**Rand McNally Bankers Directory** ,1905-07      **Come to Texas** Barbara J. Rozek,2003 Come to Texas urged countless advertisements newspaper articles and private letters in the late nineteenth century Expansive acres lay fallow ready to be turned to agricultural uses Entrepreneurial Texans knew that drawing immigrants to those lands meant greater prosperity for the state as a whole and for each little community in it They turned their hands to directing the stream of spatial mobility in American society to Texas They told the Texas story to whoever would read it In this book Barbara Rozek documents their efforts shedding light on the importance of their words in peopling the Lone Star State and on the optimism and hopes of the people who sought to draw others Rozek traces the efforts first of the state government until 1876 and then of private organizations agencies businesses and individuals to entice people to Texas The appeals in whatever form were to hope hope for lower infant mortality rates business and farming opportunities education marriage and they reflected the hopes of those writing Rozek states clearly that the number of words cannot be proven to be linked directly to the number of immigrants Texas experienced a population increase of 672 percent between 1860 and 1920 but she demonstrates that understanding the effort is itself important Using printed materials and private communications held in numerous archives as well as pictures of promotional materials she shows the energy and enthusiasm with which Texans promoted their native or adopted home as the perfect home for others Texas is indeed an immigrant state perhaps by destiny certainly Rozek demonstrates by design      The Texas Rangers Mike Cox,2024-05-01 A lively enlightening history of one of the oldest most esteemed law enforcement agencies in America Booklist Starting in 1821 with just a handful of men the Rangers first purpose was to keep settlers safe from the feared and gruesome Karankawa Indians a cannibalistic tribe that wandered the Texas territory As the influx of settlers grew the attacks increased and it became clear that a much larger better trained force was necessary From their tumultuous beginning to their decades of fighting outlaws Comanche Mexican soldados and banditos as well as Union soldiers the Texas Rangers became one of the fiercest law enforcement groups in America In a land as spread out and sparsely populated as the west itself the Rangers had unique law enforcement responsibilities and challenges The story of the Texas Rangers is as controversial as it is heroic Often accused of vigilante style racism and murder they enforced the law with a heavy hand But above all they were perhaps the defining force for the stabilization and the creation of Texas From Stephen Austin in the early days through the Civil War the first eighty years of the Texas Rangers is nothing less than phenomenal setting the foundation for the Texas Rangers that keep Texas safe today Richly detailed This modern masterpiece does full justice to both the reality and the myth of the Texas Rangers a great organization of which I was honored to be a part for 27 years Joaquin Jackson Texas Ranger Ret author of One Ranger A Memoir      **Sally Scull and Texas** Betty Newman Wauer,2016-10-10 Sally Scull and Texas By Betty Newman Wauer BETTY NEWMAN WAUER was proud of her great great aunt Sally Scull Sally was a strong spirited and bright pioneer during the nineteenth century She

undergoes many trials and tribulations that parallel key events in Texas history such as the Battle at the Alamo the Mexican American War and the Civil War While she s a legendary sharpshooter and extremely skilled with a whip she finds that love family and children are some of the most challenging aspects of life Her perseverance and determination are certain to inspire and educate readers *Scientific Canadian Mechanics' Magazine and Patent Office Record* Canada. **the Texas Coast** Docia Schultz Williams,1998-04-30 A collection of strange occurrences this book brings to light tangible evidence and first hand testimony to validate a wide range of ghostly tales Whether they haunt the place of their death or a place they loved in their lives these spirits are found up and down the Texas coast Author Docia Williams brings us the best of these stories where they happen and provides some of the history surrounding these spooky spots **I'm Just Wanda,**

**But Jesus Is G-O-D** Wanda Aigner,2011-03 Pope Benedict XVI is too late for Wanda Aigner s father who believed in limbo When at three days Wanda became deathly ill her father nearly had an accident in his Model A Ford on Minnesota s gravel roads in mid January as he sped to their pastor to get his daughter baptized Still alive and well and having had an adventurous life both in the States and abroad this memoir searches the highs and lows of a life dedicated to missions If you wish to see Jesus learn how he spoke to Wanda through a grandmother leading her to not only assurance of salvation but also a call to missions Try if you will counting the times Jesus healed her or helped her with demon problems Be enlightened of Satan s wiles inspired by Wanda s faithfulness and encouraged to keep on keeping on with your guard up You may well find yourself challenged when you recognize the much more than ample proof of this autobiographer s declaration I m Just Wanda but JESUS Is G O D *The Rand-McNally Bankers' Directory and List of Attorneys* ,1913 **The Traffic World** ,1921

*The Governor's Hounds* Barry A. Crouch,Donaly E. Brice,2011-12-15 In the tumultuous years following the Civil War violence and lawlessness plagued the state of Texas often overwhelming the ability of local law enforcement to maintain order In response Reconstruction era governor Edmund J Davis created a statewide police force that could be mobilized whenever and wherever local authorities were unable or unwilling to control lawlessness During its three years 1870 1873 of existence however the Texas State Police was reviled as an arm of the Radical Republican party and widely condemned for being oppressive arrogant staffed with criminals and African Americans and expensive to maintain as well as for enforcing the new and unpopular laws that protected the rights of freed slaves Drawing extensively on the wealth of previously untouched records in the Texas State Archives as well as other contemporary sources Barry A Crouch and Donaly E Brice here offer the first major objective assessment of the Texas State Police and its role in maintaining law and order in Reconstruction Texas Examining the activities of the force throughout its tenure and across the state the authors find that the Texas State Police actually did much to solve the problem of violence in a largely lawless state While acknowledging that much of the criticism the agency received was merited the authors make a convincing case that the state police performed

many of the same duties that the Texas Rangers later assumed and fulfilled the same need for a mobile statewide law enforcement agency     Farm Tenantry in the United States William Bennett Bizzell,1921     *Bulletin* ,1899     **Heart of Texas Records** ,1993     **Wildlife Research Report** ,1972     **North American Tortoises** R.
