**Paul M. Smith** Paul M. Smith, 2004 Smith breaks from the traditional uses of photography in terms of subject and style by allowing his manipulations of the image to be clearly staged and to become such an integral part of the final work Great photographic projects every art lover should know The sincerity and authority of the documentary is manipulated and questioned by Paul M Smith Acting out Cindy Sherman for boys he looks at the traditions of war and photography and the recreational aspects of army life Evening Standard Defending the First Joseph Russomanno, 2006-04-21 Defending the First provides a collection of new perspectives on the First Amendment in legal and communication contexts Editor Joseph Russomanno brings together a roster of major figures who have participated in the shaping of First Amendment law over the past 30 years Readers are taken into a realm of personal experience and analysis through the stories of these attorneys at the forefront of the battle to defend the First The contributors to this volume all of whom have argued cases before the Supreme Court tell about their experiences appearing before the highest court in the United States Some write many years after being there while others offer insights from a more recent vantage point One Supreme Court Attorney offers a historical analysis of a case replete with a variety of First Amendment issues This work contributes to a deeper understanding of First Amendment issues and the types of expression that the First Amendment protects and why these rights must be protected In addition it provides readers with the unique perspective of those who have been on the front lines of some of the most important and influential cases in this era The challenges of presenting an argument in this venue become clear and it is evident that understanding one's own case its lineage and its likely impact all become part of the formula for success This distinctive collection provides personal and compelling insights into the making of communication law and it will be engaging reading for students in communication law courses It will also appeal to any reader interested in First Amendment law **Air Force Register** United States.
