Paul And The Hermeneutics Of Faith:

Paul and the Hermeneutics of Faith Francis Watson, 2004-12-31 A comparative study in the early interpretation of Jewish scripture aiming to show how and why Christian and Jewish readers were reading the same texts yet reading them differently

Paul and the Hermeneutics of Faith Francis Watson, 2016 In recent years scholars from both Christian and Jewish backgrounds have tried to rethink the relationship between earliest Christianity and its Jewish milieu and Paul has emerged as a central figure in this debate Francis Watson contributes to this scholarly discussion by seeing Paul and his Jewish contemporaries as above all readers of scripture However different the conclusions they draw they all endeavour to make sense of the same normative scriptural texts in the belief that as they interpret the scriptural texts the texts will themselves interpret and illuminate the world of contemporary experience In that sense Paul and his contemporaries are standing on common ground Far from relativizing their differences however it is this common ground that makes such differences possible This book seeks to show how three distinct bodies of literature in fact constitute a single intertextual field It is therefore necessary to dismantle artificial scholarly boundaries between the Pauline letters other extant Jewish writings of the period and the scriptural texts themselves The method adopted is to set a Pauline and a non Pauline reading of a scriptural text alongside one another to compare the ways in which the different readings seek to realize the semantic potential of the scriptural text and to construct communal identity on that basis Contrary to the view that these early readers merely impose their own pre existing viewpoints on the scriptural texts it becomes clear that they are profoundly engaged in fundamental hermeneutical issues In this new edition Watson provides a comprehensive new introduction to respond to critics of the previous edition as well as numerous updates and refinements throughout the text Bloomsbury Publishing

Paul and the Meaning of Scripture Matthew L. Halsted, 2022-08-23 One exciting area of study is Paul s use of the Old Testament The apostle routinely appeals to Scripture to support his arguments and to persuade his readers One gets the impression that Paul has a high respect for Scripture and that his knowledge of it is broad and comprehensive And yet there is something enigmatic about his use of the Old Testament at the same time something elusive and even puzzling His interpretations can appear strained sometimes going beyond the text s original context Is Paul a poor reader of Scripture Is there genuine tension between Paul s interpretations and the original context of his quotations In this riveting study Matthew L Halsted takes readers through Romans to explore these and related questions In the end he argues that such tension does exist and that the solution is not to ignore it or view it as a liability but rather to preserve it by adopting a hermeneutic that can sufficiently account for it as an integral element for each and every act of interpretation Following the insights of philosopher Hans Georg Gadamer 1900 2002 Halsted describes Paul s use of Scripture as dialogical re authoring a term that captures the dynamic relationship between the apostle and the Jewish texts that were so important to him **An**

Intertextual Commentary on Romans, Volume 1 Channing L. Crisler, 2021-06-18 An Intertextual Commentary on Romans

is an exhaustive treatment of the hundreds of Old Testament citations allusions and echoes embedded in Paul's most famous epistle. As many scholars have acknowledged, to understand Paul's engagement with Israel's Scriptures is to understand Romans. Despite this acknowledgment, there is a dearth of reference works in which the primary focus is how the Old Testament impacts Paul's argument from Romans 1:1 to 16:27. This four-volume commentary aims to provide just such a reference. The interplay between Romans and its vast sea of Old Testament pretexts produces unstated points of resonance that illuminate Paul's rhetorical argument from the letter's opening to its closing doxology. Volume 1 examines the Old Testament pretexts in Romans 1:1-4:25. Although the citations of Habakkuk 2:4 and Genesis 15:6 in this section of the letter often dominate intertextual discussions, several other Old Testament pretexts though often overlooked support the intertextual subtext of the letter and thereby illuminate various features of Paul's argument. In this commentary, each of these pretexts is examined from a variety of perspectives. The overarching aim of the commentary is to provide scholars, interpreters, and students with verse-by-verse analysis of how Israel's Scriptures impact almost every clause of Paul's most famous letter.

Divine and Human Agency in Second Temple Judaism and Paul Jason Maston, 2018-03-14 Jason Maston reassesses the understanding of divine and human action in second temple Judaism. Sirach and the Hodayot are used to establish the diversity of opinions. The Apostle Paul is situated into this Jewish debate through an analysis of Rom 7:8.

Paul's Viewpoint on God, Israel, and the Gentiles in Romans 9-11 Xiaxia E. Xue, 2015-05-14 Over the years, Romans 9-11 has been investigated from a variety of approaches, with one of the most prominent being an intertextual reading. However, most discussions of intertextual studies on this section of Romans fail to adequately address Paul's discourse patterns and that of his Jewish contemporaries with regard to God, Israel, and the Gentiles. Adapting Lemke's linguistic intertextual thematic theory, this study uses a methodological control to analyze the discourse patterns in Romans 9-11. Through this analysis, the author demonstrates the divergence of Paul's viewpoints on several typical Jewish issues, which suggests that his discontinuities from his Jewish contemporaries are obvious and sometimes radical. It is apparent that Romans 9-11 not only provides a self-presentation of Paul as a Mosaic prophet figure but overall it appears as a prophetic discourse reinforcing the notion that Paul's message comes from divine authority.

Paul and Isaiah's Servants Mark Gignilliat, 2007-07-10 Provides theological rationale for Paul's Old Testament reading that moves beyond pigeonholing Paul either into his religious/historical situation or into modern conventions about the *sensus literalis*.

Not My People David Ian Starling, 2011 After a survey of recent approaches to the study of Paul's use of Scripture the four main chapters explore the use of Isa 54:1 in Gal 4:27 the catena of scriptural texts in 2 Cor 6:16-18 Hos 1:10 and 2:23 in Rom 9:25-26 and Isa 57:19 in Eph 2:17 In each case the ancient writer seeks to place the letter in its historical context and rhetorical situation identify the significance of any confections or modifications that have taken place in the citation process analyse the citation's function within its immediate context compare its use by Paul with the various ways in which the text is interpreted and appropriated by other Second Temple writers and evaluate the main proposals offered as explanations for the riddle posed by the citation That done he offers his own account of the hermeneutic at work based on an analysis of the explicit and implicit hermeneutical pointers through which the letter guides its readers in their appropriation of Scripture This book compares the hermeneutical approaches of the four letters and draws conclusions concerning the interplay of continuity and discontinuity between Scripture and gospel in Paul's letters and the relationship between grace and Gentile inclusion in his theology

Re-membering the New Covenant at Corinth Emmanuel Nathan, 2020-03-27 Did Paul instigate Christianity's separation from Judaism if one considers the stark polemical contrasts of new and old covenant in 2 Cor 3 Emmanuel Nathan argues that Paul reconfigured traditions and memories shaping the identity of his community at Corinth back cover

The Divine-Human Relationship in Romans 1-8 in the Light of Interdependence Theory Yoonjong Kim, 2020-11-12 Yoonjong Kim analyses the divine human relationship in Paul's theology focusing on Paul's portrayal of the relationship in Romans 1-8 Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal To address the significance of the human agent's role in the relationship Kim employs a social psychological theory interdependence theory offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner's expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1-8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1:18-3:20 restoration 3:21-26 5:1-11 the oppressive relationship with Sin 5:12-8:11 and the investment for the future 8:12-39 and concludes that although the foundation of the relationship rests on God's initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the

relationship toward the ultimate goal Grace and Agency in Paul and Second Temple Judaism Kyle Wells, 2014-09-11 Following recent intertextual studies Kyle B Wells examines how descriptions of heart transformation in Deut 30 Jer 31 32 and Ezek 36 informed Paul and his contemporaries articulations about grace and agency Beyond advancing our understanding of how these restoration narratives were interpreted in the LXX the Dead Sea Literature Baruch Jubilees 2 Baruch 4 Ezra and Philo Wells demonstrates that while most Jews in this period did not set divine and human agency in competition with one another their constructions differed markedly and this would have contributed to vehement disagreements among them While not sui generis in every respect Paul s own convictions about grace and agency appear radical due to the way he reconfigures these concepts in relation to Christ **Written for Us: Paul's Interpretation of Scripture and the History of Midrash** Yael Fisch, 2023-01-16 This volume re introduces Paul into the study of midrash Though Paul writes and interprets scripture in Greek and the Tannaim in Hebrew and despite grave methodological difficulties in claiming direct and substantial cultural contact between these literary traditions this book argues that Paul is a crucial source for the study of rabbinic midrash and vice versa Fisch offers fresh perspectives on reading practices that Paul and the Tannaim uniquely share on Paul s concept of nomos and its implications on the reconstructed history of the Tannaitic twofold Torah Oral and Written on the relationship between allegory and midrash as hermeneutical systems and on competing conceptualizations of ideal readers *Pauline Hermeneutics* Kenneth Mtata, Eve-Marie Becker, 2017-03-01 Paul s letters are of crucial importance for Christian theology and church life The way in which the apostle Paul critically reflected on the meaning of the gospel message in light of Scripture the traditions ethics and Christian faith and hope has had a significant and lasting impact on the Lutheran tradition In this publication the fourth and final in a series of LWF publications on biblical hermeneutics renowned international scholars from the fields of biblical studies and systematic theology reevaluate to what extent twenty first century Lutherans can rediscover the Pauline paradigm of the power of the Gospel and hereby overcome ambiguous perceptions of the so called Lutheran reading s of Paul Paulinische Hermeneutik Die Kraft des Evangeliums erforschen Die Briefe des Paulus haben eine grundlegende Bedeutung f r die christliche Theologie Besonders die lutherischen Kirchen sind dauerhaft davon gepr gt wie Paulus als Apostel die Bedeutung des Evangeliums im Lichte der Auslegung von Schrift und Tradition sowie der Konzeption fr hchristlicher Ethik und der Explikation von Hoffnung und Glaube herausgearbeitet und interpretiert hat Die vorliegende Anthologie schlie t einer Folge von vier LWB Publikationen zur biblischen Hermeneutik ab International renommierte Bibelwissenschaftler und Systematische Theologen diskutieren in welcher Weise lutherische Theologie im 21 Jahrhundert das paulinische Konzept von der Kraft des Evangeliums so wiederentdecken kann dass ambivalente Vorstellungen von der sog Lutherischen Paulusperspektive neu berdacht und überwunden werden k nnen *Evoking Scripture* Steve Moyise, 2008-07-22 Using individual text as case studies Steve carefully explores how embedded jewish scripture texts in the new Testament have been variously interpreted in modern

scholarship from back cover *The Origin and Persistence of Evil in Galatians* Tyler A. Stewart, 2022-02-25 Was Paul's view of evil based on Adam's fall or a mere reflex of Christology Tyler A. Stewart argues that in Galatians Paul's thoughts about where evil comes from and why it continues are not based on Adam's fall as the background story but rather the rebellion of angels Page 4 of printed paper wrapper **Hermeneutic Phenomenology** Don Ihde, 1971 Hermeneutic Phenomenology serves to introduce the philosophy of Paul Ricoeur and give new perspectives to the philosophy of language *A Ricoeurian Analysis of Identity Formation in Philippians* Scott Ying Lam Yip, 2023-06-01 Winner of the Outstanding Theological Research Book Award 2024 Scott Ying Lam Yip presents the first specialized narrative study devoted to the identity formation processes in Philippians based on Paul Ricoeur's narrative theory Yip demonstrates that the Christian identity of the Philippian community is shaped amidst competing narratives with divergent comprehensions and suggests that it is within an intra Jewish contestation of testimonies that Paul updates his understanding of God and contends with a group of Jewish Christian leaders regarding the meaning of his suffering Yip argues that Paul faces a double contestation of narrative in which both the political authorities and a group of Jewish Christian leaders see his imprisonment as futile and unnecessary alerting him to an emerging crisis in which the Philippian community's conviction in suffering with him has begun to decline It is thus essential for Paul to synthesise and install a new paradigmatic story of Christ so that his suffering can be discerned as the defining mark of God's renewed manifestation in an era of Christ's eschatological Lordship Yip explores the means by which Paul in a contestation of authority for the re-appropriation of God's past work contrasts the future-oriented temporality of his testimony with the past-oriented one of the Jewish Christian leaders He concludes that Paul affirms the value of his present suffering in truthfulness and installs his testimony to be the exemplary story for the Philippian community

Hermeneutics of Holiness Naomi Koltun-Fromm, 2010-09-24 This book tells the story of how the biblical notions of holy person or holy community comes to be defined by sexual and marriage practices by various interpretive communities in late antiquity Koltun-Fromm argues that the biblical texts already create a link between holiness and sexuality which is further interpreted by later readers Tracing this development from the biblical texts into the fourth century she suggests that sexual practices among Jews and Christians particularly ascetic sexual practices are rooted in the history of biblical exegesis and tradition as much as in any other late ancient phenomena Moreover holiness as sexual practice thus helped these groups demarcate differentiation from each other Hence this book establishes the importance of biblical interpretation for late ancient Jewish and Christian practices the centrality of holiness as a category for self-definition and fourth century asceticism's relationship to biblical texts and interpretive history *Missiological Hermeneutics* Shawn B. Redford, 2012-10-18 How have those engaged in the mission of God been challenged to reinterpret Scripture through their experience In what ways were the missionaries in the Bible challenged to reevaluate Scripture in their own time Redford attempts to give shape to the nature of missional hermeneutics by examining Scripture present-day cultural values historical struggles and the experience

of those who are engaged in the mission of God In order for missionaries to overcome the scientific polarization in Western hermeneutics they must be able to perceive and learn from the overarching missional and spiritual hermeneutics found throughout Scripture so that they can balance missional spiritual historical critical and even unforeseen hermeneutical paths providing increased confidence in biblical interpretation
