Taste Anthony Terlato, 2009-03-01 Anthony Terlato's story is not simply the usual CEO narrative of achieving business success nor is it the typical winemaker's tale of pursuing perfection in a glass. Straddling both of those stories, Terlato uses broad strokes to show how one individual had an enormous impact on Americans' wine drinking habits. Wine journalist Linda Murphy described Terlato in the San Francisco Chronicle as one of the most accomplished wine personalities on the planet, and readers of this account of a 50-year love affair with wine see this affable intelligent man at his finest.

Their life has been filled with resentment and tragedy, but burying their grievances in the silence helps them endure. They both have hard decisions to make when Corvo, a living crime, breaks into their farmhouse. Unlike other children, her vocal cords haven't been removed at birth. Words rush back into the couple's lives, and for the first time in years, they'll have to face the damage silence has done to them. If that doesn't destroy them, the town's Sheriff will. She sees Corvo as a chance to regain some sanity in a world she herself helped make silent and will stop at nothing to get her.
