Raising Your Spirited Child:

Raising Your Spirited Child Mary Sheedy Kurcinka, 2025-09-02 In this fourth edition of her perennial bestselling book Dr Mary Sheedy Kurcinka utilizes her deep experience to address the pressures previous generations of parents didn't have to consider. Her empathy and effective advice are exemplified in the introduction of her new and easy to apply Spirited Child Approach which nurtures the entire family. The Spirited Child Approach helps parents understand their child and their own inborn temperament while focusing on three simple but vital concepts: calm, connect, and coach to help their family thrive. Research and strength based yet honest Raising Your Spirited Child speaks to parent burnout and in a helpful and supportive manner offers solutions to that exasperated question: How am I supposed to stay calm and connect with my child when I'm just trying to survive the moment? What's new in this edition? The Spirited Child Approach. This groundbreaking methodology focuses on three key concepts: calm, connect, and coach, offering practical tools to handle the most stressful situations. Structure as Prevention: Discover how structure and routine can help avoid meltdowns and create a more peaceful home. Tech Savvy Parenting: Addressing the impact of screen time and social media on both kids and parents. Kurcinka provides actionable advice on managing screen use while nurturing relationships. The Power of Sleep: This edition prioritizes sleep for the whole family, offering simple effective strategies for getting everyone the rest they need to thrive. Even fans of the previous editions of this book will find tons of brand new information and skills updated with Dr Mary's latest findings after close to a decade of additional experience as a parenting coach and for the challenging age of parenting in the age of smartphones and social media.

Raising Your Spirited Child Rev Ed Mary Sheedy Kurcinka, 2006-11-28 Newly revised featuring the most up to date research, effective strategies and real life stories. The spirited child, often called difficult or strong-willed, possesses traits we value in adults yet find challenging in children. Research shows that spirited kids are wired to be more by temperament; they are more intense, sensitive, perceptive, persistent, and uncomfortable with change than the average child. In this revised edition of the award-winning classic, voted one of the top twenty books for parents, Kurcinka provides vivid examples and a refreshingly positive viewpoint. Raising Your Spirited Child will help you understand your child's and your own temperamental traits, discover the power of positive rather than negative labels, cope with the tantrums and power struggles when they do occur, plan for success with a simple four-step program, develop strategies for handling mealtimes, sibling rivalry, bedtimes, holidays, and school among other situations.

Sample Book Insights

- 1 The word that distinguishes spirited children from other children is more They are normal children who are more intense persistent sensitive and uncomfortable with change than other children It s difficult to describe what it s like to be the parent of a spirited child but it s worth it
- 2 Your intuition has been fighting the stares and the indictments brought against you since your child was born knowing that this child is tougher to parent But you don t know if you re right and you don t know why
- 3 When we choose to see our children as spirited we give them and themselves hope It pulls our focus to their strengths rather than their weaknesses which is not a negative label but a tool for understanding
- 4 While each spirited child is unique there are some common characteristics that they all possess They are intense persistent sensitive and uncomfortable with change
