Porque Estamos Aquí Jessica Nydia Pabón-Colón, 2025-11-11 A future classic collection of Puerto Rican feminist writing that spans time terrain and phases invokes voices across generations and fields and bridges island and diaspora In her years of scholarship and activism with fellow Puerto Rican feminists editor Jessica N Pab n Col n reached for a feminism to ground her work and validate the women who paved her way but in her search for a specific tradition of Puerto

Rican feminism what she found were gaps disappearances and unanswered questions Despite the presence of Puerto Ricans in US pop culture and the long history of Boricua resistance to US subjugation both on the archipelago and in the diaspora she did not find a feminist lens to link the myriad identities and geographies of Ricanness or to focus critique on Puerto Rico's status as an American neo colony Counteracting such erasure *Porque Estamos Aqu* maps Boricua feminisms of the past the present and the future defining what it means to be a bad subject of US empire Engaging in radical collectivity *Pab n Col n* joins forces with Puerto Rican scholars memoirists artists and activists including feminist legends like Aurora Levins Morales and political trailblazers like Rosa Clemente to ground this anthology in a tradition of resistance to empire at home Through essays roundtables historiographies poems and other cross genre writing *Porque Estamos Aqu* asserts that Puerto Rican feminists are undeniably irreducibly here and will guide generations of our shared movement for years to come Género, familia y mentalidades en América Latina Pilar Gonzalbo, 1997 Over sekseverschillen familierelaties en mentaliteit in Latijns Amerika in de 19e en 20e eeuw **Global Gender Research** Christine Bose, Minjeong Kim, 2013-01-11 Readers of *Global Gender Research* will learn to compare and contrast feminist concerns globally gain familiarity with the breadth of gender research and understand the national contexts that produced it This volume provides an in depth comparative picture of the current state of feminist sociological gender and women's studies research in four regions of the world Africa Asia Latin America the Caribbean and Europe as represented by many countries The introductory essay to each region explains how social science research on women and or gender issues has been shaped by economics politics and culture and by trends that are simultaneously local regional and global It familiarizes readers with the wide range of salient issues research methods writing styles and leading authors from around the globe Each regional section includes several chapters on gender research in specific countries that represent the region's diversity and cover the major theoretical and empirical trends that have emerged over time as well as the relationship of key research questions to feminist activism and women's or gender studies Next the editors illustrate this new wave of gender scholarship with translated reprinted samples of research articles from additional countries in the region that cover a wide range of important global topics such as work sexuality masculinities childcare and family issues religion violence law and gender policies Finally this volume provides scholars with extensive bibliographies and a listing of web sites for women's and gender research centers in 85 countries Puerto Rican Chicago Mirelsie Velázquez, 2022-02-01 Winner of the Critics Choice Book awards of the American Educational Studies Association AESA CCBA The postwar migration of Puerto Rican men and women to Chicago brought thousands of their children into city schools These children's classroom experience continued the colonial project begun in their homeland where American ideologies had dominated Puerto Rican education since the island became a US territory Mirelsie Velázquez tells how Chicago's Puerto Ricans pursued their educational needs in a society that constantly reminded them of their status as second class citizens Communities organized a media culture that addressed their concerns while creating and affirming Puerto Rican

identities Education also offered women the only venue to exercise power and they parlayed their positions to take lead roles in activist and political circles In time a politicized Puerto Rican community gave voice to a previously silenced group and highlighted that colonialism does not end when immigrants live among their colonizers A perceptive look at big city community building Puerto Rican Chicago reveals the links between justice in education and a people's claim to space in their new home

Acts of the Legislature of Puerto Rico Puerto Rico, 1910

Boricua Literature Lisa Sánchez-González, 2001-08 Since the invasion and colonization of Puerto Rico in 1898 all Puerto Ricans are both American citizens and colonial subjects by birth according to international law Over a third of this population currently lives in the continental U S forming one of the nation's most significant minority communities Yet no complete study of mainland Puerto Rican or Boricua literature has been written Until now Boricua Literature is the first literary history of the Puerto Rican colonial diaspora The result of a decade of research in archives and special collections in the Caribbean and in the U S Lisa Sánchez-González argues that the writing of the Puerto Rican diaspora should be considered an integral field of study Covering 100 years of Boricua literary history each chapter looks at the single writer or group of writers who are most emblematic of their respective generation from William Carlos Williams and Arturo Schomburg to latina feminism and salsa music The story of an American community of color Boricua Literature is also about contemporary critical race and gender studies Unlike virtually all studies concerning mainland Puerto Rican writing Lisa Sánchez-González is less concerned with cultural identity than with unearthing a substantive cultural intellectual history The first explicitly literary historical analysis of Boricua Literature this definitive study proposes a new and discreet area of

literary historical research in American studies **Luisa Capetillo, Pioneer Puerto Rican Feminist** Norma Valle Ferrer, 2006 Luisa Capetillo 1879 1922 was a pioneer in the struggle for women s and workers rights A feminist and an anarchist she earned her living as a labor leader and journalist She wrote brilliant theoretical essays and published four books including several plays Ahead of her time she espoused vegetarianism a daily regime of Swedish calisthenics and was the first woman in the Caribbean to wear pants in public Her life can be read as a dramatic novel every day an intense ode to personal and political liberation This biography the only in depth historical account of her life and work rescued her from oblivion and made her a popular icon throughout Latin America This edition the first available in English brings Capetillo s inspiring story to a broader audience
