**The American Revolution** United States. Bureau of Postsecondary Education,1976 The birth of the American Republic was indeed a shot heard round the world Not only was it of major international significance at the time but it remains an event of continuing interest and influence in the contemporary world It is therefore not surprising that the American Revolution is included in the curriculum of the school systems of most nations This set of selections from the history texts of 13 of these nations is not the first nor will it be the last effort by educators to gather the curricular perceptions of other countries about key events or periods in American history Indeed as the appendix reveals the Office of Education published its first report more than 80 years ago on how the American Revolutionary War was taught in the schools of other nations The particular merit of the present compilation is that it provides American teachers with valuable contemporary source material not otherwise readily available for teaching about the American Revolution especially during the period of the

Bicentennial Celebration Teachers interested in inquiry learning a comparative approach to history and or international understanding can utilize the collection in a variety of ways to help students develop their analytical skills and broaden their understanding of American history and of factors which contribute to intercultural communication

**The Horn Book Guide to Children's and Young Adult Books** ,2006 **Famous Women in History: Sybil Ludington** Nicole Orr,2025-02-25 The harrowing tale of a revolutionary era 16 year girl who rode horseback through the dark of night warning of an impending British attack on the town of Danbury Connecticut and summoning the 7th Regiment of the Dutchess County Militia to assemble near her family home Sybil Ludington was the daughter of Colonel Henry Ludington a revered military officer The story chronicles various historical accounts of her upbringing and later years One such is her clever plan in having her seven siblings march back and forth in front of a window in the family s home to dissuade a group of men who had arrived in hopes of claiming a bounty for the capture of her father It tells of how she was a pioneer having been one of only a few women to own and run a tavern after the passing of her husband Contextual side stories offer further perspective on key details locations and people referenced in Sybil s story Archival photographs drawings and paintings are chronologically arranged adding visual context to her compelling story as well as the inclusion of further reading and website recommendations maps glossary and index Content developed for young readers interest level grades 4 6 reading level grade 5
