Ray Hawkins, 1980 **Paul Outerbridge, Jr** Paul Outerbridge, Graham Howe, 1976 **Paul Outerbridge** Paul Martineau, Paul Outerbridge, 2009 Paul Outerbridge Jr American 1896 1958 burst onto the photographic art scene in the early 1920s with images that were visually fresh technically adept and decidedly Modernist He also applied his talent for composition to the commercial world introducing an artist's sensibility to advertisements for men's haberdashery glassware and JELL O R for magazines such as Vogue and Vanity Fair An early master of the technically complex carbonyl color process he used it to photograph nudes often shown with a variety of props images that skirted the limits of propriety in their day This catalogue was produced for the first exhibition of Outerbridge's work since 1981 which was held March 31 through August 9 2009 at the J Paul Getty Museum It brought together one hundred photographs from all periods and styles of the photographer's career including his Cubistic still life images commercial magazine photography and nudes The book includes an essay by the curator and a chronology of the artist's life and work **Paul Outerbridge Jr** Paul Outerbridge, 1993 PAUL OUTERBRIDGE 1896-1958. Edition trilingue français-anglais-allemand Paul Outerbridge, Elaine Dines-Cox, Elaine K. Dines-Cox, Carol McCusker, 1999 *Le photographe new yorkais Paul Outerbridge tait obs d par la forme parfaite Ses paradis artificiels subirent l influence du cubisme de la Nouvelle Objectivité et du surréalisme* Paul Outerbridge Paul Outerbridge, 2009 Consuming Images , 2014 This dissertation examines the work of Paul Outerbridge Jr 1896 1958 an American photographer who oriented his fine art and commercial practice around modernist movements taking place in Europe and the United States as well as the demands of his advertising world constituents Employing similar stylistic and technical devices to both commercial assignments and independent experiments with photography Outerbridge reinterpreted traditional genres of portraiture still life the nude and the domestic interior to address advertising culture sexuality and machine age technology His contributions to the medium reveal the dramatic shifts in philosophy and approach of photographers wrestling with the divide between consumer culture and fine art By tracing Outerbridge's oeuvre in four thematic chapters this study shows how his engagement with the commercial sphere shaped his overall approach toward the photographic medium Chapter one analyzes his early experiments with pure form and abstraction to consider why Cubist principles became sources for commercial photographers in the early 1920s Chapter two examines Outerbridge's transition to color by comparing work he made for two magazines House Beautiful and Life and the range of domestic tableaux he constructed for both publications The distinct identities of each magazine often dictated or even clashed with Outerbridge's artistic vision Chapter three assesses a series of female nudes photographed in the privacy of his studio presenting a decadent erotic presentation of the female body as a site of modern consumption Chapter four focuses on the production and

reception of his book *Photographing in Color* 1940 a hybrid work that combined Outerbridge's technical expertise with artistic strategem to assert himself as a holistic figure and tastemaker in modern society This study argues that a career like Outerbridge's is integral to understanding more accurately photography's engagement with mass culture in the 1920s through the 1940s By considering how photographers such as Outerbridge worked within mass media to expand their engagement with modernism I demonstrate the different ways in which the dichotomy between fine and commercial art became dismantled
