Herringshaw's National Library of American Biography Thomas William Herringshaw,1914 **The American Essay in the American Century** Ned Stuckey-French,2011-05-31 In modern culture the essay is often considered an old fashioned unoriginal form of literary styling The word essay brings to mind the uninspired five paragraph theme taught in schools around the country or the antiquated Edwardian meanderings of English gentlemen rattling on about art and old books These connotations exist despite the fact that Americans have been reading and enjoying personal essays in popular magazines for decades engaging with a multitude of ideas through this short form means of expression To defend the essay that misunderstood staple of first year composition courses Ned Stuckey French has written *The American Essay in the American Century* This book uncovers the buried history of the American personal essay and reveals how it played a significant role in twentieth century cultural history In the early 1900s writers and critics debated the death of the essay claiming it was too traditional to survive the era s growing commercialism labeling it a bastion of British upper class conventions Yet in that period the essay blossomed into a cultural force as a new group of writers composed essays that responded to the concerns of America s expanding cosmopolitan readership These essays would spark the magazine revolution giving a fresh voice to the ascendant middle class of the young century With extensive research and a cultural context Stuckey French describes the many reasons essays grew in appeal and importance for Americans He also explores

the rise of E B White considered by many the greatest American essayist of the first half of the twentieth century whose prowess was overshadowed by his success in other fields of writing White s work introduced a new voice creating an American essay that melded seriousness and political resolve with humor and self deprecation This book is one of the first to consider and reflect on the contributions of E B White to the personal essay tradition and American culture more generally The American Essay in the American Century is a compelling highly readable book that illuminates the history of a secretly beloved literary genre A work that will appeal to fiction readers scholars and students alike this book offers fundamental insight into modern American literary history and the intersections of literature culture and class through the personal essay This thoroughly researched volume dismisses once and for all the death of the essay proving that the essay will remain relevant for a very long time to come

Eyes on Labor Carol Quirke,2012-08-30 Eyes on Labor narrates an essential chapter in American cultural history offering a fascinating broad stroke history of the relationship of photography to the complex and troubled history of 20th century labor and unionization movements

Supreme City Donald L. Miller,2015-05-19 An award winning historian surveys the astonishing cast of characters who helped turn Manhattan into the world capital of commerce communication and entertainment

The Irregulars Jennet Conant,2009-09-08 Following her bestselling accounts of the most guarded secrets of the Second World War Conant offers a rollicking true story of spies politicians journalists and intrigue in the highest circles of Washington during the tumultuous days of World War II

The Mansion of Happiness Jill Lepore,2013-03-26 Renowned Harvard scholar and New Yorker staff writer Jill Lepore has written a strikingly original ingeniously conceived and beautifully crafted history of American ideas about life and death from before the cradle to beyond the grave How does life begin What does it mean What happens when we die All anyone can do is ask Lepore writes That s why any history of ideas about life and death has to be like this book a history of curiosity Lepore starts that history with the story of a seventeenth century Englishman who had the idea that all life begins with an egg and ends it with an American who in the 1970s began freezing the dead In between life got longer the stages of life multiplied and matters of life and death moved from the library to the laboratory from the humanities to the sciences Lately debates about life and death have determined the course of American politics Each of these debates has a history Investigating the surprising origins of the stuff of everyday life from board games to breast pumps Lepore argues that the age of discovery Darwin and the Space Age turned ideas about life on earth topsy turvy New worlds were found she writes and old paradises were lost As much a meditation on the present as an excavation of the past The Mansion of Happiness is delightful learned and altogether beguiling

The Cultural Front Michael Denning,1998 As garment workers longshoremen autoworkers sharecroppers and clerks took to the streets striking and organizing unions in the midst of the Depression artists writers and filmmakers joined the insurgent social movement by creating a cultural front Disney cartoonists walked picket lines and Billie Holiday sand Strange Fruit at the left wing cabaret Caf Society Duke Ellington produced a radical musical Jump for Joy New

York garment workers staged the legendary Broadway revue Pins and Needles and Orson Welles and his Mercury players took their labor operas and anti fascist Shakespeare to Hollywood and made Citizen Kane A major reassessment of US cultural history The Cultural Front is a vivid mural of this extraordinary upheaval which reshaped American culture in the twentieth century *The Encyclopedia of New York City* Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis Where the Wild Things Were Henry Jenkins, 2025-02-25 How might reading Benjamin Spock and Margaret Mead help us to better understand Dennis the Menace Harold and the Purple Crayon and Mr Roger s Neighborhood *Dr. Seuss* Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss s career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss s famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover *Political Hell-Raiser* Marc C. Johnson, 2019-03-21 Burton K Wheeler 1882 1975 may have been the most powerful politician Montana ever produced and he was one of the most influential and controversial members of the United States Senate during three of the most eventful decades in American history A New Deal Democrat and lifelong opponent of concentrated power whether economic military or executive he consistently acted with a righteous personal and political independence that has all but disappeared from the public sphere Political Hell Raiser is the first book to tell the full story of Wheeler a genuine maverick whose successes and failures were woven into the political fabric of twentieth century America Wheeler came of political age amid antiwar and labor unrest in Butte Montana during World War I As a crusading United States attorney he battled

Montana's powerful economic interests championed farmers and miners and won election to the U S Senate in 1922 There he made his name as one of the Montana scandalmongers uncovering corruption in the Harding and Coolidge administrations Drawing on extensive research and new archival sources Marc C Johnson follows Wheeler from his early backing of Franklin D Roosevelt and ardent support of the New Deal to his forceful opposition to Roosevelt's plan to expand the Supreme Court and in a move widely viewed as political suicide his emergence as the most prominent spokesman against U S involvement in World War II right up to three days before Pearl Harbor Johnson provides the most thorough telling of Wheeler's entire career including all its accomplishments and contradictions as well as the political storms that the senator both encouraged and endured The book convincingly establishes the place and importance of this principled hell raiser in American political history

The Judicial and Civil History of Connecticut Dwight Loomis, Joseph Gilbert Calhoun, 1895 **60 Years of Journalism** James Mallahan Cain, 1985 The late James M Cain was a newspaperman playwright and novelist Although best known for his controversial novels *The Postman Always Rings Twice* *Double Indemnity* *Mildred Pierce* *Serenade* *The Butterfly* and *Past All Dishonor* Cain always considered himself a journalist a newspaperman who wrote yarns on the side The book includes some of Cain's best articles and essays The material is sometimes serious sometimes humorous and provides a unique look at 60 years of history

The Trowbridge Family Frederick William Chapman, 1872 *E.B. White* Scott Elledge, 1986 Here is a richly detailed and vivid biography of the man who wrote *Charlotte's Web* *The Trumpet of the Swan* and *Stuart Little* the White of Strunk and White the writer whose style and humor were so important in distinguishing *The New Yorker*'s first thirty years Included are some fifty photographs and drawings as well as manuscript facsimiles

Freedom from Advertising Duane C.S. Stoltzfus, 2007-01-18 Disgusted by publishers and editors who refused to cover important stories for fear of offending advertisers the press baron E W Scripps rejected conventional wisdom and set out to prove that an ad free newspaper could be profitable entirely on circulation Duane C S Stoltzfus details the history of Scripps's innovative 1911 experiment which began in Chicago amid great secrecy The tabloid sized newspaper was called the *Day Book* and at a penny a copy it aimed for a working class market crusading for higher wages more unions safer factories lower streetcar fares and women's right to vote It also tackled the important stories ignored by most other dailies like the labor conflicts that shook Chicago in 1912 Though the *Day Book*'s financial losses steadily declined over the years it never became profitable and publication ended in 1917 Nevertheless Stoltzfus explains that the *Day Book* served as an important ally of workers a keen watchdog on advertisers and it redefined news by providing an example of a paper that treated its readers first as citizens with rights rather than simply as consumers

Ralph Ingersoll A Biography Introduction

In today's digital age, the availability of Ralph Ingersoll A Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ralph Ingersoll A Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ralph Ingersoll A Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ralph Ingersoll A Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ralph Ingersoll A Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ralph Ingersoll A Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ralph Ingersoll A Biography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ralph Ingersoll A Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ralph Ingersoll A Biography books and manuals for download and embark on your journey of knowledge?
