Indigo Children Ten Years Later Lee Carroll, Jan Tober, 2009-01-15 Join the original authors of The Indigo Children ten years later for a profound and frank discussion these special children why they do what they do and what we can do to help them The Indigo Children Oh yeah I know about them Wasn t there a movie about that They re those special kids who do psychic things and who have dark blue auras right If that s your take on the Indigos then you really need to read this book The Indigo Children are not super psychic kids with dark blue auras In fact the Indigo moniker has nothing to do with auras or being psychic Some of these teenagers are actually the ones who are strapping on bombs and bringing guns to school so you can see that the subject here is far more profound than the sensational hype that often accompanies it This book is all about the children of our planet what really might be happening with them why they do what they do and what we can do to help them and our educators survive all this In addition the Indigos are slowly beginning to join the work force gasp After all this time what do some in higher education say about these kids What do industry leaders say Humanity is evolving so you

should definitely be aware of what these individuals are saying It s time to stop the circus that has been created around this subject and get down to finding out how to help these children survive an earth they don t understand or perhaps it s just you they don t understand Join the leaders of education and industry who speak out in this book for a peek into the real issues surrounding the Indigos and perhaps the future of humanity
