

RAISING YOUR CHILDREN FOR CHRIST

The background of the entire cover is a photograph of a sunset or sunrise. The sky is a mix of orange, yellow, and blue. In the foreground, the silhouettes of a family are visible against the bright light of the sun. A man is on the left, holding a child up in the air. A woman is on the right, holding a child. The overall mood is warm and hopeful.

*"...and when he is old,
he will not depart from it."*

Raising Your Children For Christ:

Raising Children on Purpose Wesley H. Fleming, 2006-03-03 Parent by Accident or Parent on Purpose Your child has a God given purpose that is too important to be left to chance As parents we have a sacred opportunity to help our children find their way the way they were created to go When a child has insight into God s special plan for his life he will be more passionate about following Jesus better able to focus his energies on what is most important and equipped to make wiser decisions Raising Children on Purpose will help you Assess your child s natural talents and gifts Recognize and encourage your child s interests Determine the point at which gifting and interest overlap Discipline your child in positive ways that inspire confidence Promote emotional health and good decision making in your child Prepare your child for career choices Wes Fleming s Raising Children on Purpose offers practical advice with a generous sprinkling of humor Your children can fulfill their God given potential *Raising Your Children for Christ* Andrew Murray, 2017-03-07 Children are gifts from the Lord In this practical guide to parenting Andrew Murray shows the essential qualities of being a parent who loves the Lord He also shows you how to build your family in the Lord alleviate stressful family situations direct your children s steps and see the needs of your family met Christians desire that their children grow up and live as followers of Christ In this book you will find biblical advice and God s promises on how you can shape and mold the lives of your children for eternity

Motivate Your Child Scott Turansky, Joanne Miller RN, 2015-02-03 We need a parenting revolution Most parenting approaches end up encouraging children to ask the wrong questions about life What s in it for me Are you going to pay me for that What s the minimum I need to do to get by But God s Word gives us a better way to parent one that builds strong internal motivation in children When parents change the way they parent kids change the way they live This practical book explores a theology of internal motivation and then gives parents real life solutions to equip their kids for life You ll learn how to parent in ways that build internal motivation so that kids don t have to rely on you to get things done the four promptings of the conscience and how to coordinate your parenting to take advantage of them ways to energize your spiritual training with fun and creativity how to help children respond to mistakes instead of blaming defending or justifying The greatest gift you can give your child is strong moral and spiritual development this book shows you how Every chapter includes practical examples of families applying the Bible to their current issues Join the revolution **The Children for Christ: Raising Your Children in a Consecrated Christian Home** Andrew Murray, 2010-05 These fifty two profound and thoughtful lessons on the Christian family are designed to be read very slowly one per day or even one per week Twenty six are drawn from the Old Testament and twenty six from the New Each day s lesson consists of a verse from Scripture a teaching and a closing prayer Learn the way God intended a home to be The parents love for God and each other will then become the model for their children Believing parents need to understand what it means to be redeemed not only as individuals but also as a family God s promises are to our offspring as well as to ourselves As Pastor Murray shows the Bible is full of examples that

demonstrate God's intentions for the family Above all Jesus call is to little children as much as to adults This edition includes Andrew Murray's notes on baptism and on the Church's duty to parents
