Teacher's Pet Judy Katschke, 2017-07-11 A back to school assignment has Willa scrambling in this seventh book of a chapter book series inspired by Marguerite Henry's *Misty of Chincoteague*. Willa just started school again and everyone in her class has come up with clever ideas for their back to school projects. Even her best friends Lena and Sarah are preparing something different: a Double Dutch demonstration. At first Willa thinks her father's fabulous raspberry torte will be perfect, but at the last minute the raspberries don't cooperate. Just in the nick of time she realizes the best idea is in her own barnyard: Starbuck. She'll show her class how to groom him, something she's an expert at. *Randy, Teacher's Pet* Joe Leslie, 1990-10-01

The Struggle Is Everything Casey Hennessy, 2006-12-01 When Darci and Walter Colten and their ten-year-old son David moved to their new home, they expected adjustments, but becoming guardians for a troubled child was not one of them. As the ugly circumstances behind Randy's behavior came to light, it was a test of Herculean wills, strategy, and finely tuned manipulation to save Randy's life. Walter Colten's unusual team pieced together the boy's escape. The long shot

paid off but it was only a temporary fix Ultimately a little nun with the heart of a lion stood between Randy and his past as it raged forward to consume him Only one of the combatants survived Only her indomitable will allowed Randy to become a member of the Colten family The vast differences in the boys personalities lead them in different directions Randy having been the victim of the legal system went into law with a vengeance David s years of hockey hockey and more hockey paid off with an NHL contract But ultimately their futures again became entwined as they realized that David had the makings of a brilliant politician and Randy his brilliant strategist Together they set their sights on the governor s house The brothers philosophy was to represent the people but their father strongly warned of the dangers of fighting the powers that be The brash young men summarily dismissed these warnings However as their struggling campaign gathered the momentum of a freight train the ugly predictions were coming true The stakes were too high to let the brothers take control It became more and more apparent that something had to be done about the Coltens In the final minutes would anyone hear Randy s prayer
