Expository Preparation Benjamin G. Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners

Marshall,2005 After several years in the pastorate John Marshall realized that he was nothing more than a spectator in his involvement in the Great Commission This recognition sparked questions and a curiosity What does God really say about missions **1 Thessalonians Through Philemon** Robert E. HOMOSEXUALITY - The BIBLE and the CHRISTIAN Edward D. Andrews,2016-04-25 Today there are many questions about homosexuality as it relates to the Bible and Christians What does the Bible say about homosexuality Does genetics environment or traumatic life experiences justify homosexuality What is God s will for people with same sex attractions Does the Bible discriminate against people with same sex attractions Is it possible to abstain from homosexual acts Should not Christians respect all people regardless of their sexual orientation Did not Jesus preach tolerance If so should not Christians take a permissive view of homosexuality Does God approve of same sex marriage Does God disapprove of homosexuality If so how could God tell someone who is attracted to people of the same sex to shun homosexuality is that not cruel If one has same sex attraction is it possible to avoid homosexuality How can I as a Christian explain the Bible s view of homosexuality IT IS CRUCIAL that Christians always be prepared to reason from the Scriptures explaining and proving what the Bible does and does not say about homosexuality yet doing it with gentleness and respect Andrews will answer these questions and far more Who Should Read HOMOSEXUALITY The BIBLE and the CHRISTIAN 1 Anyone struggling with same sex attraction 2 Anyone trying to leave a homosexual lifestyle 3 Any churchgoer looking for an apologetic tool on homosexuality 4 Any pastor looking for a tool to better counsel those struggling with same sex attraction or leave a homosexual lifestyle *Life in the Son* Robert Shank,2024-06-18 A deep study on the doctrine of eternal security Does one

moment of faith secure a person s eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever s eternal condemnation **Atonement and the Logic of**

Resurrection in Hebrews 9:27-28 William W. Henry,2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by

mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment

Grace, Faith, Free Will Robert E. Picirilli, 2002 Robert E Picirilli in *Grace Faith Free Will* renews the discussion of issues that have divided Calvinism and Arminianism since the Reformation Jacobus Arminius a Dutch theologian of the 16th century contested the dominant theological ideas advanced by the well known Protestant reformer John Calvin and his disciples Historically Arminius has been frequently misunderstood and often interpreted by friend and foe alike Even today one who calls himself Arminian does so with considerable risk as the name means different things to different people and comes in various flavors Many automatically think of Arminians as liberal differing little from Universalists at least holding to salvation by works and possibly espousing heretical views of the Trinity or the goodness of man In truth some Arminians have held and even now hold such beliefs No so of Arminius himself his original followers or able contemporary theologians such as Picirilli Though he presents both classics Calvinism and Arminianism in order to help readers intelligently decide for themselves Dr Picirilli unashamedly advocates a very specific form of Arminianism as the best resolution of the tensions between the two doctrinal positions

THE APOSTLE PAUL William Mitchell Ramsay, 2021-05-16 Sir William Mitchell Ramsay was a British archaeologist and New Testament scholar Initially he was one of the biggest Bible critics of his day However after decades of research by his death in 1939 he had become the foremost authority of his day on the history of Asia Minor and a leading scholar in the study of the New Testament as well as the advocate for the trustworthiness of the New Testament There were many Bible critics of the early 19th century like there are today who questioned Luke s accuracy as a historian Furthermore they maintained that the history in Acts was merely invented in the middle of the second century A D The author of this book the British archaeologist and Bible scholar Sir William Mitchell Ramsay was one who believed these things But after a lengthy investigation of the names and places mentioned by Luke he declared It was gradually borne in upon me that in various details the narrative showed marvelous truth This classic defense of the book of Acts was again written by a scholar whose initial motivation was to disprove Luke s authorship After many years of research into the internal evidence of Luke s books he became one of the greatest advocates for the authenticity and accuracy of Luke s accounts We have taken some liberties with Ramsay s book in that we tweaked the title We updated his archaic English and changed the UK English to US English We have added many Bible background chapters and an appendix that we now consider this book a 12th edition I am most certain that Ramsay

would not mind the enhancements that we have made that have made a great book and even better book that can grow the faith of its readers **THE 1946 PROJECT** Edward D. Andrews,2021-10-28 The claim is that in 1946 theology history culture and politics led to a biblical mistranslation of catastrophic proportions Supposedly the 1946 movie is a revolutionary documentary that chronicles how the misuse of a single word in 1 Corinthians 6 9 changed the course of modern history The 1946 Movie says that their research was a journey which unveils the mystery of how theology history culture and politics led to a Biblical mistranslation the man who tried to stop it and the impassioned academic crusade of the LGBTQIA Christian community driven to discover the truth More than 45 000 churches today still preach that homosexuality is a sin citing biblical references that condemn homosexuals 1946 Movie asks What would change if churches discovered the truth the word homosexual was added to the Bible in 1946 by mistake Was it added by mistake Andrews author of 170 books in THE 1946 PROJECT will investigate this claim and see if the filmmakers discovered the truth or created their own truth

Andrews,2015-11-15 Inside of some Christians unbeknownst to their family friends or congregation they are screaming I doubt I doubt I have very grave doubts OURS is an age of doubt Skepticism has become fashionable We are urged to question everything especially the existence of God and the truthfulness of his Word the Bible A half brother of Jesus warned us against doubting the one who doubts is like a wave of the sea that is driven and tossed by the wind Jam 1 6 When insidious doubts begin to creep into the mind and the heart it is only a matter of time before a CRISIS OF FAITH gives way spiritual shipwreck Since we have been warned that some will fall away from the faith we should be ready to save some even ourselves In CRISIS OF FAITH Edward D Andrews guides us in one can be restored to the faith through an accurate knowledge that gives the facts on which to rebuild one s faith Confidence can be restored in this world beset by doubts We can help ourselves or others once again to make the Word of God their own CRISIS IN FAITH assures us that the Bible truly is from God Those who have doubts need to have their questions answered and this book will fill the need for honest hearted persons who sincerely want to know ***BIBLE DIFFICULTIES Genesis*** Edward D.
