going home alone for her family's summer reunion is an invitation for every single relative to butt into her personal life. She simply can't handle another blind date with the butcher, the baker, or the candlestick maker from her hometown. So when she finds the GigsforHire ad for a boyfriend for hire, she's ready to pay to play. Heading Home and Need a Buffer I'm the REAL DEAL. Theo Banks has been running from the past for years. He's this close to finally settling all his debts and one more job as a boyfriend for hire will do the trick. He's no gigolo. Please. He's something of an actor, and he knows how to slip into any role, including pretending to be April's new beau, the bad boy with the heart of gold. Even if it means sleeping in close quarters in that tiny little bed in her parents' inn. Even if it means spinning tales of a romance that starts to feel all too true. What neither one of them counts on is that amid the egg toss, the arm wrestling, and a fierce game of Lawn Twister that has them tangled up together, they might be feeling the real deal. She only wanted to show her family once and for all that she had no need to settle down. He didn't expect to have the time of his life at her parents' home. They didn't plan on loving every single second of the game. But can a masterful game of pretend result in true love? *The Complete Poems of Shakespeare* Cathy Shrank, Raphael Lyne, 2017-11-02

Although best known for his plays, William Shakespeare (1564-1616) was also a poet who achieved extraordinary depth and variety in only a few key works. This edition of his poetry provides detailed notes, commentary, and appendices, resulting in an academically thorough and equally accessible edition to Shakespeare's poetry. The editors present his non-dramatic poems in the chronological order of their print publication: the narrative poems *Venus and Adonis* and *The Rape of Lucrece*; the metaphysical *Let the Bird of Loudest Lay* (often known as *The Phoenix and the Turtle*); all 154 *Sonnets*; and *A Lover's Complaint*. In headnotes and extensive annotations to the texts, Cathy Shrank and Raphael Lyne elucidate historical contexts, publication histories, and above all, the literary and linguistic features of poems whose subtleties always reward careful attention. Substantial appendices trace the sources for Shakespeare's narrative poems and the controversial text *The Passionate Pilgrim*, as well as providing information about poems posthumously attributed to him and the English sonnet sequence. Shrank and Lyne guide readers of all levels with a glossary of rhetorical terms, an index of the poems' titles and first lines, and an account of Shakespeare's rhymes informed by scholarship on Elizabethan pronunciation. With all these scholarly resources supporting a newly edited, modern-spelling text, this edition combines accessibility with layers of rich information to inform the most sophisticated reading. *Ten sermons preached before and after the celebration of the sacrament of the Lord's Supper: to which is added, Two sermons preached upon occasion of the death of a friend ... The second edition. [The preface signed: Thomas Black.]* Thomas HALYBURTON, 1770 **Elizabethan Sonnets** Sir Sidney Lee, 1904
