Randy Hayes Randy Hayes,1985 **Boats and Boating on Cranberry Lake** Allen P. Splete,Cranberry Lake Boat Club,2009 Boats and Boating on Cranberry Lake portrays the evolution of boating life on a lake that was barely known until the late 19th century Illustrated here are some of the lake s earliest guide boats and canoes workboats and steamers and early motor launches that brought visitors from the dock at Wanakena to hotels around the lake In the summer of 1909 a few men who regularly spent the season on Cranberry Lake organized a motorboat club to promote the sport of power boating improve boating conditions on the lake and have some fun Today the Cranberry Lake Boat Club with 400 memberships is thought to be the oldest such continuously active club in the western Adirondacks The club will celebrate its centennial in 2009 with a summer of activities related to boats and boating on the lake **AskART.com: Randy Hayes** , AskART com presents a biographical sketch of American artist Randy Hayes 1944 Additional information for Hayes includes a bibliography of publications about the artist museum holdings current exhibits etc Auction records including highest prices are available only to AskART members *Randy Hayes* Randy Hayes,Charles Muir Lovell,Tacoma Art Museum,1987 *CASAPEE* Aaron H. Foster,2017-11-30 Follow Chuck Braxton who after losing his murdered family travels west to find a new life Not until his chance encounter with a lovely widowed ranch owner does his path begin to become clear Can they rebuild the rundown Wheaton Ranch while helping each other to restore their lives *Land Preservation* A. W. Buckey,2024-08-01 Around the world many ecosystems on land are being affected by climate change and they often have difficulty recovering from the overuse of their resources This title examines the history of using and preserving land around the world as well as some of the greatest threats different environments face today It also looks at steps being taken to protect vulnerable ecosystems ways in which activists have taken action to preserve land and how everyday people can get involved Features include a glossary references websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *Eco-Warriors* Rik Scarce,2016-06-16 Eco Warriors was the first in depth look at the people actions history and philosophies behind the radical environmental movement Focusing on the work of Earth First the Sea Shepherds Greenpeace and the Animal Liberation Front among others Rik Scarce told exciting and sometimes frightening tales of front line warriors defending an Earth they see as being in environmental peril While continuing to study these movements as a Ph D student Scarce was jailed for contempt of court for refusing to divulge his sources to prosecutors eager to thwart these groups activities In this updated edition Scarce brings the trajectory of this movement up to date including material on the Earth Liberation Front and provides current resources for all who wish to learn more about one of the most dynamic and confrontational political movements of our time Literate captivating and informative this is also an ideal volume for classes on environmentalism social movements or contemporary

politics *Tree Spiker* Mike Roselle, Josh Mahan, 2009-09-29 Lauded by some despised by others Mike Roselle is one of the most controversial figures in the crusade to protect the environment Mike has succeeded in stopping a lumber project by spiking trees struggled with death threats and the car bombing of fellow activist Judi Bari endured countless days in jail infiltrated the Nevada Test Site to delay nuclear bomb detonation helped put a gas mask on Mount Rushmore's George Washington and aided actor Woody Harelson in draping a banner up on the Golden Gate Bridge He has spent over thirty years fighting back against big business negligent management and the lawless actions of the government itself for the safety and preservation of our great earth *Tree Spiker* From Earth First to Lowbagging My Struggles in Radical Environmental Action is a fascinating autobiography from the front lines of a radical movement *In a Dark Wood* Alston Chase, 2017-07-12 In a Dark Wood presents a history of debates among ecologists over what constitutes good forestry and a critique of the ecological reasoning behind contemporary strategies of preservation including the Endangered Species Act Chase argues that these strategies in many instances adopted for political rather than scientific reasons fail to promote biological diversity and may actually harm more creatures than they help At the same time Chase offers examples of conservation strategies that work but which are deemed politically incorrect and ignored In a Dark Wood provides the most thoughtful and complete account yet written of radical environmentalism And it challenges the fundamental but largely unexamined assumptions of preservationism such as those concerning whether there is a balance of nature whether all branches of ecology are really science and whether ecosystems exist In his new introduction Chase evaluates the response to his book and reports on recent developments in environmental science policy and politics In a Dark Wood was judged by a recent national poll to be one of the one hundred best nonfiction books written in the English language during the twentieth century A smashing good read this book will be of interest to environmentalists ecologists philosophers biologists and bio ethicists and anyone concerned about ecological issues *Losing Ground* Mark Dowie, 1995 Traces the history of the environmental movement from its beginnings as private clubs to the activism of the 1960s and 1970s to the corporate sellout of the 1990s Unveils the stories behind American environmentalism's undeniable triumphs and its quite unnecessary failures **The Age of Ecology** David Cayley, 1991 Based on interviews conducted for CBC Radio's Ideas this book draws together an international selection of environmental experts scientists philosophers and activists who discuss ecology with David Cayley Focusing on the tension between economic development strategies and ecological concerns about the environment the book draws on writers and experiences in developed nations as well as the Third World The discussions investigate deep ecology the consequences of environmental degradation the philosophy of environmentalism and the shortcomings of development The Age of Ecology is an intimate and engaging review of the varieties of contemporary ecological experience **The Crisis**, 1991-04 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of

color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

The Small-Mart Revolution Michael H Shuman, 2007-08-20 Defenders of massive multinational chains like Wal Mart and Fortune 500 big business argue that like it or not there is no alternative Their huge scale and international reach they claim make them more efficient and profitable better able to deliver value and an uncontested boon for the job market According to the big boys locally owned small businesses are simply quaint remnants of the past unable to compete in the global economy But in em The Small Mart Revolution Michael Shuman shows that the benefits these mega stores and huge corporations supposedly deliver to communities are illusory Crunch the numbers and you ll find that locally owned businesses turn out to be much more reliable generators of good jobs economic growth tax dollars community wealth charitable contributions social stability and political participation Unlike their global competitors they do this without massive tax breaks and subsidies that

often put local economies in a permanent hole Plus contrary to popular belief local businesses are competitive with the multinationals and gaining ground every day Shuman highlights numerous trends that are making the old bigger is better economies of scale argument obsolete and he describes a variety of innovative strategies these businesses are using to successfully compete with their over sized competitors He also shows how consumers investors and policymakers can support their own communities by going local The Small Mart Revolution offers a robust alternative to go go globalization one that nurtures the creative capacities of local businesses and enables communities everywhere to thrive SR
