**How to Design & Make  
Your Own Fashions**

**New Appendices on  
"Simplified Sewing  
Construction"  
"Clothing Repairs"**

First, find a picture of what you want, draw the shape of your torso right on your fabric with tailor's chalk, then make the necessary style changes described in Patternless Fashions.

Instead of using patterns, you simply construct personal front and back torsos using 25 of your body measurements and nine basic formulas.

It's a classic sewing guide to better-fitting, longer lasting, more personal clothing for you and your entire family.

You'll find step-by-step instructions on how to make each element of your chosen outfit, from the sleeves to the skirt or pants.
