*Paula Rego* John McEwen, 1995-04-01 **Paula Rego: Behind the Scenes** John McEwen, 2008-07-09 Paula Rego Behind the Scenes offers the reader a unique opportunity to observe the studio life and working practice of one of the most important figurative artists working today In 1994 Paula Rego took on her own studio in Camden north London The space and freedom that this allowed her had a dramatic effect not only on her final works but also on her preparations models method and technique This new book features many unseen and personal photographs of the artist at work and sheds new light on some of her best known pieces

**The Artist at Home** Imogen Racz, Jill Journeaux, 2024-01-11 Artists have worked from home for many reasons including care duties financial or political constraints or availability and proximity to others From the home studios of Charles and Ray Eames to the different photographic representations of Robert Rauschenberg's studio this book explores the home as a distinct site of artistic practice and the traditions and developments of the home studio as concept and space throughout the 20th and into the 21st century Using examples from across Europe and the Anglophone world between the mid 20th century and the present each chapter considers the different circumstances for working at home the impact on the creative lives of the artists their identities as artists and on the work itself and how sometimes these were projected and promoted through photographs and the media Key themes include the gendered and performative aspects of women practising at home collaborative studio communities of the 1970s 90s including the appropriation of abandoned spaces in East London and the effects of Covid on artistic practices

and family life within the spaces of home The book comprises full length chapters by artists architects art and design historians each of whom bring different perspectives to the issues interwoven with short interviews with artists to enrich and broaden the debates At a time when individual relationships to home environments have been radically altered The Artist at Home considers why some artists in previous decades either needed to or chose to work from home producing work of vitality and integrity Tracing this long tradition into the present the book will provide a deeper understanding of how the home studio has affected the practices and identity of artists working in different countries and in different circumstances from the mid 20th century to the present

**Paula Rego's Map of Memory** Maria Manuel Lisboa, 2003 Looking back over the national religious and sexual politics of Portugal during Rego's childhood under the shadow of the Salazar dictatorship and subsequently Lisboa locates the origins of the artist's preoccupation with power and powerlessness violence and abuse within the political and ideological status quo of Portugal past and present

Contemporary British Women Artists Rebecca Fortnum, 2006-07-26 In this illuminating collection of new interviews some of the most important women artists practising in Britain today talk about their work their influences and their relationships sometimes ambivalent with the art historical canon Enlightening and frequently entertaining the interviews with artists spanning different generations and working in media as diverse as performance art painting sculpture video and installation give fascinating first hand insights into both the artists lives and the creative process Fortnum speaks to Tacita Dean Tanya Kovats Christine Borland Jane Harris Vanessa Jackson Tracey Emin Maria Lalic Hayley Newman Sonia Boyce Emma Kay Gillian Ayres Lucy Gunning Claire Barclay Maria Chevska Anya Gallacio Jemima Stehli Runa Islam and Paula Rego

*Writing and Seeing* Rui Manuel G. de Carvalho Homem, Maria de Fátima Lambert, 2006 The essays in this volume are informed by a variety of theoretical assumptions and of critical methodologies but they all share an interest in the intersections of word and image in a variety of media This unifying rationale secures the present collection's central position in the current critical context defined as it predominantly is by ways of reading that are based on a relational nexus The intertextual the intermedial the intersemiotic are indeed foregrounded and combined in these essays conceptually as much as in the critical practices favoured by the various contributions Studies of literature in its relation to pictorial genres enjoy a relative prominence in the volume but the range of media and of approaches considered is broad enough to include photography film video television comic strips animated film public art material culture The backgrounds of contributors are likewise diverse culturally academically linguistically The volume combines contributions by prominent scholars and critics with essays by younger scholars from a variety of

backgrounds The resulting plurality of perspective is indeed a source of new insights into the relations between writing and seeing and it contributes to making this collection an exciting new contribution to word and image studies *New Spirit, New Sculpture, New Money* Richard Cork, 2003-01-01 Overzicht van de moderne beeldende kunst in Groot Brittanni in de jaren 80 *The Controversial Woman's Body* Vita Fortunati, Annamaria Lamarra, Eleonora Federici, 2003 *Portuguese Artists in London* Leonor de Oliveira, 2019-12-06 This book centres on four Portuguese artists journeys between Portugal and Britain and aims at rethinking the cultural and artistic interactions in the post war Europe the shaping of new identities within a context of creative experimentalism and transnational dynamics and the artistic responses to political troubles Leonor de Oliveira examines the contributions of the work of Paula Rego Barto dos Santos Jo o Cutileiro and Jorge Vieira among other artists to shape referential images of Portuguese identity that not only responded to the purpose of breaking with dominant iconographic and aesthetic representations but also incorporated a critical perspective on contemporaneity This title will appeal to scholars interested in art history Portuguese and European art and the mid twentieth century art scene

**Tradition and Innovation** Maria do Rosário Monteiro, Mário Ming Kong, 2021-06-29 The texts presented in Proportion Harmonies and Identities PHI Tradition and Innovation were compiled with the intent to establish a multidisciplinary platform for the presentation interaction and dissemination of researches They also aim to foster the awareness and discussion on the topic of Tradition and Innovation focusing on different visions relevant to Architecture Arts and Humanities Design and Social Sciences and its importance and benefits for the sense of identity both individual and communal The idea of Tradition and Innovation has been a significant motor for development since the Western Early Modern Age Its theoretical and practical foundations have become the working tools of scientists philosophers and artists who seek strategies and policies to accelerate the development process in different contexts

**Anti-Tales** David Calvin, Catriona McAra, 2011-05-25 The anti fairy tale has long existed in the shadow of the traditional fairy tale as its flipside or evil twin According to Andr Jolles in *Einfache Formen* 1930 such Antim rchen are contemporaneous with some of the earliest known oral variants of familiar tales While fairy tales are generally characterised by a spirit of optimism Tolkien the anti tale offers us no such assurances for every happily ever after there is a dissenting they all died horribly The anti tale is however rarely an outright opposition to the traditional form itself Inasmuch as the anti hero is not a villain but may possess attributes of the hero the anti tale appropriates aspects of the fairy tale form and its equivalent genres and re imagines subverts inverts deconstructs or satirises elements of these to present an alternate narrative interpretation outcome or morality In this collection Little Red Riding Hood retaliates against the wolf Cinderella s stepmother provides her own account of events and Snow White evolves into a postmodern vampire tale The familiar becomes unfamiliar revealing the underlying structures dynamics fractures and contradictions within the borrowed tales Over the last half century this dissident tradition has become increasingly popular inspiring numerous writers artists musicians and filmmakers Although

anti tales abound in contemporary art and popular culture the term has been used sporadically in scholarship without being developed or defined While it is clear that the aesthetics of postmodernism have provided fertile creative grounds for this tradition the anti tale is not just a postmodern phenomenon rather the postmodern fairy tale is only part of the picture Broadly interdisciplinary in scope this collection of twenty two essays and artwork explores various manifestations of the anti tale from the ancient to the modern including romanticism realism and surrealism along the way

**Memory and Enlightenment** James Ward,2018-11-11 This book illuminates how the long eighteenth century 1660 1800 persists in our present through screen and performance media writing and visual art Tracing the afterlives of the period from the 1980s to the present it argues that these emerging and changing forms stage the period as a point of origin for the grounding of individual identity in personal memory and as a site of foundational traumas that shape cultural memory

**Dada Data** Sarah Hegenbart,Mara-Johanna Kölmel,2023-02-09 What is the relevance of Dada and its artistic strategies in our current moment one marked by post truth politics information floods and big data How can contemporary art highlight the neglected nuances of cultural representation in the present day While it may feel like we are living in a period of anomaly with the rise of the alt right this book shows how the Dada movement s artistic response to the aggressive nationalism and fascism of its time offers a fruitful analogy to our contemporary era Dada s counter cultural strategies such as the distortion of reality and attacks on elites and rationality

have long been endorsed by artistic avantgardes and subcultures Dada Data details how modern day movements have appropriated such tactics in their ways of addressing the public both on and offline Bringing together contributions from interdisciplinary scholars curators and artists working in global contexts that explore an array of artistic modes of persuasion and resistance the book demonstrates how contemporary art can bring out neglected nuances of our post truth moment In linking the Dada movement s counter cultural activities to modern phenomena such as post internet art information floods and big data mining the book collates original propaganda with diverse artwork from such figures as Hannah Höch Paula Rego Tschabalala Self Sheida Soleimani and South African artists donna Kukama and Kemang Wa Lehulere In doing so Dada Data brings together a rich scrapbook of Dada resources and perspectives that are highly relevant to present day political concerns With artistic contributions by IOCOSE donna Kukama Kemang Wa Lehulere and Montage M dells
