Paul's Letter to the Romans Arland J. *The Gospel According to Paul* Graham H. Twelftree, 2019-11-20 Paul's gospel is misunderstood Paul's gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God's salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul's preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel's

coming or establishment it is clear that at heart the gospel is God's salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul's message about God's Son Jesus Christ and the activity of God in the miraculous. Not surprisingly then Paul rarely talks of preaching the gospel. He sees himself as gossipping. **Paul in Ecstasy** Colleen Shantz, 2009-04-27 Colleen Shantz addresses the role of religious experience in Paul's life and letters demonstrating its importance in Christian origins. Feminist Biblical Studies in the Twentieth Century Elisabeth Schüssler Fiorenza, 2014-06-26 Chart the development of feminist approaches and theories of interpretation during the period when women first joined the ranks of biblical scholars. This collection of essays on feminist biblical studies in the twentieth century seeks to explore four areas of inquiry demanding further investigation. In the first section articles chart the beginnings and developments of feminist biblical studies as a conversation among feminists around the world. The second section introduces reviews and discusses the hermeneutic religious spaces created by feminist biblical studies. The third segment discusses academic methods of reading and interpretation that dismantle androcentric language and kyriarchal authority. The fourth section returns to the first with work that transgresses academic boundaries in order to exemplify the transforming, inspiring and institutionalizing feminist work that has been and is being done to change religious mindsets of domination and to enable women to engage in critical readings of the Bible. Features Essays examine the rupture or break in the malestream reception history of the Bible. Exploration of the term feminism in different social, cultural and theoretical religious locations. Authors from around the world present research and future directions for research challenging the next generation of feminist interpreters. Paul, Apostle to the Nations Walter F. Taylor, 2012 Who was Paul? What did he do? What did he write? Walter F. Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul. An appendix presents a clear summary of issues related to Paul's thought on gender and sexuality. Recovering an Undomesticated Apostle Christopher B. Zeichmann, John A. Egger, 2023-04-01 Paul the apostle is usually imagined as a man of prestige and power comfortably conversing with philosophers seeking an audience with the emperor and composing compelling letters for Christians throughout the Mediterranean. Yet this portrait of a safe and conventional figure at the origins of Christianity airbrushes out many strange things about him. This volume repositions Paul as a man at the periphery of power. Recovering an Undomesticated Apostle explores the ways that Paul has been domesticated in both popular and scholarly imagination. By isolating selected crises of the apostle's life and legacy and examining the social and material dimensions of his world, these essays collectively chip away at the received image of his strength and status. The result is a series of glimpses of Paul that frame the apostle as surprisingly marginal and weak within Roman society. Published in honour of New Testament scholar Leif E. Vaage. Recovering an Undomesticated Apostle presents Paul as a man operating from a position of desperation, making virtue out of necessity as he attempted to claw his way up in the dog-eat-dog world of the ancient Mediterranean.

**The Many Deaths of Peter and Paul** David L. Eastman, 2019-05-02 The early accounts of one of the most famous scenes in Christian history the death of Peter do not present a single narrative of the events for they do not agree on why Peter requested to die in the precise way that he allegedly did Over time historians and theologians have tended to smooth over these rough edges creating the impression that the ancient sources all line up in a certain direction This impression however misrepresents the evidence The reason for Peter s inverted crucifixion is not the only detail on which the sources diverge In fact such disagreement can be seen concerning nearly every major narrative point in the martyrdom accounts of Peter and Paul The Many Deaths of Peter and Paul shows that the process of smoothing over differences in order to create a master narrative about the deaths of Peter and Paul has distorted the evidence This process of distortion not only blinds us to differences in perspective among the various authors but also discourages us from digging deeper into the contexts of those authors to explore why they told the stories of the apostolic deaths differently in their contexts David L Eastman demonstrates that there was never a single unopposed narrative about the deaths of Peter and Paul Instead stories were products of social memory told and re told in order to serve the purposes of their authors and their communities The history of the writing of the many deaths of Peter and Paul is one of contextualized variety

*Locating Paul* Matthew L. Skinner, 2003-01-01 This study explores literary settings in the narrative of Paul s prolonged imprisonment in Acts It suggests that Paul s proclamation of the word in a setting of Roman control constitutes a powerful confrontation
