*Paul* Cecil J. Bailey, Cecil T. Bailey, 1989-08-01      *Michelangelo's Painting* Leo Steinberg, 2019-12-31 Leo Steinberg was one of the most original art historians of the twentieth century known for taking interpretive risks that challenged the profession by overturning reigning orthodoxies In essays and lectures ranging from old masters to contemporary art he combined scholarly erudition with an eloquent prose that illuminated his subject and a credo that privileged the visual evidence of the image over the literature written about it His writings sometimes provocative and controversial remain vital and influential reading For half a century Steinberg delved into Michelangelo's work revealing the symbolic structures underlying the artist's highly charged idiom This volume of essays and unpublished lectures elucidates many of Michelangelo's paintings from frescoes in the Sistine Chapel to the Conversion of St Paul and the Crucifixion of St Peter the artist's lesser known works in the Vatican's Pauline Chapel also included is a study of the relationship of the Doni Madonna to Leonardo Steinberg's perceptions evolved from long hard looking Almost everything he wrote included passages of old fashioned formal analysis but always put into the service of interpretation He understood that Michelangelo's rendering of figures as well as their gestures and interrelations conveys an emblematic significance masquerading under the guise of naturalism Michelangelo pushed Renaissance naturalism into the furthest reaches of metaphor using the language of the body to express fundamental Christian tenets once expressible only by poets and preachers Leo Steinberg was one of the most original art historians of the twentieth century known for taking interpretive risks that challenged the profession by overturning reigning orthodoxies Michelangelo's Painting is the second volume in a series that presents Steinberg's writings selected and edited by his longtime associate Sheila Schwartz      **Sermons Preached in St. Paul's Episcopal Chapel, Walsall** Charles Frederick Childe, 1839      Juán de Valdés' commentary upon st. Paul's Epistle to the Romans: tr. by J.T. Betts. Appended to which are the Lives of ... Juán and Alfonso de Valdés, by E. Boehmer, with intr. by the editor Juan de Valdés, 1883      *Repentance and the Mission of the Church* W. Ryan Vanderland, 2023-05-03 What does it mean when we call men and women to repent What if repentance is more than just turning from individual sin What if repentance is more than merely a step in the process of conversion What if repentance is actually part of God's mission in the world In this book W Ryan Vanderland argues for this very understanding of repentance Building on the work of other scholars of repentance and engaging with Old Testament and New Testament texts this book shows how repentance is indeed part of God's mission in the world part of the mission of the church in the world and therefore part of the mission of God's people Finally this work takes this missional understanding of repentance and applies it to issues facing the contemporary church      **Friendship, Flattery, and Frankness of Speech** John Fitzgerald, 2014-04-09 This volume deals with the topics of friendship flattery and frankness of speech in the Greco Roman world The three topics were often related with candor or frank criticism viewed as the trait that distinguished the true friend from the flatterer The book's eleven essays are divided into three parts The first

part introduces the volume and discusses the three topics in the thought of Philodemus and Plutarch Part two deals with Paul's use of friendship language in his correspondence with the Church at Philippi Part three examines the concept of frankness parrhesia in Paul Luke Acts Hebrews and the Johannine corpus The volume will be particularly useful to NT Scholars classicists and modern theologians and ethicists who are interested in the theory and practice of friendship in antiquity

**Paul's Cross and the Culture of Persuasion in England, 1520-1640** Torrance Kirby, P.G. (Paul)

Stanwood, 2013-12-12 The open air pulpit within the precincts of St Paul's Cathedral known as Paul's Cross can be reckoned among the most influential of all public venues in early modern England Between 1520 and the early 1640s this pulpit and its auditory constituted a microcosm of the realm and functioned at the epicentre of events which radically transformed England's political and religious identities Through cultivation of a sophisticated culture of persuasion sermons at Paul's Cross contributed substantially to the emergence of an early modern public sphere This collection of 24 essays seeks to situate the institution of this most public of pulpits and to reconstruct a detailed history of some of the more influential sermons preached at Paul's Cross during this formative period Contributors include Thomas Dabbs Ellie Gebarowski Shafer Cecilia Hatt Roze Hentschell Anne James Gerard Kilroy John N King Torrance Kirby Bradford Littlejohn Steven May Natalie Mears Mary Morrissey David Neelands Kathleen O Leary Mark Rankin Angela Ranson Richard Rex John Schofield Jeanne Shami P G Stanwood Susan Wabuda John Wall Ralph Werrell and Jason Zuidema

**Treatises on Penance** Tertullian, 1959 The judgment that one forms of the theory and practice of penance in Christian antiquity will be largely determined by the interpretation which one puts upon these two treatises On Penitence dates from Tertullian's Catholic period and is a sermon addressed to the faithful on the subject of repentance and forgiveness On Purity is one of his most violent Montanist treatises In it he criticizes the policy the church follows in granting pardon to serious sins

*Commissioned to Teach*, Jesus Is Risen David Limbaugh, 2018-10-02 Originally confined to a small circle of believers centered in Jerusalem Christianity's stunning transformation into the world's most popular faith is one of history's greatest most miraculous stories In *Jesus Is Risen* 1 national bestselling author David Limbaugh provides a riveting account of the birth of Christianity Using the Book of Acts and six New Testament epistles as his guide Limbaugh takes readers on an exhilarating journey through the sorrow and suffering as well as the joys and triumphs of the apostles and other key figures as Christianity bursts through the borders of Judea following the death resurrection and ascension of Jesus Christ Limbaugh particularly focuses on the crucial role that the Apostle Paul played in these historic events Facing incredible adversities from arrests to shipwrecks to violent mobs and murder plots Paul overcomes countless obstacles as he travels far and wide to spread the Gospel In *Jesus Is Risen* you will discover How the apostles themselves disproved modern arguments that early Christians did not believe in Jesus' divinity The true story behind the first conversion to Christianity by a Gentile The many underhanded ways Christianity's opponents tried in vain to stifle the Church in its infancy Paul's most effective techniques and arguments for bringing converts to Christ

Throughout these pages Limbaugh's passion for the Bible is unmistakable and infectious. Replete with deep insights into the actions, arguments and challenges of the world's first Christian communities, *Jesus Is Risen* is a faith-affirming book for Christians at all stages of their faith walk.

**Some Memorials of the Life and Penitent Death of Dr. John Atherton ... To which is added, an account of the most amazing apparition ever heard of, foretelling the Bishop's untimely end ... Also a true copy of his last speech at the place of execution. (Bishop Atherton's Case Discuss'd, etc.).**

Nicholas Bernard, 1711      *Paul and Perseverance* Judith M. Gundry Volf, 1990-01-01 Does Paul assume that Christians will remain in salvation? If so, on what basis? What if anything can disrupt this continuity, and to what extent can it do so? Using detailed exegetical analysis of the relevant texts, Judith Volf addresses what Paul believed about continuity in salvation and the importance of this theme for subsequent Christians.

Moses in Corinth Paul B. Duff, 2015-01-27 Scholars have long puzzled over the imagery focused on Moses in 2 Corinthians 3. It is unclear how that imagery fits into the larger context of the letter. Many have explained the imagery as the apostle's reaction to the super-apostles, Jewish missionaries mentioned later in the letter. These preachers, it has been argued, promoted either a pro- or a Judaizing agenda. In *Moses in Corinth*, Paul B. Duff contends that the Moses imagery has nothing to do with the super-apostles but functions instead as an integral part of Paul's first apologia sent to Corinth. This apologia, found in 2 Cor 2:14-7:4, represents an independent letter sent to dispel suspicions about the apostle's honesty, integrity and poor physical appearance.

Repentance Ed Marr, 2004-08 This work is written with a law enforcement officer's investigative mindset and from the perspective of a prisoner I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance but most only touched on the topic. The only author who had anything to say about repentance beyond a mere mention was Charles G. Finney. In Finney's *Systematic Theology*, this 600-page work transformed my thinking and influenced my investigation. This book discusses spiritual leadership without bashing any spiritual leader. It points out carnality without castigating any particular ministry or denomination. Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality. These illustrations, like parables, contain revolutionary truths that are true to Scripture, reason and life so that Repentance, the Doctrine of God may become one harmonious revelation. Warning: As you read this book, you will encounter deep-seated carnality residing within the blackened depths of your soul, and it will not want to be exposed. But take heart, Almighty God will accompany you on this journey for the complete regeneration of your soul.

*Two Treatises. I. Of the nature and practise of repentance. II. Of the combat of the flesh and spirit. A second edition corrected. **A History of Christian Conversion** David W. Kling, 2020-05-05 Conversion has played a central role in the history of Christianity. In this first in-depth and wide-ranging narrative history, David Kling examines the dynamic of

turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity s expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling s book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies

**Repentance And Reconciliation** Iris Gentle, AI, 2025-02-18 Repentance and Reconciliation explores the vital link between these two concepts from a biblical perspective offering clarity for individuals and the church True reconciliation requires genuine repentance characterized by a change of heart and turning away from sin The book emphasizes that sincere repentance is essential for receiving divine forgiveness and experiencing restoration with God and others challenging superficial understandings of grace The book begins by laying the theological groundwork for repentance and forgiveness drawing from both Old and New Testament sources It distinguishes between worldly and godly sorrow highlighting confession and new obedience The discussion then moves to forgiveness exploring its divine source and implications for relationships referencing Romans 5 and early church practices in Acts Through careful examination of biblical texts and historical context the book provides a practical framework for cultivating repentance and reconciliation in the contemporary church and society It uniquely integrates biblical theology with real life application bridging academic study and practical experience The book progresses from theological foundations to the multifaceted nature of repentance and culminates in a synthesis for practical application
