important part of keeping this knowledge alive and relevant **Electing the Senate** Wendy J. Schiller, Charles Stewart, 2014-12-21 How U S senators were chosen prior to the Seventeenth Amendment and the consequences of Constitutional reform From 1789 to 1913 U S senators were not directly elected by the people instead the Constitution mandated that they be chosen by state legislators This radically changed in 1913 when the Seventeenth Amendment to the Constitution was ratified giving the public a direct vote Electing the Senate investigates the electoral connections among constituents state legislators political parties and U S senators during the age of indirect elections Wendy Schiller and Charles Stewart find that even though parties controlled the partisan affiliation of the winning candidate for Senate they had much less control over the universe of candidates who competed for votes in Senate elections and the parties did not always succeed in resolving internal conflict among their rank and file Party politics money and personal ambition dominated the election process in a system originally designed to insulate the Senate from public pressure Electing the Senate uses an original data set of all the roll call votes cast by state legislators for U S senators from 1871 to 1913 and all state legislators who served during this time Newspaper and biographical accounts uncover vivid stories of the political maneuvering corruption and partisanship played out by elite political actors from elected officials to party machine bosses to wealthy business owners that dominated the indirect Senate elections process Electing the Senate raises important questions about the effectiveness of Constitutional reforms such as the Seventeenth Amendment that promised to produce a more responsive and accountable government **David McCullough American Presidents E-Book Box Set** David

McCullough, 2011-05-24 From America s most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough s award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages **The Publishers Weekly** , 1911 *American Queen* John Oller, 2014-10-28 The

tumultuous and passionate life of a remarkable woman born ahead of her time *Affairs of State* Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long

history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here

[The Gentleman Boss](#) Thomas Reeves, 2013-04-03 Chet Arthur President of the United States Good God was perhaps the most pithy contemporary reaction to the accession of the twenty first Chief Executive It has certainly been the most enduring even though Arthur himself has remained an enigma in large part because this shrewd secretive New Yorker saw to it that many of his private papers were destroyed shortly before he died Drawing on a wealth of newly discovered documents Thomas Reeves has now written the definitive full scale biography of Arthur revising our inconsistent assumptions about both him and his era He gives us for the first time the unknown facts about Arthur's early life how before he entered the boss dominated Republican Party under the tutelage of men like the notorious Roscoe Conkling this son of an itinerant minister was a model of nineteenth century youthful idealism first as a beloved schoolteacher then as a young lawyer directly involved in the abolitionist struggle and finally as a conscientious and honest Quartermaster General for New York during the Civil War Reeves assiduously plots Arthur's consistently successful career as a master dealer in patronage and electioneering as a survivor among connivers a career that culminated in his nomination as James Garfield's Vice President and when Garfield was assassinated his own White House inauguration in spite of the great scandal attending his removal from the directorship of the New York Customhouse and the revelation that Garfield's assassin claimed to be an Arthur supporter As Reeves makes abundantly clear this spoilsman supreme who personified the worst gaudy excesses of the Gilded Age administered the laws of the land honorably and even disinterestedly to the chagrin of his fellow bosses and henchmen Attacked by both Republican friends the Stalwarts and Republican foes the Half Breeds and weakened by the fatal Bright's disease a fact that was only made public by Reeves himself in 1972 Arthur worked to eliminate extravagant government expenditures enacted and enforced civil service reform thus undermining the basis of his own public life assisted in the birth of a modern navy and initiated an aggressive expansionist foreign policy that set precedents for later administrations Above all Reeves concludes Arthur provided calm and reassurance to a nation shocked by Garfield's murder and beset by recurrent economic depression Beyond its illuminating portrait of the life and fortunes of Chester Alan Arthur

Gentleman Boss gives a telling account of the politics and politicians that shaped Arthur's world the corruption of the Grant Hayes and Garfield administrations as well as Arthur's own the civil service reform movement the internal wars fought within the GOP and the government between the factions led by the vain caustic and arrogant Roscoe Conkling and his unrelenting competitor for office and plunder James G Blaine the Plumed Knight from Maine a world where men manipulated plotted and stole for power and prestige and the riches that bought both

Eleanor Roosevelt Keri F. Dearborn, 2022-06-30 Using her own words personal documents past perspectives and new biographical research this book introduces readers to this American influencer within her own historical context Explore the intimate story of a real woman who struggled with a lack of self confidence but built a supportive network of like minded activist women to realize change Roosevelt was drawn into politics and public service by events that seem ripped from contemporary events an opiate crisis a global pandemic unsafe working conditions for immigrant women and the human costs of war Roosevelt's story mirrors the challenges of the 21st century and offers real examples of how change is possible For students of history politics and women's studies this book brings together past perspectives with new biographical scholarship primary resources and Roosevelt's own words to understand the female role models who shaped her and how Roosevelt in turn built a women's network of friends and activists that changed U S politics and society

The Republican National Convention of 1880 Willa Jean Gray, 1922

Bulletin of the Lynn Free Public Library Lynn Free Public Library (Lynn, Mass.), 1913

The Unexpected President Scott S. Greenberger, 2017-09-12 Vibrant narrative and fetching personal profiles transform a biography about a overlooked political figure into an unexpectedly gratifying read New York Times When President James Garfield was shot in 1881 nobody expected Vice President Chester A Arthur to become a strong and effective president a courageous anti corruption reformer and an early civil rights advocate For years Arthur had been perceived as unfit to govern not only by critics and the vast majority of his fellow citizens but by his own conscience As President James A Garfield struggled for his life Arthur knew better than his detractors that he failed to meet the high standard a president must uphold And yet from the moment President Arthur took office he proved to be not just honest but brave going up against the very forces that had controlled him for decades He surprised everyone and gained many enemies when he swept house and took on corruption civil rights for blacks and issues of land for Native Americans A mysterious young woman deserves much of the credit for Arthur's remarkable transformation Julia Sand a bedridden New Yorker wrote Arthur nearly two dozen letters urging him to put country over party to find the spark of true nobility that lay within him At a time when women were barred from political life Sand's letters inspired Arthur to transcend his checkered past and changed the course of American history This beautifully written biography tells the dramatic untold story of a virtually forgotten American president An entertaining illuminating biography Wall Street Journal Greenberger convincingly presents a machine politician transformed by the responsibility of high office Boston Globe

The Millicent Library Bulletin Millicent Library, 1910

The Millicent Library Bulletin

,1902 **Book Bulletin** Chicago Public Library,1912 *The Bookman* ,1912 **The Cumulative Book Index** ,1912 A world list of books in the English language *The National Party Chairmen and Committees* Andrew Goldman,2019-06-19
This study traces the history of the national committee chairmanships of the two major political parties in the United States emphasizing the national conventions and presidential campaigns where national factions often reveal themselves Candidate and ideological factionalism as the evidence of this volume demonstrates has been the principal engine of convention action Factional conflicts have had consequences not just for the political parties but for the party system itself The institutional history of the two national committees and their chairmanships reveals a previously unrecorded aspect of United States national party development

Thank you unconditionally much for downloading **Random Recollections Of An Old Political Reporter**. Maybe you have knowledge that, people have look numerous time for their favorite books gone this Random Recollections Of An Old Political Reporter, but stop in the works in harmful downloads.

Rather than enjoying a good book in the manner of a mug of coffee in the afternoon, otherwise they juggled bearing in mind some harmful virus inside their computer. **Random Recollections Of An Old Political Reporter** is friendly in our digital library an online access to it is set as public so you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency period to download any of our books taking into account this one. Merely said, the Random Recollections Of An Old Political Reporter is universally compatible like any devices to read.
