*Paul, the Temple, and the Presence of God* David A. Renwick, 1991

**Grace and Agency in Paul and Second Temple Judaism** Kyle Wells, 2014-09-11 Following recent intertextual studies Kyle B Wells examines how descriptions of heart transformation in Deut 30 Jer 31 32 and Ezek 36 informed Paul and his contemporaries articulations about grace and agency Beyond advancing our understanding of how these restoration narratives were interpreted in the LXX the Dead Sea Literature Baruch Jubilees 2 Baruch 4 Ezra and Philo Wells demonstrates that while most Jews in this period did not set divine and human agency in competition with one another their constructions differed markedly and this would have contributed to vehement disagreements among them While not sui generis in every respect Paul s own convictions about grace and agency appear radical due to the way he reconfigures these concepts in relation to Christ

**Rabbi Paul** Bruce Chilton, 2005-11-15 A brilliant new biography of Saint Paul whose interpretations of the life and teachings of Jesus transformed a loosely organized grassroots peasant movement into the structured religion we know today Without Paul there would be no Christianity His letters to various churches scattered throughout the Roman Empire articulated for the first time the beliefs that make up the heart of Christian practice and faith In this extraordinary biography Bruce Chilton explains the changing images of Paul from the early Church period when he was regarded as the premiere apostle who separated Christianity from Judaism to more recent liberal evaluations which paint him as an antifeminist homophobic figure more dedicated to doctrine than to spiritual freedom By illuminating Paul s thoughts and contributions within the context of his time Chilton restores him to his place as the founding architect of the Church and one of the most important figures in Western history Rabbi Paul is at once a compelling highly readable biography and a window on how Jesus message was transformed into a religion embraced by millions around the world Drawing on Paul s own writings as well as historical and scholarly documents about his life and times Chilton portrays an all too human saint who helped to create both the most beautiful and the most troublesome aspects of the Church He shows that Paul sought to specify the correct approach to such central concerns as sexuality obedience faith conscience and spirit to define religion as an institution and to clarify the nature of the religious personality issues that Christians still struggle with today

**Holiness and Community in 2 Cor 6:14-7:1** J. Ayodeji Adewuya, 2011-02-01 This book examines 2 Cor 6 14 7 1 and argues that its theological message is communal holiness It culminates in an attempt to posit a Pauline theology of corporate sanctification in the Corinthian correspondence Paul s view of sanctification it is argued should be seen as multifaceted relational communal ethical and mission oriented Thus a coherent picture of Pauline teaching on holiness in the Corinthian correspondence emerges from this book For Paul the focus of God s redemptive activity is primarily the community and not the individual Paul s view on holiness has to do with communal holiness within the people of God the goal of which is to make God known to the wider society In sum this book argues that the teaching on holiness should not be and cannot be satisfactorily explained in terms of

the individual but only as the individual stands in relation to the community of faith Thus the conclusion offers a corrective to some strands of modern interpretation that emphasize the individualistic experiential aspects of Christian holiness thus tending to reduce Christian holiness to morality

**The Corinthian Correspondence** Reimund Bieringer,1996 **Who Is “the God of This Age”?** Ivor Poobalan,2024-06-14 How we interpret the god of this age in 2 Corinthians 4:4 has significant implications for Bible translations our doctrines of God and Satan and missiology Is this about God or Satan Dr Ivor Poobalan illuminates this unique Pauline phrase through his comprehensive examination of the history of interpretation and careful exegesis rooted in the historical and literary contexts Entering into centuries of debate this work challenges the two major pillars for the Satan argument Apocalypticism and ancient Jewish views of Satan to highlight the inconsistencies that make these foundations untenable This insightful work brings a fresh voice that returns readers to an interpretation that the god of this age is the sovereign God responding to Jewish unbelief For biblical scholars translators theologians and pastors Who Is the God of This Age makes accessible previously difficult sources and opens up the implications of this interpretation

**Canaan to Corinth** Michael Li-Tak Shen,2010 Michael Li Tak Shen carefully examines the biblical view of God s absolute uniqueness and argues that the biblical texts are consistent in their prohibition of idolatry and its paraphernalia in whatever form a helpful point in similar pastoral situations today in a world of idols ideologies addictions and runaway consumerism The high view of the absolute nature of God warns against lax and mistaken notions of so called Christian freedom Robert Solomon Bishop the Methodist Church in Singapore Book Jacket

*Divine Marriage from Eden to the End of Days* André Villeneuve,2021-10-12 In *Divine Marriage from Eden to the End of Days* Andre Villeneuve explores the mystery of God s love in the Bible and ancient Jewish tradition Scripture portrays the covenant between God and his people as a divine human marriage spanning through all of human history For the ancient Jewish interpreters God married humanity at the dawn of creation in the Garden of Eden but the union was broken by human sin The Lord restored the relationship when he betrothed Israel at Mount Sinai yet the covenant was wounded again with the transgression of the golden calf The nuptial bond was healed anew commemorated and reenacted through liturgical worship in Israel s tabernacle and temple This worship in God s nuptial chamber in turn anticipated the ultimate fulfillment of the divine human marriage in the messianic age at the end of history The first part of the book explores the marriage through Israel s biblical history in light of ancient Jewish exegesis The second part unveils the marriage in the ancient interpretation of the Song of Songs and in wisdom literature The third part reveals how the same symbolism is taken up in the New Testament and applied to the marriage between Christ and the Church

**Paul, Moses, and the History of Israel** Scott J. Hafemann,2008-09-01 An exegetical study of the call of Moses the second giving of the Law the new covenant Paul s self understanding as an apostle and the prophetic understanding of the history of Israel Hafemann s work demonstrates Paul s contextual use of the Old Testament and the essential unity of the old and new covenants in view of the distinctive ministries of Moses and Paul **Neither**

**Complementarian nor Egalitarian** Michelle Lee-Barnewall,2016-03-15 Regarding gender relations the evangelical world is divided between complementarians and egalitarians While both perspectives have much to contribute the discussion has reached a stalemate Michelle Lee Barnewall critiques both sides of the debate challenging the standard premises and arguments and offering new insight into a perennially divisive issue in the church She brings fresh biblical exegesis to bear on our cultural situation presenting an alternative way to move the discussion forward based on a corporate perspective and on kingdom values The book includes a foreword by Craig L Blomberg and an afterword by Lynn H Cohick Paul, the Temple, and Building a Metaphor David Anthony Basham,2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a system of associated commonplaces about the Jerusalem temple Basham proposes that when Paul applies temple language to the Corinthians by calling them naos theou God s temple he sparks a creative process of interaction between the temple and the Corinthian assembly a process of selecting emphasizing and organizing information from the source domain temple to see the target domain the Corinthians in a new light Basham suggests that in understanding Paul s fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile inclusion we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers By exploring the construction of metaphor the depiction of the Jerusalem temple in Paul s letters and Judean religion among gentiles Basham demonstrates that Paul s temple metaphor speaks to a new cultic reality for gentiles in Christ that is linked to Israel s worship though detached from its actual expression in Jerusalem New Testament Abstracts ,1992 Studies on 2 Corinthians Reimund Bieringer,Jan Lambrecht,1994 Peeters 1994 The Jewish World Around the New Testament Richard Bauckham,2010-07 A leading biblical scholar shows that the New Testament texts cannot be understood without careful attention to their Judaic and Second Temple roots *Cristologia Paulina* Gordon D. Fee,2023-05-01 nica em sua abordagem e tem tica Cristologia Paulina oferece um estudo exaustivo pelo acad mico paulino Gordon Fee O autor oferece uma an lise individual e detalhada das cartas de Paulo explorando a cristologia de cada uma e com elaborada s ntese da obra exeg tica em uma cristologia b blica de Paulo com os seguintes temas O papel de Cristo como o salvador divino preexistente e salvador encarnado Jesus como o segundo Ad o O Messias judeu e filho de Deus Como o Messias e Senhor exaltado Entre outros assuntos Fee tamb m explora o relacionamento entre Cristo e o Esp rito Santo Al m da pessoa e o papel do Esp rito no pensamento de Paulo Uma leitura obrigat ria para todos os que se interessam em estudar tanto a pessoa de Jesus quanto teologia de Paulo The Place of God at the Bookends of the Bible David W. Larsen,2023-10-09 What if everything in the Bible has a larger outer context than is usually accounted for Missional and biblical theologies suggest that the Bible presents a grand story like a play with multiple acts The acts typically include creation fall redemption and finally restoration But what if the whole story itself occurs in another larger setting occurring within a mission running in the background throughout the whole Bible How might this aid our research reading and

application And why is this being proposed now This book explores these questions The larger context is the production of the place of God a home and homeland wherein God with his people dwell on earth Since place is underdeveloped in biblical studies the book presents a new method for interpreting place Then the book lays out the case that a grand mission to produce the place of God becomes the outer context for the whole Bible Finally the book defends this proposal with an in depth placial commentary of the bookends of the Bible since these bookends provide keys to unlock this message thereby inviting further study on the rest of the Bible and on the implications for this transformative perspective Bibliographic Index ,1994 RIC. ,1992 **Phoenician Aniconism in Its Mediterranean and Ancient Near Eastern Contexts** Brian R. Doak,2015-11-05 A close look at Phoenician religion The Hebrew Bible contains a prohibition against divine images Exod 20 2 5a Explanations for this command are legion usually focusing on the unique status of Israel s deity within the context of the broader Near Eastern and Mediterranean worlds Doak explores whether or not Israel was truly alone in its severe stance against idols This book focuses on one particular aspect of this iconographic context in Israel s Iron Age world that of the Phoenicians The question of whether Phoenicians employed aniconic as opposed to iconic representational techniques has significance not only for the many poorly understood aspects of Phoenician religion generally but also for the question of whether aniconism can be considered a broader trend among the Semitic populations of the ancient Near East Features More than fifty images and illustrations Examination of textual and archaeological evidence Application of art historical methods **Creation in Paul and Philo** Jonathan D. Worthington,2011 God s creative activity in the beginning is important to many aspects of Paul s theology Jonathan Worthington explores Paul s protology by analyzing his interpretation of scripture concerning creation mainly the beginning of Genesis By examining Paul s exegetical manoeuvres within 1 2 Corinthians and Romans and by comparing these with the contemporary but more detailed treatments of the same texts by Philo of Alexandria in his formal commentary on Genesis 1 2 De Opificio Mundi the author uncovers an approach to creation that is fundamental to both ancient interpreters Paul s interpretation of creation like Philo s in his commentary contains three interwoven aspects the beginning of the world the beginning of humanity and God s intentions before the beginning Recognizing this basic hermeneutical interplay between the Beginning and the Before facilitates a more appropriate comparison between Paul and Philo as well as a more adequate treatment of difficult and debated passages in both interpreters regarding creation
