Range Of Reality The The Secret Of Ufos:

Range of Reality Ray Holm, Dawn Herrell-Holm, 2016-02-07 Range of Reality Ray Holm and Dawn Herrell Holm Do you believe in UFO s or Extraterrestrial Beings Ray Holm didn t believe until he began experiencing the feeling of a ghostly presence nearby One day the presence turned into a Voice and the voice revealed that Ray was chosen to perform a mission The voice told Ray that his mission would be revealed after specific events occurred Soon the events began to happen and Ray was urged to drive to Nevada for a face to face meeting with an Alien where he would learn why he was chosen Ray Holm was born in Silverton Oregon and was raised in logging farming and ranching communities He holds a Juris Doctorate and has worked in Aerospace and Petrochemical industries In addition he has been involved in several real estate development projects He has studied the Bible Metallurgy Psychology and Astronomy along with extensive research into UFO s Extraterrestrial Phenomena and Religions He is a 32nd Degree Mason He lives with his wife Dawn who is in Eastern Star and their son Dustin who is in DeMolay *Ufo'S (The Reality)* William Calderwood, 2015-04-10 The subject of UFOs I believe is one of the most important subjects there is because of its implications If an alien craft under intelligent control can shut down our nuclear missile systems which is a national security issue it has to be an important subject My interest began while in the service on a destroyer off the Korean coast when I heard that in the fall of 1951 a UFO was observed circling the task force and was picked up on 14 radars in the task force that began my interest in UFOs and have remained with me ever since After returning from the service I later had the opportunity to work for Boeing aero space on the Saturn V moon rocket worked at Michoud La 15 miles out of New Orleans Had a classified clearance while working there One night while lounging by the pool I was looking for the trail of a satellite going overhead when I noticed one of the stars by the big dipper started to move it traveled from the right side of the dipper to about the same distance on the left side and stopped After about two minutes it slowly faded away knowing about space and that an object must travel at 17 000 miles an hour to remain in space or gravity would pull it down to earth it had to be a UFO After two and a half years at Michoud Boeing opened a new branch at Cape Kennedy Florida and I put in for a transfer there was accepted and worked in system interface control received a secret clearance while at the cape During the time I sat in on two lectures of UFOs the first was by Maj Keyhoe at the Marriott hotel in Coco Beach there was standing room only and he waved some documents and said UFOs were nuts bolts machines and were real objects The other lecture was at Patrick AFB next to where I lived at Satellite Beach The first half of his presentation was a slide show showing the most ridiculous UFOs imaginable an air force presentation The last half was his own personal experience when flying a cargo plane from a southern state to Washington D C A bright yellow UFO came His plane and followed him all the way to Washington D C after I left Boeing and came back home I turned on the TV to watch a new series called project blue book and it was directed by retired col Coleman Once hooked the subject stays with you for life *Secrets of Ufo Technology* Kenneth W. Behrendt, 2007-03-01 In *Secrets of UFO Technology* Kenneth W

Behrendt author of *The Physics of the Paranormal* reveals some of the conclusions he reached concerning the UFO phenomenon after decades of intensive research The result is a unique treatment of the subject that is far in advance of what has been generally available to date After learning how an extraterrestrial craft negates its normal mass and weight to achieve gravity free inertialess flight you ll be ready to take inspection tours of a typical flying saucer and mother ship During your journey of discovery you ll also learn how UFOs stall automobiles how alien craft and their crews can become invisible how ufonauts levitate themselves for independent flight outside of their craft and all about the shocking details behind the cattle mutilation cases *Secrets of UFO Technology* is a profusely illustrated work that truly has the potential to revolutionize the science of ufology

Multi-Paradox of Reality Peter J Miele, Attention All Truth Seekers The urge to know our origin has never been greater and the secrets of humanity s past are ready to be revealed Peter J Miele pulls back the veil with this insightful depiction of our extraterrestrial ancestry and the decisive events that have formed our world today Cutting through all myth mysticism confusion and allegory to expose the raw truth Peter has personally traveled to the most remote temples on the Indian continent and around the world to bring you this Ancient Wisdom once thought lost This book is as much practical as it is spiritual guiding the reader through a detailed history of humanities bizarre beginnings influenced by a cabal of morally questionable beings from the sixth dimension of the Capricorn constellation Today even NASA has begun to study the astrophysical knowledge of the Vedas uncovering the universal truths hidden within the text How is it that a book thought to be several thousands of years old can contain exact scientific data that surpasses the forefront of our own modern age Who were these strange beings thought to be immortals that appear time and time again throughout the myths and legends of old Dare to study these mysteries and find out why the truth is far stranger than fiction *The Myth and Mystery of UFOs* Thomas E. Bullard,2016-10-17 When United Airlines workers reported a UFO at O Hare Airport in November 2006 it was met with the typical denials and hush up that usually accompany such sightings But when a related story broke the record for hits at the Chicago Tribune s website it was clear that such unexplained objects continued to occupy the minds of fascinated readers Why wonders Thomas Bullard don t such persistent sightings command more urgent attention from scientists scholars and mainstream journalists The answer in part lies in Bullard s wide ranging magisterial survey of the mysterious frustrating and ever evolving phenomenon that refuses to go away and our collective efforts to understand it In his

trailblazing book Bullard views those efforts through the lens of mythmaking discovering what UFO accounts tell us about ourselves our beliefs and the possibility of visitors from beyond Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien and how it views relentless official denial as a part of conspiracy to hide the truth He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make sense of such phenomena and our place in the cosmos Bullard s book takes in the whole spectrum of speculations on alien visitations and abductions magically advanced technologies governmental conspiracies varieties of religious salvation apocalyptic fears and other paranormal experiences Along the way Bullard investigates how UFOs have inspired books movies and television series blurred the boundaries between science science fiction and religion and crowded the Internet with websites and discussion groups From the patches of this crazy quilt he posits evidence that a genuine phenomenon seems to exist outside the myth Enormously erudite and endlessly engaging Bullard s study is a sky watcher s guide to the studies stories and debates that this elusive subject has inspired It shows that despite all the competing interests and errors clouding the subject there is substance beneath the clutter a genuinely mysterious phenomenon that deserves attention as more than a myth

Swords,2012 Governments around the world have had to deal with the UFO phenomenon for a good part of a century How and why they did so is the subject of *UFOs and Government* a history that for the first time tells the story from the perspective of the governments themselves It s a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years The story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the UFO problem internally Those approaches were not taken lightly In fact they were considered matters of national security At the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality And it explains why one government the United States government deemed it wise and perhaps even necessary to treat it so Though the book focuses primarily on the U S government s response to the UFO phenomenon also included is the treatment of the subject by the governments of Sweden Australia France Spain and other countries This large format fully illustrated book is the result of a team effort that called itself The UFO History Group a collection of veteran UFO historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical

scholarship on government response to the UFO phenomenon Michael Swords was the primary author of the United States chapters The work was coordinated and edited by Robert Powell Clas Svahn Vicente Juan Ballester Olmos Bill Chalker and Robert Powell contributed country chapters Jan Aldrich was the primary content consultant with additional content consultation and writing coming from Barry Greenwood and Richard Thieme Steve Purcell was the primary photo illustration editor From the foreword by Jerome Clark While UFOs and Government revisits an often unhappy history the reading of it is far from an unhappy experience The authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official UFO history in many years Most of the current volume deals with U S military and intelligence responses to the UFO phenomenon but it also features richly informative chapters that expand the story across the international arena If you re looking for an example of a nation that dealt productively with the UFO reports that came its official way you will take heart in the chapter on the French projects From here on every responsible treatment of UFOs and government will have to cite UFOs and Government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century I expect to keep my copy close at hand and to return to it often While it cannot be said of many books UFO themed or otherwise this is among the essential ones Stray from it at your peril
