E. Burton, 2004 In *Holy Tears Holy Blood* Richard

D E Burton continues his investigation of Catholic France from Revolution to Liberation From his focus in *Blood in the City* on public demonstrations of the cultural power of Catholicism he now turns to more private rituals those codes of conduct that shaped the interior lives of French Catholic women and determined their artistic and social presentation Here there is rather less blood and considerably more weeping Burton says In portraits of eleven women including Simone Weil and Sainte Th r se he traces the lasting power of particular expressions of suffering and sacrifice How Burton asks does a rapidly modernizing society accommodate the cultural historical legacy of religious belief in particular the extreme conservative beliefs of ultramontane Catholicism Burton pays particular attention to the doctrine of vicarious suffering whereby an individual suffers for the redemption of others and to certain extreme forms of religious experience including stigmatization self starvation visions and apparitions

Passion of Israel Richard Francis Crane,2014-04-15 In his lifetime French philosopher Jacques Maritain 1882 1973 achieved a reputation as both a leading Catholic intellectual and an outspoken critic of anti-Semitism Here historian Richard Francis Crane traces the development of Maritain s opposition toward anti-Semitism and analyzes the Catholic appreciation of Judaism that animated his stance Crane probes the writings and teachings of Maritain before during and after the Holocaust and illuminates how Maritain s ideas altered Christian perceptions of Jews and Judaism

during his lifetime and continue to do so today *Leaving the Jewish Fold* Todd Endelman,2015-02-22 The definitive history of conversion and assimilation of Jews in Europe and America from the eighteenth century to the present Between the French Revolution and World War II hundreds of thousands of Jews left the Jewish fold by becoming Christians or in liberal states by intermarrying Telling the stories of both famous and obscure individuals *Leaving the Jewish Fold* explores the nature of this drift and defection from Judaism in Europe and America from the eighteenth century to today Arguing that religious conviction was rarely a motive for Jews who became Christians Todd Endelman shows that those who severed their Jewish ties were driven above all by pragmatic concerns especially the desire to escape the stigma of Jewishness and its social occupational and emotional burdens Through a detailed and colorful narrative Endelman considers the social settings national contexts and historical circumstances that encouraged Jews to abandon Judaism and factors that worked to the opposite effect Demonstrating that anti Jewish prejudice weighed more heavily on the Jews of Germany and Austria than those living in France and other liberal states as early as the first half of the nineteenth century he reexamines how Germany's political and social development deviated from other European states Endelman also reveals that liberal societies such as Great Britain and the United States which tolerated Jewish integration promoted radical assimilation and the dissolution of Jewish ties as often as hostile illiberal societies such as Germany and Poland Bringing together extensive research across several languages *Leaving the Jewish Fold* will be the essential work on conversion and assimilation in modern Jewish history for years to come **Kindred Spirits** Brenna Moore,2021-07-02 *Kindred Spirits* takes us inside a remarkable network of Catholic historians theologians poets and activists who pushed against both the far right surge in interwar Europe and the secularizing tendencies of the leftist movements active in the early to mid twentieth century With meticulous attention to the complexity of real lives Brenna Moore explores how this group sought a middle way anchored in spiritual friendship religiously meaningful friendship understood as uniquely capable of facing social and political challenges For this group spiritual friendship was inseparable from resistance to European xenophobia and nationalism anti racist activism in the United States and solidarity with Muslims during the Algerian War Friendship they believed was a key to both divine and human realms a means of accessing the transcendent while also engaging with our social and political existence Some of the figures are still well known philosopher Jacques Maritain Nobel Prize laureate Gabriela Mistral influential Islamicist Louis Massignon poet of the Harlem renaissance Claude McKay while others have unjustly faded from memory Much more than an idealized portrait of a remarkable group of Catholic intellectuals from the past *Kindred Spirits* is a compelling exploration of both the beauty and flaws of a vibrant social network worth remembering **Catholicism and American Freedom: A History** John T. McGreevy,2004-09-17 A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance New York Times Book Review *Catholicism and American Freedom* is a groundbreaking historical account of the tensions and occasional alliances between Catholic and American understandings of a healthy

society and the individual person including dramatic conflicts over issues such as slavery public education economic reform the movies contraception and abortion Putting scandals in the Church and the media's response in a much larger context this stimulating history is a model of nuanced scholarship and provocative reading *Jacques Maritain and the Jews* Robert Royal, 1994 Jacques Maritain one of the most prominent twentieth century Catholic philosophers and social theorists played a crucial role in the development of modern Catholic teaching about the people of Israel Today relations between Christians and Jews have reached an historically unprecedented cordiality and the seventeen essays in this volume reveal the process by which Maritain's thought and work contributed to this development *Jacques Maritain and the Jews* is a thorough survey of the influence Maritain exerted on various persons inside and outside the Catholic Church as well as the influences of the Jewish question on Maritain himself Fruitful Discipleship Sherry A. Weddell, 2017-06-20 As faith filled Catholics we are called to go out and spread the good news of the Gospel build up the Church and fuel its mission We are supernaturally empowered by God to do this through the charisms we receive at Baptism Learn about each charism what they are and how discipleship unleashes these powerful gifts to produce fruit that lasts Jazz Age Catholicism Stephen Schloesser, 2005-01-01 Stephen Schloesser's *Jazz Age Catholicism* shows how a postwar generation of Catholics refashioned traditional notions of sacramentalism in modern language and imagery *Allen Tate and the Catholic Revival* Peter A. Huff, 1996 Investigates the influence of the preconciliar Catholic Literary Revival on the southern literary critic and Catholic convert Allen Tate 1899-1979 examining Tate's attempt to incorporate the Revival's Christian humanism into a distinctive critique of secular industrial society Naming Race, Naming Racisms Jonathan Judaken, 2013-09-13 Eschewing social scientific approaches which tend to examine race and racism in terms of quasi static ideal types this book surveys differing historical contexts from the era of scientific racism in the nineteenth century to the post racial racism of the post 9/11 period and from Europe to the United States in order to understand how racism has been articulated in differing situations It is distinguished by the attention it pays to the on going power of racial discourse in the contemporary period as a legitimating factor in oppression It exemplifies methodological openness combining the work of historians philosophers religious scholars and literary critics and includes differing theoretical models in pursuing a critical approach to race cultural studies trauma theory and psychoanalysis critical theory and consideration of the new racism and postcolonialism and the literature on globalization It brings together the work of leading academics with younger practitioners and is capped off by an interview with world renowned intellectual Cornel West on black intellectuals in America This book was previously published as a special issue of *Patterns of Prejudice* *Significant Others: Creativity & Intimate Partnership* Whitney Chadwick, 2018-04-17 Biographies of artists and writers have traditionally presented an individual's lone struggle for self expression In this book critics and historians challenge these assumptions in a series of essays that focus on artist and writer couples who have shared sexual and artistic bonds Featuring duos such as Auguste Rodin and Camille Claudel Sonia and Robert Delaunay

Vanessa Bell and Duncan Grant and Jasper Johns and Robert Rauschenberg this book combines biography with evaluation of each partner's work in the context of the relationship

Jacques Maritain and the Moral Foundation of Democracy John DiJoseph, 1996 In this book John DiJoseph probes the philosophical presuppositions that undergird Jacques Maritain's political theory particularly his theory that democracy and Christianity are inexorably linked Maritain's theory of democracy is particularly relevant today with the ascendancy of what Maritain called bourgeois liberal democracy in the United States and Western Europe a type of democracy that Maritain thought would lead to the eventual demise of Western culture In opposition to the bourgeois liberal democracy Maritain posited a personalist democracy with a uniquely Christian soul DiJoseph traces the historical and philosophical development of Maritain's debt to Henri Bergson and Alexis De Tocqueville and Maritain's break with classical Christian and Catholic political thought The book will not only appeal to scholars of history and political science but also to those concerned with the current debate over the philosophical basis of democracy and the cultural decline of the West

The Very Rich Hours of Jacques Maritain Ralph McInerny, 2003 The Very Rich Hours of Jacques Maritain is Ralph McInerny's hymn of praise to the spiritual and intellectual life of the great Catholic philosopher Jacques Maritain 1881-1973 The structure of this work is modelled on the medieval book of hours making use of the daily offices from Matins through Compline to examine each stage of the life of Maritain and his wife Raissa Through this blending of biography and meditation McInerny creates a portrait of the Maritains one that reveals a model of the intellectual life as lived by the Christian believers Maritain's life and thought Among the topics McInerny covers are Maritain's remarkable and diverse set of friends his involvement in French politics and the development of his views on the nature and future of democracy the Church and Catholic intellectual life By interweaving Maritain's philosophy with anecdotes from his life McInerny demonstrates what distinguished Maritain as a Catholic philosopher and why he is a source of inspiration for McInerny and others of his generation and the work of Ralph McInerny
