Range Rover:

Range Rover First Generation James Taylor, 2018-04-23 The Range Rover's designers intended it to be a more comfortable and road friendly passenger carrying Land Rover but customers quickly saw something much more in it. During the 1970s while its immense practicality and capability were appreciated and acknowledged a Range Rover became a sought after and prestigious possession. It went on to change the face of Land Rover for ever. **Range Rover First Generation The Complete Story** delves into the real story of the Range Rover examining what lay behind the multiple changes in its twenty six years of production. The book covers the full development story custom and utility conversions Range Rovers for the US market full technical specifications and Range Rovers assembled overseas. If ever a car deserved the over used epithet iconic the first generation Range Rover is it. The book provides an insight into the little known difficulties and problems that were so well concealed by the Range Rover's makers and is a must read for all Range Rover and Land Rover enthusiasts. Superbly illustrated with 223 colour and 97 black white photographs. **Popular Mechanics**, 1987-09 **Popular Mechanics** inspires instructs and influences readers to help them master the modern world.
