A new preface introduces the reader to this edition and discusses content that has been newly incorporated. Influential writers and editors rely on Garner's Dictionary of Legal Usage daily. It is an essential resource for practicing lawyers, legal scholars, and libraries of all sizes and types, functioning as both a style guide and a law dictionary, guiding writers to distinguish between true terms of law and mere jargon and illustrating recommended forms of expression. Common blunders are discussed in ways that will discourage writers from any further use. The origins of frequently used expressions are described with engaging prose.
