PTSD but in the initial aftermath of World War II the modern language of war trauma did not exist The film earned the producer Samuel Goldwyn his only Best Picture Academy Award It offered the injured director William Wyler a triumphant postwar return to Hollywood And for Harold Russell a double amputee who costarred with Fredric March and Dana Andrews the film provided a surprising second act Award winning author Alison Macor illuminates the film s journey from script to screen and describes how this authentic motion picture moved audiences worldwide General Omar Bradley believed The Best Years of Our Lives would help the American people to build an even better democracy following the war and the movie inspired broad reflection on reintegrating the walking wounded But the film s nuanced critique of American ideals also made it a target and the picture and its creators were swept up in the anti Communist witch hunts of the late 1940s In this authoritative history Macor chronicles the making and meaning of a film that changed America [A Rose for Mrs. Miniver](#) Michael Troyan,2010-09-12 In this first ever biography of Greer Garson Michael Troyan sweeps away the many myths that even today veil her life The true origins of her birth her fairy tale discovery in Hollywood and her career struggles at Metro Goldwyn Mayer are revealed for the first time Garson combined an everywoman quality with grace charm and refinement She won the Academy Award in 1941 for her role in Mrs Miniver and for the next decade she reigned as the queen of MGM Co star Christopher Plummer remembered Here was a siren who had depth strength dignity and humor who could inspire great trust suggest deep intellect and whose misty languorous eyes melted your heart away Garson earned a total of seven Academy Award nominations for Best Actress and fourteen of her films premiered at Radio City Music Hall playing for a total of eighty four weeks a record never equaled by any other actress She was a central figure in the golden age of the studios working with legendary performers Clark Gable Marlon Brando Elizabeth Taylor Errol Flynn Joan Crawford Robert Mitchum Debbie Reynolds and Walter Pidgeon Garson s experiences offer a fascinating glimpse at the studio system in the years when stars were closely linked to a particular studio and moguls such as L B Mayer broke or made careers With the benefit of exclusive access to studio production files personal letters and diaries and the cooperation of her family Troyan explores the triumphs and tragedies of her personal life a story more colorful than any role she played on screen **The Woman's Film of the 1940s** Alison L. McKee,2014-04-03 This book explores the relationship among gender desire and narrative in 1940s woman s films which negotiate the terrain between public history and private experience The woman s film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous spectatorship and mode of

interpretation in the 1940s woman s film **Summer** Hugh Leonard,1979 **The Ring of Truth** Wendy Doniger,2017-04-03 Why are sex and jewelry particularly rings so often connected Why do rings continually appear in stories about marriage and adultery love and betrayal loss and recovery identity and masquerade What is the mythology that makes finger rings symbols of true or as the case may be untrue love The cross cultural distribution of the mythology of sexual rings is impressive from ancient India and Greece through the Arab world to Shakespeare Marie Antoinette Wagner nineteenth century novels Hollywood and the De Beers advertising campaign that gave us the expression A Diamond is Forever Each chapter of The Ring of Truth like a charm on a charm bracelet considers a different constellation of stories stories about rings lost and found in fish forgetful husbands and clever wives treacherous royal necklaces fake jewelry and real women modern women s revolt against the hegemony of jewelry and the clash between common sense and conventional narratives about rings Herein lie signet rings betrothal rings and magic rings of invisibility or memory The stories are linked by a common set of meanings such as love symbolized by the circular and unbroken shape of the ring infinite constant eternal a meaning that the stories often prove tragically false While most of the rings in the stories originally belonged to men or were given to women by men Wendy Doniger shows that it is the women who are important in these stories as they are the ones who put the jewelry to work in the plots **Show People** Michael Newton,2019-09-15 Show People offers a comprehensive history of the idea of the film star from Mary Pickford to Andy Serkis traversing more than one hundred years and drawing on examples from America Britain Europe and Asia Renowned film writer Michael Newton explores our enduring love affair with fame glamour and the cinematic image Newton builds up an expansive picture of movie stardom through explorations of striking and diverse figures such as Ingrid Bergman and John Wayne Anna Karina and Sidney Poitier Maggie Cheung and Raj Kapoor He celebrates the great performers of the past and he looks forward to developments in the future while also illuminating the inner workings of the movie industry and what moves us in a film and in an actor s performance An encyclopedic illustrated history of film idols ready for their close ups Show People is ultimately a book about cinephilia the love of cinema and our complex connection to that celebrated and beleaguered figure the movie star **The Woman Who Pretended to Be Who She Was** Wendy Doniger,2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve

marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition *Not All Were Heroes: A Private in the Corps of Engineers in the Pacific During World War II* Herbert L.
