## **Raising Spiritual Children In A Material:**

*The Soul of the Child* Michael Gurian, 2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views of parenting Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children s souls A revolutionary vision for parents and educators alike indeed for all who love children *The Soul of the Child* is a deft blend of inspiring stories common sense and scientific observations that demonstrates what the soul is and how it works This insightful and groundbreaking book urges its readers to become aware of our children s divine inheritance and learn how to nurture that divinity Sensible and informed it shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion security discipline humility and enlightenment *The Soul of the Child* is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the very life of the human soul And it couldn t have come at a better time

*Raising Spiritual Children in a Material World* Phil Catalfo, 1997 A help for parents in providing spiritual guidance to their children drawn on but not limited to their own religious heritage

**In the Midst of Chaos** Bonnie J. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith In the *Midst of Chaos* explores parenting as spiritual practice building on Bonnie J Miller McLemore s fresh conceptions of children from her book *Let the Children Come* She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them Miller McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the *Midst of Chaos* also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together Readers will find in this book an invitation to love those around them in the midst of life s craziness and to live more deeply in grace

**Beginnings & Beyond** Ann Miles Gordon, Kathryn Williams Browne, 2004 *Beginnings Beyond* is the tool students need to develop vital skills necessary to become successful teachers and caregivers They will come to thoroughly understand the fundamentals of early childhood education through a discussion of the topic from an historical perspective present day issues and future trends In this sixth edition the authors have emphasized multiculturalism and NAEYC s developmentally appropriate practice to support the viewpoint that there is more than one correct way to care for and educate young children

**The Secret Life of Kids** James W. Peterson, 2000-10-29 It all began when James Peterson was a

camp counselor and two children watching him meditate described the colors they saw around his form we saw colors coming out of his stomach And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle Studies indicate that almost seven percent of young children have such psychic experiences For the most part they don't tell anybody about them for fear of being ridiculed But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need In this book Peterson has put together a charming collection of case histories about such psychic episodes He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters The question of the secret life of kids is examined by Peterson from the point of view of philosophy occultism and child psychology He suggests why and how such experiences manifest and their potential value to the child's growth pattern

The Wonder of Children Michael Gurian, 2010-06-15 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views on parenting Now with the same breadth of vision and depth of commitment he puts forth a practical design for better nurturing the souls of our sons and daughters *The Wonder of Children* offers Michael Gurian's scientifically argued steps toward better care of our children's souls You'll learn how and why to increase bonding and attachment in the family and bring the extended family back into the raising of children Control a child's media use and expand time spent in the natural world Guard against damaging brain stressors that can trigger disorders such as depression and substance abuse Examine the potential toxicity of a child's daily schedule Increase the time children spend in spiritual process understanding the mysteries of life and experiencing joy and a sense of belonging A passionate and practical guide *The Wonder of Children* puts forth a finely wrought argument for greater attention to the spiritual side of childhood

The Good Son Michael Gurian, 2000-08-07 Selected by Publishers Weekly as one of the Best Books of 1999 *The Good Son* is the definitive guide to the moral and emotional development of our boys and young men Within its pages Michael Gurian widely credited as the founder of today's boys movement takes readers through a complete parenting program showing how to instill virtues in boys at each stage of life For parents and teachers who fear that our child rearing systems have lost much of their ethical underpinnings and that our boys are becoming emotionally closed off *The Good Son* serves as a welcome guidepost It is one of today's premier books on parenting and male development

*Nurture Your Child's Gift* Caron B Goode, 2011-06-21 What if the purpose of living is to fulfill a vision or dream we brought with us into this life Any parent or person working with children knows that each child when nurtured and encouraged develops according to his or her unique temperament and abilities *Nurture Your Child's Gift* asks us to see our children's unique gifts and shows us how we can encourage their dreams *Nurture Your Child's Gift* Describes recent mind body advances from medicine sports psychology and education and shows how to apply them directly to developing children's self esteem empowerment and wholeness Provides holistic applications of breathing music creative problem solving self dialogue affirmation and imagery Includes self reflection exercises that enable parents to nurture their own gifts as they

work to encourage their children's [I Want It Now](#) Donna Bee-Gates,2015-07-14 In today's world of mega stores and unbridled materialism people are spending more money than ever in an attempt to find fulfillment in themselves and children are no exception In her compelling and inspiring exploration of kids and consumerism Donna Bee Gates helps us all understand how a culture of instant gratification influences spending habits and erodes self worth She argues that placating kids with material rewards is detrimental to social and psychological development Similarly she reveals that kids often seek out material goods as emotional compensation and fall prey to corporate strategies that lure them in as loyal consumers at an early age Bee Gates brings together cutting edge research and interviews to show that a healthy childhood sometimes means a simpler one one that values good communication and interaction with peers and family She highlights strategies to counter materialism and foster stronger identities in our children as they navigate a complex world and discusses ways that we can help build self awareness in children and encourage skills that will help them become adults with strong character and integrity
