Pauls Servant Lord Analogy For The Relationship Of A Believer To Christ:

Paul's Servant-Lord Analogy for the Relationship of a Believer to Christ William D. Sprague, 2000 This book analyzes Paul's use of the servant lord analogy to convey the notion that every Christian is called to be a servant of God. Concerned with those aspects of the believer's relationship to Christ that are embodied in the servant lord analogy, author William Sprague provides a critical interpretation of 1 Corinthians 7:22b. He demonstrates that Paul's meaning of the servant lord analogy is not only grounded in his view of God, the law, and Christ but also contemporary culture. Setting the relevant context for understanding the meaning of servant or slave, Sprague investigates the practice of slavery in the Greco-Roman culture of the First Century. He also examines Paul's view of himself as a servant of God as well as his previous relationship to the law and his new life in Christ. According to Paul, to lay claim to the title of Christian is to become a servant or slave of Christ with the attendant responsibilities of obedience and service. Sprague argues that renewing this commitment to service as Paul intended is critical for rejuvenating the modern Church. Thoughtful and compelling, this book will be an important resource for Biblical students, religious scholars, and ministers.

Wisdom According to Paul in Relation to the Corinthian Problems Richard C. Rojas, 2024-09-30 The problems of boasting, division, and human wisdom are apparent in 1 Corinthians 1:4. Addressing their interrelated nature, Dr. Richard Rojas argues they are rooted in a false understanding of wisdom. He skillfully explores how Paul's response to the issues is found in his wisdom teaching, especially the meaning and significance of Christ, the wisdom of God. In this detailed study, Dr. Rojas presents a sociological and rhetorical analysis of 1 Corinthians 1:4 that brings a fresh perspective on Paul's response to church tension with important truths for churches today. Pauline scholars and church practitioners alike will find in these pages a rich resource on 1 Corinthians and Paul's teaching.

Being 'in Christ' in the Letters of Paul Teresa Morgan, 2020-11-05 In this study, Teresa Morgan offers a radically new interpretation of *in Christ* and related expressions in the undisputed letters of Paul. Starting from a reassessment of Deissmann's *Die neutestamentliche Formel in Christo Jesu*, she argues that Deissmann's philology is flawed. The Schweitzerian concept of participation in Christ, which is indebted to it, is problematic, and many contemporary accounts of participation are better understood in other terms. Through close readings of each letter, Teresa Morgan shows how Paul uses *en Christo* language instrumentally to speak of what God has done through Christ by Christ's death and *encheiristically* to speak of the life the faithful now live in Christ's hands, in Christ's power, under his authority, under his protection, and in his care. This creative use of *en Christo* language forms part of and connects Paul's soteriology, eschatology, and Christology, shaping his narrative of God's intervention in the world, the relationship between God, Christ, and the faithful, the lordship and work of Christ between the resurrection and the parousia, and God's ultimate triumph. This narrative is closely connected with Paul's ecclesiology and ethics, where life in Christ's hands is envisaged as the worldly dimension of the new creation, an aspect of eternal life already active in the present time. In Christ's hands, the faithful, not least Paul himself, live a new life in

communities with a distinctive structure and dynamic In Christ's hands they hope to remain in right standing with God and serve God until Christ's return
