Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history Conservative Parties, the Right, and Democracy in Latin America Kevin J. Eakin, 2017-07-25 This book examines how Gilberto Frevre s notion of mesti agem race mixing became the overwhelmingly dominant narrative of national identity in twentieth century Brazil It will be of interest to scholars and students interested in Brazil Latin America race nationalism national identity and popular culture Race, State, and Armed Forces in Independence-Era Brazil Hendrik Kraay, 2004-08-01 Focusing on the military institutions army militia and National Guard of Bahia Brazil this book analyzes the region s transition from Portuguese colony to province of the Brazilian Empire It examines the social racial and cultural dimensions of post independence state building in one of the principal slave plantation regions of the Americas Contrary to those who stress the autonomy of the Brazilian state this book documents the close connections between the locally organized armed forces and society in the late colonial period Racially segregated and mirroring the class hierarchies of the larger society these military institutions were profoundly transformed by the war for independence in the early 1820s In its aftermath the new Brazilian state gradually built a national army breaking the local orientation of the Bahian regulars by the 1840s The National Guard locally oriented and democratic in its 1831 organization was turned into a state controlled corporation in the 1840s These developments deeply affected the lives of the men and women involved in the armed forces and a main aim of this book is to examine their participation in the complex and convoluted process of state building The liberalism used to justify independence and the creation of an imperial state resonated among ordinary soldiers and officers as it provided an ideology and language with which to challenge important features of late colonial military organization such as racial segregation and corporal punishment Racial discrimination formally eliminated in the 1830s shaped racial politics in the military while the construction of a national army undermined the previously close connections of officers and soldiers to the mainstream of Bahian society Water and War at Pyreneus Mountains: Historical Eco-Archaeology of Lavras do Abade Diogo M. Costa, 2011-02 The Lavras do Abade research is a multiple perspective archaeological study about the environmental impacts of a gold mining village in Mid Western Brazil that was destroyed by neighboring villages at the end of the nineteenth century According to local narratives the conflict was the consequence of a dispute about the control and use of natural resources such as water However this investigation reveals that the conflict was caused also by economic and political disputes between the villages in the region In this work each stage of investigation is presented in separate chapters Research was conducted to validate hypotheses and to combine different approaches to each element that compounds this

mosaic of information The result of this work is a combination of various complementary investigations into the same object and is a theoretical and methodological referential that establishes the Lavras do Abade case study as an original bridge to understanding many Water Wars in the modern world today The Deadlock of Democracy in Brazil Barry Ames, 2009-01-22 A sophisticated application of rational choice theory A History of Modern Latin America Lawrence A. Crossroads of Freedom Walter Fraga, 2016-04-15 By 1870 the sugar plantations of the Rec ncavo region in Bahia Brazil held at least seventy thousand slaves making it one of the largest and most enduring slave societies in the Americas In this new translation of Crossroads of Freedom which won the 2011 Clarence H Haring Prize for the Most Outstanding Book on Latin American History Walter Fraga charts these slaves daily lives and recounts their struggle to make a future for themselves following slavery s abolition in 1888 Through painstaking archival research he illuminates the hopes difficulties opportunities and setbacks of ex slaves and plantation owners alike as they adjusted to their postabolition environment Breaking new ground in Brazilian historiography Fraga does not see an abrupt shift with slavery s abolition rather he describes a period of continuous change in which the strategies customs and identities that slaves built under slavery allowed them to navigate their newfound freedom Fraga s analysis of how Rec ncavo s residents came to define freedom and slavery more accurately describes this seminal period in Brazilian history while clarifying how slavery and freedom are understood in the present Brazilian Agrarian Social Movements Rebecca Tarlau, Anthony Pahnke, 2018-02-02 Contradictions between impressive levels of economic growth and the persistence of poverty and inequality are perhaps nowhere more evident than in rural Brazil While Brazil might appear to be an example of the potential harmony between large scale export

oriented agribusiness and small scale family farming high levels of rural resistance contradict this vision In this volume individual contributions from a variety of researchers across the field highlight seven key characteristics of contemporary Brazilian resistance that have broader resonance in the region and beyond the growth of international networks the changing structure of state society collaboration the deepening of territorial claims the importance of autonomy the development of alternative economies continued opposition to dispossession and struggles over the meaning of nature By analyzing rural mobilization in Brazil this collection offers a range of insights relevant to rural contention globally Each contribution in this title increases our understanding of alternative agricultural production large scale development projects education race and political parties in the contemporary agrarian context This book was previously published as a special issue of the Journal of Peasant Studies
