During Vietnam War 1965 1973 the US Army suffered a severe breakdown in soldier morale and discipline in Vietnam matters that are not only at the heart of military leadership but also ones that overlap with the mission of Army psychiatry The psychosocial strain on deployed soldiers and their leaders in Vietnam especially during the second half of the war produced a wide array of individual and group symptoms that thoroughly tested Army psychiatrists and mental health colleagues there This book seeks to consolidate a history of the military psychiatric experience in Vietnam through assembling and synthesizing extant information from a wide variety of sources documenting the success and failure of Army s psychiatry in responding to the psychiatric and behavioral problems that changed and expanded as the war became protracted and bitterly controversial Mental health professionals especially psychiatrists in both military and civilian professions as well as military historians researching the Vietnam era may be interested in this volume Related products A Shared Burden The Military and Civilian Consequences of Army Pain Management Since 2001 can be found here <https://bookstore.gpo.gov/products/sku/008/000/01151/6> Mild Traumatic Brain Injury Rehabilitation Toolkit can be found here <https://bookstore.gpo.gov/products/sku/008/020/01632/2> Textbooks of Military Medicine Pt 1 Warfare Weaponry and the Casualty Military Psychiatry Preparing in Peace for War can be found here <https://bookstore.gpo.gov/products/sku/008/023/00112/0>

*Vietnam* George Donelson Moss,2016-07-01 This book provides a comprehensive narrative history of U S involvement in Southeast Asia from 1942 to 1975 with a concluding section that traces U S Vietnam relations from the end of the war in 1975 to the present Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed Key topics The Fall of Saigon The End as Prelude Vietnam A Place and A People The Elephant and the Tiger An Experiment in Nation Building Raising the Stakes Going to War The Chain of Thunders The Year of the Monkey A War to End a War The End of the Tunnel Market For anyone curious to know about the long American involvement in Southeast Asia 1942 1975      **The Vietnam Experience** Jane Petitmermet,1986

**Vietnam: a Collection of War Stories from Nashua Veterans** Ronald Dube,2017-12-21 This is the last installment in a trilogy about my hometowns involvement in our countrys mid twentieth century wars I researched the pages of the Nashua Telegraph from 1060 through 1973 looking for names leads and stories about local men and women who participated in

Americas most contentious war The paper published news and features from Derry Salem east of Nashua west to Jaffrey Rindge and north to New Boston The Nashua Telegraph also covered Tyngsboro Pepperell and Dunstable Massachusetts Sadly times for newspapers have changed and the Telegraph has a much reduced coverage area *Black Enterprise*, 1985-01 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance Semper Fi: Vietnam Edward F. Murphy, 2007-12-18 From their early days in 1965 when the order of the day was to drive the insurgent Viet Cong from the villages around Da Nang to the final dramatic evacuation of Saigon ten years later Semper Fi Vietnam relates the whole gutsy glorious saga of the Marines in Vietnam in stark riveting detail Acclimating to their strange new surroundings occupied the Marines first few weeks in South Vietnam Throughout the day peasants dressed in pajama like clothing and sporting conical hats worked the paddies behind the heaving water buffalo If daytime scenes appeared bucolic the arrival of sunset quickly changed that perception Gunfire and explosions erupted at dusk Marines nervously watched bright tracers cut colorful swaths across the night sky From distant bamboo thickets mortar shells flew skyward to crash in the paddies The Marines were learning that the war in South Vietnam was unlike anything for which they d been trained **US Army Psychiatry in the Vietnam War** Norman M. Camp, 2014 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price This book tells the mostly forgotten story of the accelerating mental health problems that arose among the troops sent to fight in South Vietnam especially the morale discipline and heroin crisis that ultimately characterized the second half of the war This situation was unprecedented in U S military history and dangerous and reflected the fact that during the war America underwent its most divisive period since the Civil War and as a result the war became bitterly controversial The author is a career Army psychiatrist who led a psychiatric unit in Vietnam In the years following his return he was dismayed to discover that the Army had conducted no formal review of this alarming situation including from the standpoint of military psychiatry and had lost or destroyed all of the pertinent clinical records In addition to permitting a study of the psychological wounds and their treatment in Vietnam these records would have been priceless in the treatment of the legions of veterans who presented serious adjustment problems and Post traumatic Stress Disorder As a consequence Dr Camp has been relentless in combing the professional civilian and surviving military literature including unpublished documents to construct a compelling narrative documenting the successes and failures of Army psychiatry and the Army leadership in Vietnam in responding to these psychiatric and behavioral challenges The result is a book that is both scholarly and intensely personal includes vivid case material and anecdotes from colleagues who also served there and is replete with illustrations and correspondence It presents the story of Vietnam in a fresh manner through the psychiatrist s eyes and sensibilities **Air Defense Artillery**, 1982 ADA, 1982-10 **The Battle of Ap Bac, Vietnam** David M. Toczek, 2001-04-30 Toczek provides the first description of the entire

battle of Ap Bac and places it in the larger context of the Vietnam War The study thoroughly examines the January 1963 battle complete with detailed supporting maps Ironically Ap Bac s great importance lies in American policymakers perception of the battle as unimportant for all their intelligence and drive senior American government officials missed the early warning signs of a flawed policy in Southeast Asia by ignoring the lessons of the defeat of the South Vietnamese Army ARVN on 2 January 1963 The outcome of Ap Bac was a direct reflection of how the U S Army organized equipped and trained the ARVN With all the ARVN officer corps s shortcomings the South Vietnamese Army could not successfully conduct an American combined arms operations against a smaller less well equipped enemy American leadership both military and civilian failed to draw any connection between ARVN s dismal performance and American policies toward South Vietnam Although certain tactical changes resulted from the battle the larger issue of American policy remained unchanged including the structure of the advisory system

Air War Over North Vietnam Stephen Emerson,2018-02-28 In early 1965 the United States unleashed the largest sustained aerial bombing campaign since World War II against North Vietnam Through an ever escalating onslaught of destruction Operation Rolling Thunder intended to signal Americas unwavering commitment to its South Vietnamese ally in the face of continued North Vietnamese aggression break Hanoi political will to prosecute the war and bring about a negotiated settlement to the conflict It was not to be Against the backdrop of the Cold War and fears of widening the conflict into a global confrontation Washington policy makers micromanaged and mismanaged the air campaign and increasingly muddled strategic objectives and operational methods

that ultimately sowed the seeds of failure despite the heroic sacrifices by U S Air Force and Navy pilots and crews Despite flying some 306 000 combat sorties and dropping 864 000 tons of ordnance on North Vietnam 42 per cent more than that used in the Pacific theater during World War II Operation Rolling Thunder failed to drive Hanoi decisively to the negotiating table and end the war That would take another four years and another air campaign But by building on the hard earned political and military lessons of the past the Nixon Administration and American military commanders would get another chance to prove themselves when they implemented operations Linebacker I and II in May and December 1972 And this time the results would be vastly different
