Rank File The Common Soldier At Peace:

All for the King's Shilling Edward J Coss,2012-10-11 The British troops who fought so successfully under the Duke of Wellington during his Peninsular Campaign against Napoleon have long been branded by the duke's own words scum of the earth and assumed to have been society's ne'er-do-wells or criminals who enlisted to escape justice Now Edward J Coss shows to the contrary that most of these redcoats were respectable laborers and tradesmen and that it was mainly their working class status that prompted the duke's derision Driven into the army by unemployment in the wake of Britain's industrial revolution they confronted wartime hardship with ethical values and became formidable soldiers in the bargain These men depended on the king's shilling for survival yet pay was erratic and provisions were scant Fed worse even than sixteenth century Spanish galley slaves they often marched for days without adequate food and if during the campaign they did steal from Portuguese and Spanish civilians the theft was attributable not to any criminal leanings but to hunger and the paltry rations provided by the army Coss draws on a comprehensive database on British soldiers as well as first person accounts of Peninsular War participants to offer a better understanding of their backgrounds and daily lives He describes how these neglected and abused soldiers came to rely increasingly on the emotional and physical support of comrades and developed their own moral and behavioral code Their cohesiveness Coss argues was a major factor in their legendary triumphs over Napoleon's battle hardened troops The first work to closely examine the social composition of Wellington's rank and file through the lens of military psychology *All for the King's Shilling* transcends the Napoleonic battlefield to help explain the motivation and behavior of all soldiers under the stress of combat *The Volunteer Army* US Army Military History Research Collection,John Slonaker,1972 **Hungary** Gyula Vargha,1911 *War and Peace* Leo Tolstoy,2015-12-31 This is the official tie in edition to the BBC adaptation of *War and Peace* with an exclusive introduction written by Andrew Davies Tolstoy's beguiling masterpiece entwines love death and determinism with Russia's war with Napoleon and its effects on those swept up by the terror it brings The lives of Pierre Prince Andrei and Natasha are changed forever as conflict rages throughout the early nineteenth century Following the rise and fall of some of society's most influential families this truthful and poignant epic is as relevant today as ever This six part adaptation has been written by Bafta winning author Andrew Davies and will be directed by Tom Harper *Peaky Blinders* *The Scouting Book for Boys* *Woman in Black* *Angel of Death* Accompanied by a stellar cast including Paul Dano *12 Years a Slave* *Prisoners* *There Will Be Blood* as the idealistic Pierre James Norton *Happy Valley* Belle Grantchester as the ambitious Prince Andrei and Lily James *Cinderella* *Downton Abbey* as the impulsive beauty Natasha It also features the legendary Jim Broadbent *Moulin Rouge* *Harry Potter* Longford Gillian Anderson *The Fall* *The X Files* Greta Scacchi *White Mischief* *Presumed Innocent* and many more *Parliamentary Debates (Hansard)*.
