

RAISING THE BAR

RUTH BADER GINSBURG AND THE ACLU WOMEN'S RIGHTS PROJECT

AMY LEIGH CAMPBELL
WITH FOREWORD BY LENORA LAPIDUS

Raising The Bar Ruth Bader Ginsburg And The Aclu

Jane Sherron de Hart

Raising The Bar Ruth Bader Ginsburg And The ACLU:

Raising the Bar Amy Leigh Campbell, 2003 *Raising the Bar* defines Ruth Bader Ginsburg's contribution to American constitutional law through her efforts as professor, lawyer, and women's rights advocate. Focusing on the years 1971 to 1980, it explores the decade during which Ginsburg founded and was general counsel to the ACLU Women's Rights Project. Several scholars have undertaken similar analyses in the past, but the missing ingredient has long been Ginsburg's own perspective, now available through her donation of private papers. *Raising the Bar* pinpoints Ginsburg's role in the progression of her complicated, multi-layered strategy to combat gender discrimination from theory to implementation. *Raising the Bar* Amy Leigh Campbell, 2001

The Rhetoric of Supreme Court Women Nichola D. Gutgold, 2012-05-31 The Supreme Court is one of the most traditional institutions in America that has been an exclusively male domain for almost two hundred years. From 1981 to 2010, four women were appointed to the Supreme Court for the first time in U.S. history. *The Rhetoric of Supreme Court Women: From Obstacles to Options* by Nichola D. Gutgold analyzes the rhetoric of the first four women elected to the Supreme Court: Sandra Day O'Connor, Ruth Bader Ginsburg, Sonia Sotomayor, and Elena Kagan. Gutgold's thorough exploration of these pioneering women's rhetorical strategies includes confirmation hearings, primary scripts of their written opinions, invited public lectures, speeches, and personal interviews with Justices O'Connor, Ginsburg, and Sotomayor. These illuminating documents and interviews form rhetorical biographies of the first four women of the Supreme Court, shedding new light on the rise of political women in the American judiciary and the efficacy of their rhetoric in a historically male-dominated political system. Gutgold's *The Rhetoric of Supreme Court Women* provides valuable insight into political communication and the changing gender zeitgeist in American politics.

The Jurisprudential Legacy of Justice Ruth Bader Ginsburg Ryan Vacca, Ann Bartow, 2025-11-04 Provides a sweeping overview of Justice Ginsburg's jurisprudence. The passing of Justice Ruth Bader Ginsburg in September of 2020 marked a grim day for women and the broader progressive legal community. In her twenty-seven years on the Supreme Court and thirteen years on the Court of Appeals, she was most known for her trailblazing work on gender equality; however, she also influenced the direction of a multitude of legal subject areas during her long tenure. *The Jurisprudential Legacy of Justice Ruth Bader Ginsburg* is a critical examination of Justice Ginsburg's remarkable career with a focus on the common themes and approaches underscoring her many rulings. In this edited volume, Ryan Vacca and Ann Bartow bring together leading scholars of American law to analyze Justice Ginsburg's voting patterns and written opinions from the perspectives of subject matter experts. Each essay highlights areas of the law in which Justice Ginsburg had an outsized interest or impact. Chapters delve into topics such as gender equality, voting rights, the death penalty, civil and criminal procedure, employment discrimination, freedom of expression, bankruptcy, environmental law, immigration, and taxation. Together, they form a colorful tapestry that illustrates a long and celebrated judicial career displaying Ginsburg's immense influence on areas of the law well beyond women's rights. *The Jurisprudential Legacy of*

Justice Ruth Bader Ginsburg shares profound insights into its subject's unique legal philosophy and reminds us what we had and whom we lost with her passing **Ruth Bader Ginsburg** Nancy Hendricks, 2020-11-04 This book offers both a biography of Ruth Bader Ginsburg only the second ever woman appointed to the Supreme Court and a historical analysis of her impact Ruth Bader Ginsburg A Life in American History explores Ginsburg's path to holding the highest position in the judicial branch of U S government as a Supreme Court justice for almost three decades Readers will learn about the choices challenges and triumphs that this remarkable American has lived through and about the values that shape the United States Ginsburg sometimes referred to as The Notorious RBG or RBG was a professor of law a member of the American Civil Liberties Union an advocate for women's rights and more before her tenure as Supreme Court justice She has weighed in on decisions such as Bush v Gore 2000 King v Burwell 2015 and Masterpiece Cakeshop v Colorado Civil Rights Commission 2018 that continue to guide lawmaking and politics Ginsburg's crossover to stardom was unprecedented though perhaps not surprising Where some Americans see the Supreme Court as a decrepit institution others see Ginsburg as an embodiment of the timeless principles on which America was founded **Ruth Bader Ginsburg** Jane Sherron de Hart, 2020-04-28 NATIONAL BESTSELLER A vivid account of a remarkable life The Washington Post In this comprehensive revelatory biography fifteen years of interviews and research in the making historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice her advocacy for gender equality and her meticulous jurisprudence At the heart of her story and abiding beliefs is her Jewish background specifically the concept of tikkun olam the Hebrew injunction to repair the world with its profound meaning for a young girl who grew up during the Holocaust and World War II Ruth's journey begins with her mother who died tragically young but whose intellect inspired her daughter's feminism It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti sex discrimination cases before the U S Supreme Court All this even before being nominated in 1993 to become the second woman on the Court where her crucial decisions and dissents are still making history Intimately personally told this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence American society and our American character and spirit will reverberate deep into the twenty first century and beyond REVISED AND UPDATED WITH A NEW AFTERWORD **Divorce, American Style** Suzanne Kahn, 2021-05-28 In the 1970s the divorce rate in the United States doubled and longtime homemakers suddenly found themselves at risk of poverty not only because their husband's job was their sole source of income but also because their insurance retirement and credit worthiness were all tied to their spouse's employment Divorce American Style examines how newly divorced women and policymakers responded to the crisis that rising divorce rates created for American

society Suzanne Kahn shows that ironically rising divorce rates led to policies that actually strengthened the social insurance system's use of marriage to determine eligibility for benefits Large numbers of newly divorced women quickly realized their invisibility within the American welfare state which did not distribute benefits to most women directly but rather through their husbands These newly divorced women organized themselves into a political force and they were remarkably successful in securing legislation designed to address divorced women's needs But this required significant compromise with policymakers and these new laws specifically rewarded intact marriages providing more robust benefits to women in longer marriages These incentives remain in place today Indeed in the thirty years since this legislative compromise activists' efforts to grapple with the legal system created out of this crisis have affected such high profile debates as the fight over the Affordable Care Act and the battle for marriage equality Divorce American Style contests the frequent claim that marriage has become a more flexible legal status over time Enduring ideas about marriage and the family continue to have a powerful effect on the structure of a wide range of social programs in the United States *Up Against a Wall* Rose

Corrigan, 2014-04-22 Rape law reform has long been hailed as one of the most successful projects of second wave feminism Yet forty years after the anti rape movement emerged legal and medical institutions continue to resist implementing reforms intended to provide more just and compassionate legal and medical responses to victims of sexual violence In *Up Against a Wall* Rose Corrigan draws on interviews with over 150 local rape care advocates in communities across the United States to explore how and why mainstream systems continue to resist feminist reforms In a series of richly detailed case studies the book weaves together scholarship on law and social movements feminist theory policy formation and implementation and criminal justice to show how the innovative legal strategies employed by anti rape advocates actually undermined some of their central claims But even as its more radical elements were thwarted pieces of the rape law reform project were seized upon by conservative policy makers and used to justify new initiatives that often prioritize the interests and rights of criminal justice actors or medical providers over the needs of victims *The Wiley Blackwell Companion to Social Movements* David

A. Snow, Sarah A. Soule, Hanspeter Kriesi, Holly J. McCammon, 2023-01-04 The most up to date and thorough compendium of scholarship on social movements This second edition of *The Wiley Blackwell Companion to Social Movements* features forty original essays from the field With contributions from both established and ascendant scholars the Companion seeks to present current research on social movements in all its diversity It is the most up to date comprehensive volume of social science research on social movements available today The essays address facilitative and constraining contexts and conditions social movement organizations fields and dynamics strategies and tactics micro structural and social psychological dimensions of participation consequences and outcomes and various thematic intersections including the intersection of social movements and social class gender race and ethnicity religion human rights globalization political extremism and more Offers an illuminating guide to understanding the dynamics and operation of social movements within the modern global

world Covers a diverse range of topics in the field of social movement studies Offers original state of the art essays by internationally recognized scholars The Wiley Blackwell Companion to Social Movements is recommended for graduate seminars on social movement and for scholars of social movements worldwide It is also an excellent text for college and university libraries especially with graduate programs in the social sciences *Encyclopedia of Women and American Politics, Third Edition* Lynne Ford,2021-07-01 Encyclopedia of Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America s political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more **Judicial Process in America** Robert A. Carp,Kenneth L. Manning,Lisa M. Holmes,2022-03-02 Judicial Process in America Twelfth Edition is a market leading and comprehensive textbook for both academic and general audiences Authors Robert Carp Kenneth Manning and Lisa Holmes provide a comprehensive overview of the link between the courts public policy and the political environment *Free to Be Ruth Bader Ginsburg* Teri Kanefield,2016-08-09 An informative simply written account of the impressive arc of Ginsburg s life Publisher s Weekly Before taking her place as the second woman on the Supreme Court of the United States Ruth Bader Ginsburg quietly led a revolution and forever changed life in America for both men and women Reserved and quiet she didn t set out to be a trailblazer but there was something in her way the law Hundreds of years of legal precedent a line of devastating Supreme Court cases and countless statutes depriving women of equal citizenship and keeping them from full participation in the legal and political process Mixing social and legal history with a moving and intimate biography award winning author Teri Kanefield captures a turbulent era and tells the story of how Ruth Bader Ginsburg defied expectations to become one of the most influential and powerful women in America We hear many voices in this wonderfully engaging biography of Ruth Bader Ginsburg and come away with a far richer understanding of Ruth Bader Ginsburg and of what the rise of feminism has meant for all of us whatever our gender whatever our politics Kathleen Vanden Heuvel Law Library Director Adjunct Professor of Law University of California Berkeley School of Law An absorbing personal biography of Ruth Bader Ginsburg that is also equal parts legal history and political philosophy Like Ginsburg herself Kanefield s narrative is precise candid logical yet filled with humor and irony She shows the reader the warmth and humility behind a serious legal mind Free to Be Ruth Bader Ginsburg will appeal to a wide range of readers and is a valuable addition to all types of libraries Suzy Szasz Palmer Past President Virginia Library Association An engrossing biography of Ruth Bader Ginsburg that doubles as a primer on how America s champions for gender equality pressed their cause in the courts Recommended for every law student lawyer and lay reader looking for an authoritative yet readable treatment of how the law shapes women s lives and

vice versa Kathleen Morris Associate Professor of Law Golden Gate Law School *Free to Be* is a richly detailed biography offering fascinating insights into the groundbreaking career of Ruth Bader Ginsberg and at the same time charting for readers a thorough and engaging history of the law of sex discrimination and equal protection jurisprudence that she helped to shape Kanefield's book is a must read not only for fans of RBG but for anyone interested in a more complete understanding of the evolution of women's rights and legal status in the U S Sharmilla Lodhia Associate Professor Women's and Gender Studies Santa Clara University Kanefield expertly weaves together the history of women in law and the story of Ruth Bader Ginsburg's pragmatic and strategic approach to gradually influence changes in legal rulings related to equality in the U S She paints a picture of Ginsburg's drive attention to detail and collegiality all things that contributed to her rise to the Supreme Court *Free to Be* is a must read for those who love history want to know more about the women's rights movement or have an interest in modern politics and culture I highly recommend it Kristi Jensen Librarian University of Minnesota From the Book Bloggers thought provoking I would recommend this book to anyone who wants to know more about the history of gender discrimination Miss Penny's Dreadful Blog four stars Overall this was a great biography and I would recommend it to anyone who wants to know more about one of our current Supreme Court Justices Yellow Brick Living five stars one of the best written books I've read this year Musings of a Books Addict five stars *Shapers of the Great Debate on Women's Rights* Joyce D. Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women's issues to the forefront of American society Many early feminists supported not only women's rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women's suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women's fundamental need for independence and an identity of their own separate from that of men which thrust the women's movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O'Connor are included in this history of the women's movement in America The biographical entries cite works for further reading and the volume closes with a bibliography The *Shapers of the Great Debate* series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies

The Oxford Handbook of U.S. Women's Social Movement Activism Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal

and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women s activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women s Social Activism over time from the women s suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women s participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

Barnett, 2011-09-07 Request a FREE 30 day online trial to this title at www.sagepub.com/freetrial This two volume encyclopedia provides a thorough introduction to the wide ranging fast developing field of social networking a much needed resource at a time when new social networks or communities seem to spring up on the internet every day Social networks or groupings of individuals tied by one or more specific types of interests or interdependencies ranging from likes and dislikes or disease transmission to the old boy network or overlapping circles of friends have been in existence for longer than services such as Facebook or YouTube analysis of these networks emphasizes the relationships within the network This reference resource offers comprehensive coverage of the theory and research within the social sciences that has sprung from the analysis of such groupings with accompanying definitions measures and research Featuring approximately 350 signed entries along with approximately 40 media clips organized alphabetically and offering cross references and suggestions for further readings this encyclopedia opens with a thematic Reader s Guide in the front that groups related entries by topics A Chronology offers the reader historical perspective on the study of social networks This two volume reference work is a must have resource for libraries serving researchers interested in the various fields related to social networks

The Many Hands of the State Kimberly J. Morgan, Ann Shola Orloff, 2017-02-27 This book offers a sampling of cutting edge research on the state pointing to future directions for research and providing innovative ways of theorizing states

The Constitution as Social Design Gretchen Ritter, 2006 This book focuses on gender and civic membership in American constitutional politics from the adoption of the Nineteenth Amendment through Second Wave Feminism It examines how American civic membership is gendered and how the terms of civic membership available to men and women shape their political identities aspirations and behavior The book also explores the dynamics of American constitutional development through a focus on

civic membership a legal and political construct at the heart of the constitutional order This is a book about gender politics and constitutional development and about what each of these can tell us about the other It considers the options and choices faced by women s rights activists in the United States as they voiced their claims for civic inclusion from Reconstruction through Second Wave Feminism and it makes evident the limits of liberal citizenship for women

Feminism's Forgotten Fight Kirsten Swinth,2018-11-05 A spirited defense of feminism arguing that the lack of support for working mothers is less a failure of second wave feminism than a rejection by reactionaries of the sweeping changes they campaigned for When people discuss feminism they often lament its failure to deliver on the promise that women can have it all But as Kirsten Swinth argues in this provocative book it is not feminism that has betrayed women but a society that balked at making the far reaching changes for which activists fought Feminism s Forgotten Fight resurrects the comprehensive vision of feminism s second wave at a time when its principles are under renewed attack Through compelling stories of local and national activism and crucial legislative and judicial battles Swinth s history spotlights concerns not commonly associated with the movement of the 1960s and 1970s We see liberals and radicals white women and women of color rethinking gender roles and redistributing housework They brought men into the fold and together demanded bold policy changes to ensure job protection for pregnant women and federal support for child care Many of the creative proposals they devised to reshape the workplace and rework government policy such as guaranteed incomes for mothers and flex time now seem prescient Swinth definitively dispels the notion that second wave feminists pushed women into the workplace without offering solutions to issues they faced at home Feminism s Forgotten Fight examines activists campaigns for work and family in depth and helps us see how feminism s opponents not feminists themselves blocked the movement s aspirations Her insights offer key lessons for women s ongoing struggle to achieve equality at home and work

Encyclopedia of Women in Today's World Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world

The RBG Way Rebecca Gibian,2019-11-05 Understanding and applying the wisdom of Justice Ruth Bader Ginsburg Given her incredible tenure as a Supreme Court justice as well as her monumental impact on the modern women s rights movement Ruth Bader Ginsburg has become one of the most prominent political leaders of today To complement her judicial significance she has also become one of the most culturally popular political figures in US history Not only has her workout routine gone viral and been detailed in a book by her trainer but RBG s story has been featured in multiple critically acclaimed films Organized into three parts and then broken down into more specific chapters within each part The RBG Way offers wisdom from Justice Ginsburg based on comments she has made on particular topics of importance Insight is offered on subjects such as women s rights creating lasting partnerships overcoming hardship how to be brave and how to create lasting change Rebecca Gibian offers her seasoned journalistic perspective to shed light on beliefs that RBG holds strongly in a manner that is both comprehensive and accessible
