The Walk of the Cross Robert Makrush,2020-01-14 *The Walk of the Cross* is a Lenten study designed to help Christians search their hearts and souls as well as rededicate themselves to be faithful Disciples of Christ It is a daily devotional which examines fundamental Biblical beliefs in context with several scriptures each day Daily readings are followed by questions for reflection and journaling Jesus used this method of rabbinic teaching when he asked questions of His disciples such as Who do you say believe I am Why do you call me good or To what shall I compare the Kingdom of God Journaling scripture reading and Spirit led prayers form the foundation of this personal study as we consider what we really believe concerning issues such as God's calling grace salvation sanctification and regeneration The process allows the Holy Spirit to confront false beliefs as well as alleviate areas of doubt in our faith As for those that may be asking what difference it makes how one believes professionals have long known that our beliefs especially those concerning morals ethics and religion control how we think feel and behave Our beliefs do this by coming together to form attitudes and prejudices concerning who we are and the world around us Because our belief systems work with a high degree of automation they can be easily influenced and even corrupted by the culture of the world Therefore we should always actively consider what and how we believe under the guidance of the Spirit Christians have traditionally used the forty days prior to Easter known as Lent as a time to rededicate ourselves to the imitation of Christ Some of us abstain from pleasurable things such as chocolate or TV in an attempt to

purify ourselves from worldly desires Others prefer to add some additional religious aspect to our lives like a Lenten devotional additional prayer time or some worthy church social function Whether we abstain or add there is a conscious effort to revive our Christian discipleship by identifying with Christ s teaching and journey of passion for our salvation Doing these activities in small groups makes this also a time to renew fellowship within church *Iamblichus and the Foundations of Late Platonism* Eugene Afonasin, John M. Dillon, John Finamore, 2012-05-25 Drawing on recent scholarship and delving systematically into Iamblichean texts these ten papers establish Iamblichus as the great innovator of Neoplatonic philosophy who broadened its appeal for future generations of philosophers *In Extremis* David Ainsworth, 2019-09-13 In 2035 as the nation slides into economic collapse caused by a perfect storm of oil scarcity and cyber warfare a U S Marine officer and his journalist ex wife are drawn into international intrigue involving the People s Republic of China a rogue element in the U S national security apparatus and a mentally unstable oil state Senator running for President Vincent and Grace Long are actors in a chaotic frightening and ultimately life affirming odyssey of collapse adaptation and survival The reader will be startled to find the country and the world in the dystopian condition characterized in this novel especially since the story takes place a mere two decades into the future Yet an ever increasing global population accelerates exhaustion of the energy resources needed for survival even as climate change compounds scarcity Onset of the crisis occurs when America and the industrialized world hit peak oil and demand exceeds terminally declining supply something that will occur sooner than you think *Random Acts of Kindness Then & Now* The Editors of the Conari Press, 2013-02-01 The original bestseller that inspired a movement plus new stories and wisdom from people whose lives it has changed More than twenty five years ago Conari Press published *Random Acts of Kindness* and launched a simple movement of people being kind to one another in their daily lives Now the editors of Conari Press have compiled *Random Acts of Kindness Then and Now* which includes the original book along with new material sourced from Facebook Twitter and various other social networks It combines the best of twenty first century crowd sourced wisdom with the best of twentieth century social activism The inspiration for the kindness movement *Random Acts of Kindness* is an antidote for a weary world Its true stories thoughtful quotations and suggestions for generosity inspire readers to live more compassionately in this beautiful new edition The original *Random Acts of Kindness* was named a Best Bet for Educators in 2000 by USA Today This expanded edition can help a whole new generation of readers restore their faith in humanity *The Gospel Comes with a House Key* Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God s tools for the

furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like **Small Surrenders** Emilie Griffin,2009-02-01 Griffin is a trustworthy guide She writes with the unmistakable authenticity and authority of a woman steeped in prayer America Join Emilie Griffin in this daily companion for the Lenten journey Using ancient and modern texts as inspiration for her own reflections Emilie Griffin nurtures and guides us into a deeper knowledge of ourselves and God We discover that Lent is our chance for a fresh start and an opportunity to joyfully put ourselves in God s hands Lent is a time when we deepen our faith in a journey not of grand gestures but of small surrenders We are converted not only once in our lives but many times and the conversion is little by little and often imperceptible But Lent gives us a time to move the process along intentionally by a series of small surrenders When we choose some exercise for Lent daily worship daily prayer abstinence from one thing or another it is not so much the practice that transforms us but it is our willingness to change from Small Surrenders *An Ideal for Living* Marshall Moore,2010 Grace White and her brother Robert both overweight and affluent are desperate to hang onto their respective love interests The only solution Losing those excess pounds by any means necessary And when James finds a supernatural healer who can sculpt living flesh like clay beautiful ugliness ensues

The Freedom to Choose Life Scott W. Gustafson, 2024-05-28 In *The Brothers Karamazov* Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world's evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus name that opens the future to new possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky's unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death dealing power that undermines our cultures our communities and our ministries *The Freedom to Choose Life* shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity's unconfessed sins
