A Structural Commentary on the So-Called Antilegomena Kalina Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction a positive attitude signifying salvation and a negative attitude signifying annihilation This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching Part 1 of the commentary 2 Pet 1:2 focuses on the misinterpretation of this teaching by false teachers and their followers Their eschatological scepticism is ridiculed and their

grim fate described As the starting point for this description and Peter's whole line of argumentation 2 Pet 2 3b is taken the thesis is that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed Part 2 of the commentary 2 Pet 3 focuses on the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events In explaining the principles of his hermeneutic the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition The starting point of Peter's line of argumentation was taken to be 2 Pet 3 5 7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgement This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1 2

The Story of Patriarchs and Prophets Ellen G. White, 1922

The History of al-Ṭabarī Vol. 2 Abū Ja'far Muḥammad ibn Jarīr al-Ṭabarī, 1987-01-01 This volume records the lives and efforts of some of the prophets preceding the birth of Mohammad It devotes most of its message to two towering figures Abraham the Friend of God and his great grandson Joseph The story is not however simply a repetition of Biblical tales in a slightly altered form for al-Ṭabarī sees the ancient pre Islamic Near East as an area in which the histories of three different peoples are acted out occasionally meeting and intertwining Thus ancient Iran Israel and Arabia serve as the stages on which actors such as Biwarash the semi legendary Iranian king Noah and his progeny and the otherwise unknown Arabian prophets Hud and Salih appear and act In the pages of this volume we read of the miraculous birth and early life of Abraham and of his struggle against his father's idolatry God grants him sons Ishmael from Hagar and Isaac from Sarah and the conflicts between the two mothers the subsequent expulsion of Hagar and her settling in the vicinity of Mecca all lead to the story of Abraham's being commanded to build God's sanctuary there Abraham is tested by God both by being commanded to sacrifice his son and here al-Ṭabarī shows his fairness by presenting the arguments of Muslim scholars as to whether that son was Ishmael or Isaac and by being given commandments to follow both in personal behavior and in ritual practice The account of Abraham is interlaced with tales of the cruel tyrant Nimrod who tried in vain both to burn Abraham in fire and to reach the

heavens to fight with God The story of Abraham s nephew Lot and the wicked people of Sodom also appears here with the scholars once again arguing this time over what the exact crimes were for which the Sodomites were destroyed Before proceeding to the story of Joseph which is recounted in great detail we linger over the accounts of two figures associated with ancient Arabia in Muslim tradition the Biblical Job who despite his trials and sufferings does not rail against God and Shu ayb usually associated with the Biblical Jethro the priest of Midian and father in law of Moses Finally we meet Joseph whose handsome appearance paternal preference and subsequent boasting to his brothers lead to his being cast into a pit and ending up as a slave in Egypt His career is traced in some detail the attempted seduction by Potiphar s wife his imprisonment and eventual release after becoming able to interpret dreams and his rise to power as ruler of Egypt The volume ends with the moving story of Joseph s reunion with his brothers the tragi comic story of how he reveals himself to them and the final reunion with his aged father who is brought to Egypt to see his son s power and glory This is proto history told in fascinating detail of us in different contexts as well as of others completely unknown to Western readers
