The Transformation of Criminal Justice Allen Steinberg,2000-11-09 Allen Steinberg brings to life the court centered criminal justice system of nineteenth century Philadelphia chronicles its eclipse and contrasts it to the system dominated by the police and public prosecutor that replaced it He offers a major reinterpretation of criminal justice in nineteenth century America by examining this transformation from private to state prosecution and analyzing the discontinuity between the two systems Steinberg first establishes why the courts were the sources of law enforcement authority and criminal justice before the advent of the police He shows how the city s system of private prosecution worked adapted to massive social change and came to dominate the culture of criminal justice even during the first decades following the introduction of the police He then considers the dilemmas that prompted reform beginning with the establishment of a professional police force and culminating in the restructuring of primary justice Making extensive use of court dockets state and municipal government publications public speeches personal memoirs newspapers and other contemporary records Steinberg explains the intimate connections between private prosecution the everyday lives of ordinary people and the conduct of urban politics He ties the history of Philadelphia s criminal courts closely to related developments in the city s social and political evolution making a contribution not only to the study of criminal justice but also to the larger literature on urban social and legal history Originally published in 1989 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *THAT'S JUST HOW IT WAS* Mary Thorpe,2014-02 This work is a labor of love by writer Mary Thorpe as a tribute to her much loved Granny O Rourke nee Nolan in an attempt to place the stories she heard and was told into a true and historical context As a social worker who came across many cases of social deprivation in modern times Mary had the dawning realization regarding what her own grandmother had been through in even harder times in the late part of the nineteenth century and early part of the twentieth century in Ireland Mary felt the driving need to record her much loved grandmother s story as recognition of Bridget s harsh life and also as a tribute to her and the millions of others like her who made the best of things while still retaining a sense of pride of the worth of education as a ticket out of poverty and of the importance of retaining one s dignity and commitment to family through good and bad times *The Saturday Evening Post* ,1924 SCC Library has 1974 89 plus scattered issues **Field and Stream** ,1925 **Atkinson's Evening Post, and Philadelphia Saturday News** ,1921 SCC Library has 1974 89 plus scattered issues **Outing and the Wheelman** ,1918
