Ramona Adiosramona Goodbye:

Working Through Memory Ofelia Ferrán, 2007 Studies various constructions of memory in contemporary Spanish literature evoking different aspects of a past of repression from both the civil war and the Franco regime This book analyzes narrative texts published between the 1960s and 1990s that present memory and the recuperation of a traumatic past as their main theme

Ramona Beverly Cleary, 1987

Traces of Contamination Eloy E. Merino, H. Rosi Song, 2005 Exposing two general perspectives both manifestations of an authoritarian past that still holds a relationship with the present this collection reveals the ideological legacy of the past and its experience as a distressing conditioner of the present The dissonant elements of post Franco discourse critically analyzed by our contributors challenge the seamless narrative that tells the successful story of the Spanish transition to democracy

Call of the Savage Otis Adelbert Kline, 2011-09-01 Kidnapped as infant raised in a menagerie by a mad doctor was Jan escaped into the jungle

Excerpt This boy the innocent victim of the doctor's insane hatred for a woman had never seen a human being other than the physician Nor had he glimpsed any more of the outside world than might be observed through the small high windows of the menagerie or above the tall stockade just outside it where he was exercised Dr Bracken had loved the boy's mother Georgia Adams a titian haired Southern beauty with a fiery passion of which few men are capable A sudden declaration before his departure on a trip to Africa had won what he thought was a promise from her a half hearted assent she had evidently regretted the moment he had gone but it was the one thing on which he had counted during all his weary months of tramping in the jungles Her face had smiled at him in the light of many a camp fire her voice had soothed his troubled sleep as he lay in his net covered hammock while fierce beasts of prey roamed just outside For him the red gold sunsets had reflected the glory of her titian hair Bits of the blue vault of heaven visible at times through rents in the forest canopy had hinted of the more wondrous blue of her eyes But he had returned to America only to have the cup of happiness dashed rudely from his lips for she had married Harry Trevor True she had told him when they had a few moments alone of writing a letter breaking the engagement only a week after his departure He had accepted the statement politely yet deep in his heart he doubted it She had broken faith and in his estimation a woman capable of that was capable of anything The letter if indeed there had been a letter had never reached him So love had turned to hate an abnormally intense hate that filled his waking hours and made his nights restless and hideous a passionate unreasoning hate that engendered a desire which soon became a fixed purpose and the sole end toward which he planned and strove revenge But Dr Bracken's warped mind had cunningly pretended friendship so cunningly that he served the Trevors as their family physician in Florida And the birth of a son and heir gave him his long awaited opportunity for a revenge which would be no trifling retribution from which Georgia Trevor would soon recover The kidnapping of the day old boy had been ridiculously easy At first the doctor's diabolical plan had been to mutilate and cripple the child turn his face into a hideous monstrosity and return him to be a living curse to his parents But an event had occurred in the menagerie which changed his plans and gave him the germ of an even more diabolical scheme For the male chimpanzee Tichuk at that time caged with his mate Chicma had slain their little one in a fit of fury and was attacking her when the doctor returned with the stolen baby Dr Bracken had quieted both chimpanzees with hypodermics and removed the unconscious Tichuk to another cage Then a terrible smile upon his face he had skinned the baby chimpanzee treated its hide with an odorless preservative and sewed the cotton padded skin about the human baby As Chicma came out of her drugged sleep he placed the child in her arms The chimpanzee dazed and foggy of perception had sniffed the hairy hide of her own child She recognized the scent and feel yet the tensely waiting doctor club and whip in hand saw her hesitate in puzzlement as if on the verge of flinging away this somehow suspiciously changed child of hers But nature and mother instinct conquered and she fed the hungry infant

the rich tapestry of Kline's imaginative prowess which weaves together elements of science fiction, fantasy, and adventure. His narratives often reflect the early 20th-century literary styles that merge romanticism and pulp fiction, featuring otherworldly settings and daring protagonists. Through vivid prose and intricate world building, Kline's works resonate with the spirit of adventure prevalent in the burgeoning genre of speculative fiction during his time, marking him as a significant yet often overlooked figure in American literature.

Otis Adelbert Kline (1888-1946) was significantly influenced by the era's fascination with space exploration and lost civilizations. A contemporary of literary giants such as Edgar Rice Burroughs, Kline's experiences as an author, editor, and literary agent shaped his unique perspective and writing style, often reflecting the societal hopes and fears of his contemporaries. His works illustrate a blend of science and imagination that captures the zeitgeist of the early 20th century. This collected works serves as an essential introduction for both newcomers and seasoned readers of speculative fiction. Kline's stories not only entertain but also provoke thought about the human experience in the face of the unknown. For those interested in the evolution of genre literature, this anthology is a treasure trove that deserves a prominent place on any bookshelf.

Escape Into America Flavio Rivera, 2006. Living and experiencing a life of extreme poverty and knowing that beyond the hills, deserts, and mountains is a land of opportunity is extremely demoralizing and heart-breaking. Heart-breaking because if you leave home to seek your dream, you are leaving behind a mother, a father, brothers, and sisters whom you love. Daily, you watch your mother struggle to make the best she can for her family. Through prayer and advice from a local village friend and the church priest, you finally decide to leave your family. The journey to America is difficult and dangerous. At every stop along the way, there is danger and disappointment. The only things that keep you going are the people you meet and a little rosary that you carry in your pocket.
