Not All Twins Are Alike Barbara Klein,2003-02-28 Even twins are unique Most people idealize twins fantasizing a close perpetually loving relationship Yet Klein herself an identical twin demonstrates that twins have complicated and intense relationships that range from over identification or excessive closeness to profound estrangement and conflict Most twins who are raised as individuals deal with the significant emotional pain of separation in adolescence or young adulthood yet as mature adults can come to love and respect each other as individuals As Klein makes clear the parenting that twins receive as infants and young children affects the relationships that they have with one another and with the world they choose to function in Because parenting is a critical determinant of psychological well being it should be treated as a serious but manageable challenge This book is a must read for twins their parents and scholars students and other researchers and professionals dealing with mental health and child development Twin Dilemmas Barbara Klein,2017-06-26 The development of how twins relate to each other and their single partners is explored through life stories and clinical examples

in this telling study of twin interconnections While the quality of a nurturing family life is crucial Dr Klein has found there are often issues with separation anxiety loneliness competition with each other and finding friendships outside of twinship When twin lives are entwined because of inadequate parenting and estrangement twin loss is possible and traumatic creating a crippling fear of expansiveness an inability to be yourself Therapists and twins seeking an understanding of twin relationships will find this clinically compelling book a valuable resource *Parenting on the Go* David Elkind, 2014-07-08 Essential parenting advice from one of today's leading psychologists at your fingertips What is the most treasured resource for families with young children Time Between keeping house shopping doing chores and getting everyone to work and school let alone fitting in family meals fun activities and much needed downtime being a parent can require major feats of scheduling While parents don't always have hours to pore over parenting books they could use short to the point advice on the challenges they confront every day Now for today's busy families child development expert and bestselling author David Elkind offers *Parenting on the Go* an authoritative accessible guide for parents of infants and young children Elkind has long been praised for his timely resonant responses to key child rearing issues Here with characteristic insight and comforting sensibility he offers practical answers to more than 100 common parenting questions on topics from A to Z including Attention Deficit Disorders Back to School Blues Child Proofing the Computer Empathy in Children Homework Manners and Morals Only Children Sibling Rivalry Time Outs and much more Praise for David Elkind *The Power of Play* should be considered one of the primers for good parenting Chicago Parent Offers excellent perspectives on children parents and culture this powerful book is essential reading Library Journal on *The Hurried Child* Elkind is a child study specialist of eminent common sense whom parents would do well to heed Publishers Weekly PARENTING S.

VENKATESAN, 2019-12-09 This caselets based narrative does not seek to laugh or cry at the predicament of parents or their children It is also not intended to pass judgments on them In seeking to understand them and their travails and troubles care and concerns joys and sorrows they become the cornerstone for this book Are you an anxious over concerned parent Are you overprotective Are you the slack indifferent type Or are you the suspicious or strict parent It could be that you want to be the best friend to your child Or you might be a weekend parent or an online virtual parent for your child Whatever may be the case this book can provide a thought provoking insight Whether you are a student and researcher of human behavior a parent or caregiver a teacher or child rights activist it is an eye opener for everyone The book is a must read accompaniment to seminars workshops brain storming sessions focus group discussions and other technical group activities for parents or children It is a handbook for all who have once been a child and is now a parent or wants to be a parent sooner or later

Raising twins, 19??
