Michael Kroeger, Paul Rand

Paul Rand A Designers Art:

Paul Rand: A Designer's Art Paul Rand, 2016-11-15 If Paul Rand was the most influential American graphic designer of the twentieth century then Paul Rand A Designer's Art is the most important on his work A comprehensive collection of his most important and best known designs A Designer's Art gives unique insight into Rand's design process and theory This new edition of Rand's classic monograph long unavailable meticulously re-creates the graphic quality of the original It includes more than two hundred illustrations and twenty seven essays and a new afterword by Steven Heller This book is required reading for anybody interested in modern design

Paul Rand Eugenia Bell, 2019-11-05 Best known for his corporate brand logos and art direction Paul Rand 1914-1986 transformed commercial art from craft to profession introduced European design standards to American commercial art influenced the look of advertising and book design and altered the ways in which major corporations including IBM UPS and Westinghouse did business His adherence to a strict design form in his work for corporate clients was balanced by a playful side captured in this spirited collection of literal and figural back of the envelope sketches doodles notes and imaginative sparks that later found their full form in his children's books logos and personal work

Thoughts on Design Paul Rand, 2014-08-19 One of the seminal texts of graphic design Paul Rand's *Thoughts on Design* is now available for the first time since the 1970s Writing at the height of his career Rand articulated in his slender volume the pioneering vision that all design should seamlessly integrate form and function This facsimile edition preserves Rand's original 1947 essay with the adjustments he made to its text and imagery for a revised printing in 1970 and adds only an informative and inspiring new foreword by design luminary Michael Bierut As relevant today as it was when first published this classic treatise is an indispensable addition to the library of every designer

Paul Rand Michael Kroeger, Paul Rand, 2008 Paul Rand born in 1914 was one of the best and most well known graphic designers of the 20th century Michael Kroeger presents the transcript of an exclusive interview with Swiss graphic designer Paul Rand before his death in 1996

From Lascaux to Brooklyn Paul Rand, 2017-11-03 Illustrating his ideas with examples of his own stunning graphic work as well as an eclectic collection of masterpieces Rand discusses such topics as the relation between art and business the presentation of design ideas and sketches to prospective clients the debate over typographic style and the aesthetics of combinatorial geometry as applied to the grid His book will engage and enlighten anyone interested in the practice or theory of graphic design

Paul Rand Paul Rand, 1988

Design, Form, and Chaos Paul Rand, 2017-01-01 Paul Rand's stature as one of the world's leading graphic designers is incontestable For half a century his pioneering work in the field of advertising design and typography has exerted a profound influence on the design profession he almost single handedly transformed commercial art from a practice that catered to the lowest common denominator of taste to one that could assert its place among the other fine arts Among the numerous clients for whom he has been a consultant and or designer are the American Broadcasting Company IBM Corporation and Westinghouse Electric Corporation In this witty and

instructive book Paul Rand speaks about the contemporary practice of graphic design explaining the process and passion that foster good design and indicting faddism and trendiness Illustrating his ideas with examples of his own stunning graphic work as well as with the work of artists he admires Rand discusses such topics as the values on which aesthetic judgments are based the part played by intuition in good design the proper relationship between management and designers the place of market research how and when to use computers in the production of a design choosing a typeface principles of book design and the thought processes that lead to a final design The centerpiece of the book consists of seven design portfolios with diagrams and ultimate choices that Rand used to present his logos to clients such as Next IDEO and IBM *Paul Rand*, 1994 *Paul Rand: a Designer's Eye* J.
