Pavannes Divagations 1st Edition:

Pavannes and Divagations Ezra Pound, 1960 The canon of Ezra Pound would be incomplete without a representative collection in the master's lighter vein Pavaness and Divagations seeks to meet this need Included are Pound's long essay Indiscretions one of his rare autobiographical writings an assortment of facetious verses his superb translations from the dialogues of Fontenelle causeries on topics ranging from religion to the mores of moneyed society as well as a miscellany of editorials denunciations and literary masquerades Pound's barbed wit is displayed here to its best advantage But more than a simple diversion this volume presents an important but neglected aspect of the prime shaper of modern poetry in English

Divagations Ronald W. Kenyon, 2012-06-19 The seventy eight poems in this collection from four lines to six pages in length were composed over a period of almost forty years and can be considered episodes of a memoir an autobiography in verse documenting the author's life loves and travels The dictionary defines divagation as a wandering or a digression Therefore many of the poems in this collection evoke the author's voyages that have taken him to forty seven countries around the world Divagations is also a virtual handbook of poetic forms ranging from the elegance of the Spenserian Stanza to free verse There are ballads and ballades odes and ottava rima rondels and rondeaux Like many English language poets the author has a fondness for the sonnet included is a sequence of twenty four love sonnets He has also included three sestinas one in French A long narrative poem in iambic pentameter recounts the adventures of one Poor Fisher who travels to the Caribbean and attempts to establish a new religion with himself as its prophet Included in an appendix are extensive annotations by Catherine Jagor a Paris based poet who has known the author for over a quarter of a century and is intimately familiar with his work After reading this collection you will be changed enriched and inspired Jean Pierre Collet author of *Le Chant du Na f* and *Harmonies*

(London, England), 1970 **Brotsky Abroad** Sanna Turoma, 2010-05-26 Expelled from the Soviet Union in 1972 and honored with the Nobel Prize fifteen years later poet Joseph Brodsky in many ways fit the grand tradition of exiled writer But Brodsky's years of exile did not render him immobile though he never returned to his beloved Leningrad he was free to travel the world and write about it In *Brotsky Abroad* Sanna

Turoma discusses Brodsky's poems and essays about Mexico Brazil Turkey and Venice Challenging traditional conceptions behind Brodsky's status as a leading migr poet and major descendant of Russian and Euro American modernism she relocates the analysis of his travel texts in the diverse context of contemporary travel and its critique Turoma views Brodsky's travel writing as a response not only to his exile but also to the postmodern and postcolonial landscape that initially shaped the writing of these texts In his Latin American encounters Brodsky exhibits disdain for third world politics and invokes the elegiac genre to reject Mexico's postcolonial reality and to ironically embrace the romanticism of an earlier Russian and European imperial age In an essay on Istanbul he assumes Russia's ambiguous position between East and West as his own to negotiate a distinct and controversial interpretation of Orientalism And Venice the emblematic tourist city becomes the site for a reinvention of his lyric self as more fluid hybrid and cosmopolitan Brodsky *Abroad* reveals the poet's previously uncharted trajectory from alienated dissident to celebrated man of letters and offers new perspectives on the geopolitical philosophical and linguistic premises of his poetic imagination

Hemingway and Pound John Cohassey, 2014-07-11 Unique individuals of fiery temperament Ernest Hemingway and Ezra Pound made an odd pair on the streets of 1920s Paris If the elder cane carrying Pound appeared the out of date poet Hemingway was the epitome of his generation's Flaming Youth Meeting on the high ground of art these two literary giants formed a friendship that survived until Hemingway's death During their short time

together in Paris Pound edited Hemingway's early work Over decades Hemingway considered Pound a major poet and read The Cantos as they appeared in little magazines and published volumes Eventually living in countries half a world apart Hemingway and Pound maintained a lively and sometimes contentious correspondence When Pound was incarcerated in America for his World War II broadcasts over Radio Rome Hemingway played a vital role in freeing his old poet friend the man who edited his early work the good game guy whose wit and brilliance he never forgot This narrative of a friendship lays bare the triumphs and tragedies of two giants of modern literature [Ezra Pound](#) Donald Gallup,1983 *Collected Critical Writings* Geoffrey Hill,2009 The Collected Critical Writings gathers more than forty years of Hill's published criticism in a revised final form and also adds much new work It will serve as the canonical volume of criticism by Hill the pre eminent poet critic whom A N Wilson has called probably the best writer alive in verse or in prose In his criticism Hill ranges widely investigating both poets including Jonson Dryden Hopkins Whitman Eliot and Yeats and prose writers such as Tyndale Clarendon Hobbes Burton Emerson and F H Bradley He is also steeped in the historical context political poetic and religious of the writers he studies Most importantly he brings texts and contexts into new and telling relations neither reducing texts to the circumstances of their utterance nor imagining that they can float free of them A number of the essays have already established themselves as essential reading on particular subjects such as his analysis of Vaughan's The Night his discussion of Gurney's poetry and his critical account of The Oxford English Dictionary Others confront the problems of language and the nature of value directly as in Our Word is Our Bond Language Suffering and Value and Poetry and Value In all his criticism Hill reveals literature to be an essential arena of civic intelligence [English Responses to French Poetry 1880-1940](#) Jennifer Higgins,2017-12-02 Between 1880 and 1940 English responses to French poetry evolved from marginalised expressions of admiration associated with rebellion against the establishment to mainstream mutual exchange and appreciation The translation of poetry underwent a simultaneous evolution from attempts to produce definitive renderings to definitions of translation as an ongoing generative process at the centre of literary debate This study traces the impact of French poetry in England via a wide range of translations by major poets of the time as well as renderings by now forgotten writers It explores poetry and translations beyond the limits of the usual canon and identifies key moments of influence from late 19th century English homages to Victor Hugo as a liberal icon to Ezra Pound re interpreting Charles Baudelaire for the 20th century [Ezra Pound: The Cantos](#) George Kearns,1989-11-23 Pound's 800 page Cantos written over a period of more than fifty years 1917-1969 invites the reader to join the poet on a journey from darkness and despair towards light and positive activity In this book George Kearns addresses the reader approaching The Cantos for the first time He examines the poem's aesthetic and political ethical didactic dimensions and shows that despite its complexity and the many objections which can be raised to its poetics and politics its study can be greatly rewarding [The Genesis of Ezra Pound's CANTOS](#) Ronald L. Bush,2014-07-14 Ronald Hush traces the organic development of the poem and demonstrates

that what seems to be eccentricity in the Cantos frequently corresponds to the common practice of Pound's contemporaries. This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic such as sermons, aphorisms, individual major works, notable writers, and periodicals that created a market for essays and particularly famous or significant essays. The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings, list of additional readings, and anthologies.
