groups should work with students and families to instill and reinforce beliefs that all students must prepare for postsecondary education In turn communities and families must push schools and government to adopt a goal of universal college readiness and achievement Appendices include 1 Selecting Research Based Strategies and 2 Annotated List of Pathways Research Papers Reports and Other Publications by Focus Area Contains 83 endnotes Funding for this paper was provided by the Lucent Technologies Foundation *Building Transfer Student Pathways for College and Career Success* Sonya Joseph,Mark Allen Poisel,2018-10-04 Published in partnership with the National Institute for the Study of Transfer Students Analysis of bachelor s degree completion suggests that only about a third of college graduates attend a single institution from start to finish More than one quarter earn college credits from

three or more schools before completing a degree For most these student defined pathways lead to increased time to degree and higher costs Many will simply drop out long before crossing the finish line Ensuring college completion and success requires an understanding of the evolving nature of transfer transitions and a system wide approach that reaches beyond two year and four year institutions to include high schools participating in dual enrollment programs and military college initiatives A new edited collection offers insight into institutional and statewide partnerships that create clearly defined pathways to college graduation and career success for all students **The Evolving Challenges of Black College Students** Terrell L. Strayhorn,Melvin Cleveland Terrell,2023-07-03 Presenting new empirical evidence and employing fresh theoretical perspectives this book sheds new light on the challenges that Black Students face from the time they apply to college through their lives on campus The contributors make the case that the new generation of Black students differ in attitudes and backgrounds from earlier generations and demonstrate the importance of understanding the diversity of Black identity Successive chapters address the nature and importance of Black spirituality for reducing isolation and race related stress and as a source of meaning making students college selection and decision process and the expectations it fosters first generation Black women s motivations for attending college the social psychological determinants of academic achievement and how resiliency can be developed and nurtured institutional climate and the role of cultural centers as well as identity development and mentoring The book includes a new research study of African American male undergraduates who identify as gay or bisexual discusses the impact of student to student interactions in intellectual development and leadership building describes the successful strategies used by historically Black institutions with at risk men considers the role of parents in Black male students lives and the applicability of the millennial label to the new cohort of African American students The book offers new insights and concrete recommendations for policies and practices to provide the social and academic support for African American students to persist and fully benefit from their collegiate experience It will be of value to student affairs personnel and faculty constitutes a textbook for courses on student populations and their development and provides a springboard for future research **Leading for Excellence** Thomas R. Harvey,Bonita M. Drolet,Douglas P. DeVore,2014-01-16 This book covers what twelve steps school leaders need to take to make for a high achieving school environment It encompasses strong leadership vision and values high expectations embedded professional development flexibility and resilience and seven more steps It concludes with a questionnaire the High Expectations Environmental Scale HEES which you may apply to your organization to determine its level of high expectations *Color by Number* Art Munin,2023-07-03 Many deny that racism remains pervasive in America today How can we open eyes to the continuing disadvantages that keep many people of color from fulfilling their potential and having an equal chance to achieve the American Dream By presenting the impact of racism on the most innocent and powerless members of society children of color in the form of statistics this book aims to change attitudes and perceptions Children have no say about where they are

born or what school they attend They have no control over whether or not they get medical treatment when they fall ill They can t avoid exposure if their home is in a community blighted by pollution The questions this book poses are What responsibility do we expect children to take for their life circumstances Do those conditions blight their futures If they aren t responsible who is Are some in society privileged and complicit in denying people of color the advantages and protections from harm most of us take for granted Through the cumulative effect of official statistics rather than the more usual reliance on anecdote by taking a show me the numbers approach this book will open minds start conversations and even prompt readers to take action While the numbers are official they are often hard to find because they are scattered across so many sources Art Munin has not only done the research but shows the reader how to locate data on racial and socio economic disparities and develop her or his own case or classroom project Color by Number takes as its metaphorical point of departure the familiar children s activity of that name Art Munin has painstakingly researched and gathered the numbers and has filled in the spaces to reveal the hidden picture of racism in America from the perspectives of health the environment the law and education This book is intended as a fact based antiracism text for diversity and social justice courses and as a resource for diversity and social justice educators as they craft their race racism and White privilege curricula Art Munin s multidisciplinary approach drawing on scholarly work from medicine law sociology psychology and education provides the reader with a comprehensive way to understand the pervasiveness of racism   *The Obama Education Plan* Education Week,2011-01-11 A guide to the educational priorities and change to expect from the Obama administration Although the Obama s goals for education have been articulated in his speeches and on his website what s missing is a picture of what these proposals mean in practice This guide provides the articles stories and commentary to clarify Obama s priorities for education The plan itself is comprehensive and covers preschool K 12 and college level education Among its recommendations expand early education improve teacher quality support school innovation make math and science national priorities address the dropout crisis and improve college access and affordability Compiled by Education Week education s newspaper of record Offers information and opinion on Obama s key educational priorities Provides a listing of the President s recommendations for education from pre school to college level Includes advice for the President from key education leaders   *Handbook of Research in Education Finance and Policy* Helen F. Ladd,Margaret E. Goertz,2014-12-17 Sponsored by the Association for Education Finance and Policy AEFP the second edition of this groundbreaking handbook assembles in one place the existing research based knowledge in education finance and policy with particular attention to elementary and secondary education Chapters from the first edition have been fully updated and revised to reflect current developments new policies and recent research With new chapters on teacher evaluation alternatives to traditional public schooling and cost benefit analysis this volume provides a readily available current resource for anyone involved in education finance and policy The Handbook of Research in Education Finance and Policy traces the evolution of the field from its initial focus on school

inputs and revenue sources used to finance these inputs to a focus on educational outcomes and the larger policies used to achieve them Chapters show how decision making in school finance inevitably interacts with decisions about governance accountability equity privatization and other areas of education policy Because a full understanding of important contemporary issues requires inputs from a variety of perspectives the Handbook draws on contributors from a number of disciplines Although many of the chapters cover complex state of the art empirical research the authors explain key concepts in language that non specialists can understand This comprehensive balanced and accessible resource provides a wealth of factual information data and wisdom to help educators improve the quality of education in the United States **The Role of Non-profit Organizations in State and Local High School Reform Efforts** United States. Congress. House. Committee on Education and the Workforce. Subcommittee on Education Reform,2005 **Diversity and Inclusion on Campus** Rachelle Winkle-Wagner,Angela M. Locks,2013-09-05 As scholars and practitioners in higher education attempt to embrace and lead diversity efforts it is imperative that they have an understanding of the issues that affect historically underrepresented students Using an intersectional approach that connects the categories of race class and gender Diversity and Inclusion on Campus comprehensively covers the range of college experiences from gaining access to higher education to successfully persisting through degree programs Authors Winkle Wagner and Locks bridge research theory and practice related to the ways that peers faculty administrators and institutions can and do influence racially and ethnically underrepresented students experiences This book is an invaluable resource for future and current higher education and student affairs practitioners working toward full inclusion and participation for all students in higher education Special features Chapter Case Studies cases written by on the ground practitioners help readers make meaningful connections between theory research and practice Coverage of Theory and Research each chapter provides a systematic treatment of the literature and research related to underrepresented students experiences of getting into college getting through college and getting out of college Discussion Questions questions encourage practitioners and researchers to explore concepts in more depth consider best practices and make connections to their own contexts
