Ralph Conversations With A Bear:

Ralph Pete Merrill, 2003 Ralph is not your average talking bear he s well read he claims to have read everything Shakespeare ever wrote has strong opinions on every subject and has a decidedly jaundiced opinion of the human race

Ralph Peter A. Merrill, 2002 Council of Bears Pete Merrill, 2004 This is Pete Merrill s second book about bears The first Ralph Conversations with a Bear describes his meeting in the woods near his home with curmudgeonly old Ralph Shakesbear and his young grandson Macduff Their relationship was usually contentious Ralph considers Homo sapiens an inferior lot Human beans as he calls them are a dysfunctional species who are forever shooting themselves in the foot Pete and Ralph managed to maintain tolerable relations until the pressures of encroaching civilization became intolerable Pete agreed to help relocate Ralph and Duffy to Olympic National Park where Ralph thought they could live in peace as every bear has a right to away from the corrupting influence of the beans In Council of Bears we find the aging Ralph now Alpha bear elder statesman and self appointed ursine major domo attempting to organize all the bears in the south end of the park His authority apparently does not extend to his irrepressible adolescent grandson Macduff who much prefers driving the park rangers crazy and keeping campers on constant alert Macduff considers that he is doing the campers a favor providing them with wilderness adventures they can tell their grandchildren about *Oology and Ralph's Talking Eggs* Carrol L. Henderson, 2009-02-17 Before modern binoculars and cameras made it possible to observe birds closely in the wild many people collected eggs as a way of learning about birds Serious collectors called their avocation oology and kept meticulous records for each set of eggs the bird s name the species reference number the quantity of eggs in the clutch the date and location where the eggs were collected and the collector s name These documented egg collections which typically date from the nineteenth and early twentieth centuries now provide an important baseline from which to measure changes in the numbers distribution and nesting patterns of many species of birds In Oology and Ralph s Talking Eggs Carrol L Henderson uses the vast egg collection of Ralph Handsaker an Iowa farmer as the starting point for a fascinating account of oology and its role in the origins of modern birdwatching scientific ornithology and bird conservation in North America Henderson describes Handsaker s and other oologists collecting activities which included not only gathering bird eggs in the wild but also trading and purchasing eggs from collectors around the world Henderson then spotlights sixty of the nearly five hundred bird species represented in the Handsaker collection using them to tell the story of how birds such as the Snowy Egret Greater Prairie Chicken Atlantic Puffin and Wood Duck have fared over the past hundred years or so since their eggs were gathered Photos of the eggs and historical drawings and photos of the birds illustrate each species account Henderson also links these bird histories to major milestones in bird conservation and bird protection laws in North America from 1875 to the present **Beyond the Black Stump** M. Barrett Miller, 2014-04-12 Jack Mick Mahaney and Walking Bear are all enjoying a respite from the pressures of their careers when they are alerted to a possible strike on the Royal Family Mahaney s recent

trip to Northern Ireland to investigate a string of brutal bank robberies has left him suspicious of the SAS and the motivations for the robberies A possible action against the Royals by the military has everyone running scared The same characters from 2 Molesworth Street Under the Spider Tree Slaughterhouse Creek A Day Without Stars are back for another rousing adventure of Life in the Shadows Unmaking of the Arab Intellectual Zeina G. Halabi,2017-05-18 In this book Zeina G Halabi examines the figure of the intellectual as prophet national icon and exile in contemporary Arabic literature and film Staging a comparative dialogue with writers and critics such as Elias Khoury Edward Said Jurji Zaidan and Mahmoud Darwish Halabi focuses on new articulations of loss displacement and memory in works by Rabee Jaber Elia Suleiman Rawi Hage Rashid al Daif and Seba al Herz She argues that the ambivalence and disillusionment with the role of the intellectual in contemporary representations operate as a productive reclaiming of the political in an allegedly apolitical context The Unmaking of the Arab Intellectual offers the critical tools to understand the evolving relations between the intellectual and power and the author and the text in the hitherto uncharted contemporary era **Settlers Gate** Casey Swan,2025-06-10 Michelle is a mild mannered librarian still living with her parents in Des Moines at 35 Her only superpower is remembering synonyms for words oh and her prodigious memory But a sense of adventure is stirring within her and she moves to Settlers Gate in Colorado to become the senior librarian and take on a completely new life From day one Gaius the maintenance man at Fort Carson threatens to pull her into his world and would that be a bad thing The file in her mind labeled How To Be A Woman is disappointingly empty especially after her experiences with Martin the Mistake But will she grab these new opportunities and run with them or not This book was first published at Amazon until their author support did crazy things once too often It had an average rating of 4 5 5 0 from 21 reviews when my books were unpublished at Amazon in early 2025 Conversations Brandino Rangoni Machiavelli,2018-02-13 A totally genuine unadulterated document tracing a relationship which has taken place online over 12 years from 2001 to 2012 Only the names of the protagonists have been changed to names to names we felt better represent their predicament An irrepressible bond develops between these two people of entirely different backgrounds based on a strong common chemistry Resisted at first by them and then finally acknowledged in the face of impossible odds the two heroes of this unique and fascinating story of poetry and chats of passion and doubts and desperation manage to set down on the pages of their laptops and phones a beautiful and unforgettable love story full of tenderness drama and fun **Mothers' Journal** ,1871 **The Mothers' Journal** ,1871
