**Peacemaking** Susan Allen Nan,Zachariah Cherian Mampilly,Andrea Bartoli,2011-11-10 In a world where conflict is never ending this thoughtful compilation fosters a new appreciation of the art of peacemaking as it is understood and practiced in a variety of contemporary settings Peacemaking From Practice to Theory is about seeing knowing and learning peacemaking as it exists in the real world Built on the premise that peacemaking is among the most elemental of human experiences this seminal work emphasizes the importance of practice and lived experiences in understanding the process and learning what works to nurture peace To appropriately reflect the diversity of peacemaking practices challenges and innovations these two volumes bring together many authors and viewpoints The first volume consists of two sections Peacemaking in Practice and Towards an Inclusive Peacemaking the second of two additional sections New Directions in Peacemaking and Interpreting Peacemaking As the title states the work moves peacemaking beyond mere theory showcasing peacemaking efforts produced recorded recognized and understood by a variety of individuals and institutions In doing so it refocuses the study of peacemaking and guides readers to a systematic understanding and appreciation of the practices of peacemakers around the globe

**Conflict Transformation and Peacebuilding** Bruce W. Dayton,Louis Kriesberg,2009-02-11 This book fills a gap in our understanding of the forces that lead to moderation and constructive engagement in the context of violent intrastate conflicts

**Leashing the Dogs of War** Chester A. Crocker,Fen Osler Hampson,Pamela R. Aall,2007 The definitive volume on the sources of contemporary conflict and the array of possible responses to it

**Gender and Peacebuilding** Maureen P. Flaherty,Thomas G. Matyók,Sean Byrne,Hamdesa Tusu,2015-10-16 The twenty first century has brought with it a shift from the notion of human security being located in secure national borders to the need to secure the safety freedom and dignity of all Despite efforts to equalize women s status in the world evidenced by changes in many international projects requiring a gender focus women and men experience most of the world in very different ways according to gender Further the reality is that humans who do not all fall neatly into one of these categories male or female often find their lives further challenged In the 1980s Peace and Conflict Studies first began to acknowledge and study the different experiences males and females have during war and peace Since

then there have been books about women and war women working at grassroots levels to build peace women and transitional justice women and peace education and women's views of human security All of these works have contributed to the discourse of our changing world This book brings together some of those themes and voices and adds more with the final product being more than the sum of its parts We add to the conversation a book that considers foundational fundamental issues that span from the interpersonal to the global Many of the chapters describe empirical research completed with author and community shared here for the first time Part One is a collection of case studies documenting challenges and responses to peacebuilding by women from various parts of the world Part Two focuses on Peace and Conflict Studies PACS as a discipline examining not only what is but also what should be taught This section critiques today's efforts at teaching Peace and Conflict Studies and provides suggestions of how this important work might be shared in more open and equitable ways Part Three enters territory found even less in the PACS literature In this section our authors confront patriarchy engage in a discussion about the contribution queer theory makes to PACS and tussle with the notion of inclusivity with considerations of both gender and disability It then ends with a discussion about the contribution feminist methodologies make to PACS

Multiparty Mediation in Violent Conflict Tetsuro Iji, 2019-09-11 This book presents a conceptual and empirical analysis of the UN led multiparty mediation in the Tajikistan conflict Multiparty mediation has been a significant research topic of international conflict management since the 1990s but in depth case studies on the peacemaking dynamics of violent conflicts are rare particularly in regard to third party roles This volume addresses that gap in the literature by examining the multiparty mediation of the Tajikistan conflict a largely forgotten but notably successful case of UN orchestrated peacemaking in the post Cold War era It argues that several interrelated factors contributed to the success of the Tajik multiparty mediation Russia Iran and other major interveners shared a common interest and reached a broad consensus on the terms of settlement the UN was widely accepted as a lead coordinator by other mediators and succeeded in constructively engaging with them as a consequence there arose positive interconnections between different third party roles The book presents an analytical framework for understanding the complex interplay of these factors not only to evaluate the Tajik case but also to help clarify policy implications for multiparty mediation in other cases of violent conflict particularly civil wars This book will be of much interest to students of conflict resolution civil wars international mediation the UN Central Asian politics and International Relations

**Local Peacebuilding and National Peace** Christopher R. Mitchell, Landon E. Hancock, 2012-04-26 The essays link peacemaking and peace building initiatives at the local level with national peace processes aimed at ending civil wars and secessionist conflicts

Sandole, Sean Byrne, Ingrid Sandole-Staroste, Jessica Senehi, 2008-07-31 This major Handbook is a collection of work from leading scholars in the Conflict Analysis and Resolution CAR field The central theme is the value of interdisciplinary approaches to the analysis and resolution of conflicts

**Resolving Structural Conflicts** Richard E.

Rubenstein,2017-01-06 This book analyses how certain types of social systems generate violent conflict and discusses how these systems can be transformed in order to create the conditions for positive peace Resolving Structural Conflicts addresses a key issue in the field of conflict studies what to do about violent conflicts that are not the results of misunderstanding prejudice or malice but the products of a social system that generates violent conflict as part of its normal operations This question poses enormous challenges to those interested in conflict resolution since the solution to this problem involves restructuring social political and cultural systems rather than just calling in a mediator to help people arrive at an agreement This study breaks new ground in showing how local conflicts involving crime police and prisons transnational conflicts involving religious terrorism by groups like ISIS and international conflicts involving Great Power clashes are all produced in large part by elite driven exploitative or oppressive social structures It also presents new ideas about the implications of this structural turn for the practice of conflict resolution emphasizing the need for conflict resolvers to embrace a new politics and to broaden their methods far beyond traditional forms of facilitation Written by a leading scholar this book will be of much interest to students of conflict resolution peace studies war and conflict studies sociology political science and international relations in general **Peace Movements Worldwide** Michael N. Nagler, Marc Pilisuk,2010-12-16 This three volume anthology is a comprehensive overview of how the human yearning for peace has played out and is playing out on this planet Peace Movements Worldwide is quite simply the most comprehensive work of its kind on this important subject In its three volumes experts document the history and growth of the peace movement why it is important who gets involved and how it can succeed Organized by major themes and issues the work examines every facet of human striving for peace from the global to the personal The first volume History and Vitality of Peace Movements explores the meaning of peace its historical philosophical and biological foundations and related spiritual gender social and economic viewpoints The second volume Players and Practices in Resistance to War discusses control over weapons efforts to prevent and end violent conflict and efforts to heal the traumatic aftereffects of violence The third volume Peace Efforts That Work and Why looks at how mankind can build a new world order by building communities with a sustainable culture of peace

**The Routledge Handbook of Intercultural Mediation** Dominic Busch,2022-11-15 Offering unique coverage of an emerging interdisciplinary area this comprehensive handbook examines the theoretical underpinnings and emergent conceptions of intercultural mediation in related fields of study Authored by global experts in fields from intercultural communication and conflict resolution to translation studies literature political science and foreign language teaching chapters trace the history development and present state of approaches to intercultural mediation The sections in this volume show how the concept of intercultural mediation has been constructed among different fields and shaped by its specific applications in an open cycle of influence The book parses different philosophical conceptions as well as pragmatic approaches providing ample grounding in the key perspectives on this growing field of discourse The Routledge Handbook of

Intercultural Mediation is a valuable reference for graduate and postgraduate students studying mediation conflict resolution intercultural communication translation and psychology as well as for practitioners and researchers in those fields and beyond *The Palgrave Handbook of Peacebuilding in Africa* Tony Karbo,Kudrat Virk,2018-01-30 This handbook offers a critical assessment of the African agenda for conflict prevention peacemaking peacekeeping and peacebuilding the challenges and opportunities facing Africa s regional organisations in their efforts towards building sustainable peace on the continent and the role of external actors including the United Nations Britain France and South Asian troop contributing countries In so doing it revisits the late Ali Mazrui s concept of Pax Africana calling on Africans to take responsibility for peace and security on their own continent The creation of the African Union in 2002 was an important step towards realising this ambition and has led to the development of a new continental architecture for more robust conflict management But as the volume s authors show the quest for Pax Africana faces challenges Combining thematic analyses and case studies this book will be of interest to both scholars and policymakers working on peace security and governance issues in Africa

**Peace on Earth** Thomas Matyók, Maureen Flaherty, Hamdesa Tusó, Jessica Senehi, Sean Byrne, 2013-12-16 Peace on Earth The Role of Religion in Peace and Conflict Studies provides a critical analysis of faith and religious institutions in peacebuilding practice and pedagogy The work captures the synergistic relationships among faith traditions and how multiple approaches to conflict transformation and peacebuilding result in a creative process that has the potential to achieve a more detailed view of peace on earth containing breadth as well as depth Library and bookstore shelves are filled with critiques of the negative impacts of religion in conflict scenarios Peace on Earth The Role of Religion in Peace and Conflict Studies offers an alternate view that suggests religious organizations play a more complex role in conflict than a simply negative one Faith based organizations and their workers are often found on the frontlines of conflict throughout the world conducting conflict management and resolution activities as well as advancing peacebuilding initiatives *Building Peace Through Knowledge* Alean Al-Krenawi, 2017-04-18 This groundbreaking volume documents a comprehensive peacebuilding initiative in addressing the Israeli Palestinian conflict and reviews the broad theoretical base underlying these efforts Theory chapters discuss intrinsic peace related concepts including the nature of conflict elements of individual and group identity the long term psychological effects of prolonged political hostilities and the mechanisms of reconciliation and inclusiveness Central to the coverage is the ambitious Building Peace through Knowledge Project a four year multidisciplinary program featuring a diverse palette of professional and community interventions to reduce the occurrence and trauma of political violence The author reveals powerful insights connecting knowledge to peacebuilding by analyzing The relationships between attitudes and ideology in intergroup conflict The psychosocial impact of political violence among Israelis and Palestinians The literature on people to people interventions P2Ps in conflict reduction The roles of forgiveness reconciliation and fairness in conflict resolution The methodology and findings of the Building Peace through Knowledge

Project The potential of knowledge based interventions in building sustainable peace in other regions Practitioners mental health professionals and scholars with interests in multicultural mental health cross cultural psychology political violence and peace education will look to Building Peace through Knowledge as an ideabook a mission statement and a road map toward a more stable world **The Oxford Handbook of Political Psychology** Leonie Huddy, David O. Sears, Jack S.

Levy, 2013-08-01 Political psychology applies what is known about human psychology to the study of politics It examines how people reach political decisions on topics such as voting party identification and political attitudes as well as how leaders mediate political conflicts and make foreign policy decisions The Oxford Handbook of Political Psychology gathers together a distinguished group of scholars from around the world to shed light on these vital questions Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new material providing an up to date account of cutting edge research within both psychology and political science this is an essential reference for scholars and students interested in the intersection of the two fields
