Leave Me Alone Barth Stoner, 2012-12-18 In today's society the government seems to have control over our lives no matter which way we turn The rules and regulations regarding what we can or cannot do seem to have no end It wasn't that many years ago that a person could live a life free to do pretty much whatever they wanted as long as they didn't hurt anyone or interfere with someone else's freedoms The courts are out of control and put people in jail for minor infractions Prosecutors want convictions and don't care whether you are guilty or not they just want a high conviction rate because they think it looks good on their record People are tired of the endless laws and want a simpler life free of all the restrictions making us a slave to our government the courts and the police who watch over us constantly Occasionally in all government offices in the courts and in the police departments you will encounter an individual without scruples or common sense who is not qualified to hold his/her position The end result is that person is going to perpetrate unjustifiable actions against innocent individuals or deny them access to their rights of life liberty and the pursuit of happiness according to what our country was founded upon Money seems to be the law of the land now You've got it they want it
