Patterns Of Faith A Study In The Relationship Between The Testament And Christian Doctrine:

Patterns of Faith James Leslie Houlden, 1977 Doxology: A Systematic Theology Geoffrey Wainwright, 1984

Described by the author as A systematic theology from a liturgical perspective or a theology of worship **The Christology of John Macquarrie** Vernon L. Purdy, 2009 The Christology of John Macquarrie comprehensively scrutinizes the life and writings of Scottish born systematic theologian and philosopher John Macquarrie 1919 2007 in an attempt to comprehend and evaluate his Christology The author examines the people e g Heidegger Schleiermacher the philosophical and theological positions and the writings that formed Macquarrie s thinking One major influence was his commitment to modern critical theology including the premise that in the modern world the only acceptable Christological tenets are those that can stand up to the scrutiny of modern critical reasoning The work concludes that this commitment profoundly shaped Macquarrie s theology especially his Christology The book also discusses Macquarrie s evaluation and criticisms of the Christology of other theologians e g Kierkegaard Moltmann Pannenberg and others concluding that Macquarrie s understanding of the Christian faith and the person of Jesus Christ is consonant with modern liberal Anglo Catholicism This idea furthers the argument that Macquarrie s reluctance to accept traditional incarnational categories suggests that his Christology is a modern form of

Adoptionism **The Theology of Paul the Apostle** James D. G. Dunn, 2006-05-17 Using Paul s letter to the Romans as the foundation for his monumental study of Paul s theology James D G Dunn describes Paul s teaching on God sin humankind Christology salvation the church and the nature of the Christian life Collected Writings on Scripture D. A.

Carson, 2010-07-01 God s Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor Respected scholar D A Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts In part 1 Carson selects essays written on such themes as how to interpret the Bible recent developments in the doctrine of Scripture unity and diversity in the New Testament and redaction criticism Presenting a theologically balanced and confessional perspective Carson defines the terms of a number of debates critiques interpretive methods and theories and suggests positive guidelines for future action Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture Though substantial in content Carson s detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible *Scripture and Truth* D. A.

Carson, John D. Woodbridge, 1992-09-01 From a biblical historical or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture What emerges from these essays is a full orb ed restatement of this evangelical doctrine **The Gospels** John Muddiman, John Barton, 2010-04-22 Newly issued in a series of part volumes the OBC is now available in an affordable and portable format for the four canonical Gospels Matthew Mark Luke and John

Includes a general introduction to using the Commentary in addition to an introduction to study of the New Testament and a detailed comparison of the four gospels in synopsis **The Oxford Bible Commentary** John Barton, John Muddiman, 2007-01-25 CD ROM contains Introductions and verse by verse commentaries to Genesis and Mark's Gospel Logos Library System The Death of Jesus Alexander J. M. Wedderburn, 2013 The death of Jesus and its interpretation present both exegetes and theologians with a puzzle For Jesus himself seems to have left his followers few clues and the story of his passion is ambivalent embracing both his reluctant self surrender in Gethsemane and his reproachful cry on Golgatha Some of the various motifs and images used by his followers to explain this event were taken over by Paul despite the opposition he saw between the message of the cross and any human wisdom Yet what meaning do two of the central themes of his soteriology the corporate representative role of Christ and the language of righteousness and justification hold for us today Or does Paul offer just as little help here as Jesus himself did Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary The Gospel of Matthew and the Sayings Source Q Frans Neirynck, Joseph Verheyden, R. Corstjens, 1998 The present Bibliography covers the research on the Gospel of Matthew and on the Gospel Source Q from 1950 to 1995 The new volume has adopted the model of the previously published The Gospel of Mark A Cumulative Bibliography 1950 1990 It contains about 15 000 entries and is arranged alphabetically by name of author the author's works are given in chronological order Each entry includes the

complete bibliographical references information about reprints new editions and translations and summary indications of the content Gospel passage subject The companion volume furnishes detailed Indexes of Gospel Passages and Subject matters related to Mt and to Q All indexes are prepared by J Verheyden The Bibliography completes the series of Leuven repertories on the Gospels published in BETL 82 John 1988 88 Luke 1989 and 102 Mark 1992 **Matthew and Paul** Roger Mohrlang, 2004-12-23 Investigates and compares the basic structures of Matthew's and Paul's ethics **The Pattern of Christian Truth** H. E. W. Turner, 2004-10-29 Walter Bauer's Orthodoxy and Heresy in Earliest Christianity created a stir with its argument that the teachings later condemned as heresy in the later second century onward were in fact dominant in the earliest decades of the church This full scale response by H E W Turner has not enjoyed the attention it deserves Turner's volume represents a learned and sophisticated restatement of the traditional view what became official orthodoxy was taught early on by the majority of church teachers albeit not in fully developed form *Journal of Biblical Literature*, 1977 **The Publishers Weekly**, 1972 **Whitaker's Cumulative Book List**, 1977 *The Downside Review*, 1987 **The Study of Theology** Richard A. Muller, 1991 The Study of Theology address two major concerns the place of biblical hermeneutics and practical theology The author discusses the hermeneutical implications of biblical historical systematic and practical theology and presents a case for the relationship between exegesis and the other theological disciplines However the relationship between hermeneutics and practical theology is also essential According to the author the traditional forms of theology and preaching frequently fail the tests of exegesis and contemporary theologizing while at the same time most contemporary theology and exegesis fails to address directly the needs of the church Muller presents a case for the structure of hermeneutics and argues that it is essential to the church because theological training as a whole ought to reflect the life of the church and be of value to the life of the church *Routledge Library Editions: 19th Century Religion* Various Authors, 2021-07-09 Reissuing works originally published between 1973 and 1997 Routledge Library Editions 19th Century Religion 18 volumes offers a selection of scholarship covering historical developments in religious thinking Topics include the origin of Catholicism in America sexual liberation and religion in Europe and the emergence of Atheism in Victorian England This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century **John Henry Newman** Michael E. Allsopp, Ronald R. Burke, 2018-12-12 This collection of papers grew out of a concern of several at Creighton University for the perduring nature of the thought of John Henry Cardinal Newman Although Cardinal Newman died some one hundred years ago his influence on today's thinking is still strong Like Sir Thomas More with his Utopia Newman put forward an ideal of society and life which has a recognizable relation to the lasting possibilities open to humankind First published in 1992 Routledge is an imprint of Taylor Francis an informa company
