Ransom David Waddell,2017-02-21 Eight children from four wealthy families are kidnapped in New York City on New Year s Eve in 1885 Just when the children s parents had given up all hope of ever seeing their children again they each received a letter from the kidnappers with two demands which must be met in order to secure the release of their children The first demand requires a large ransom to be delivered to the kidnappers at a place to be determined The second demand requires that four Christian men whom the kidnappers will choose must deliver the ransom and if it s delivered by anyone else all the children that were kidnapped will be killed News of the large ransom spreads quickly throughout the United States and every outlaw wants to get their hands on it before it gets to the kidnappers Can the ransom get through to the kidnappers and save the children s lives or will the kidnappers kill their young captives because the ransom was never delivered to them or was delivered by someone other than the four Christian men that were chosen to deliver it Ransom

Ransom Michele Poague,2013-05 As The Healing Crystal Trilogy comes to a close spring has finally come to the high mountains As winter releases its grip the small band of Survin refugees is violently divided When three unique worlds collide cultures change forever as traditions and rituals are swept aside While faith crumbles for one another s is renewed The gulf between these worlds may prove insurmountable Young Kinter lost in the shadow of her sister fights for her own power As she maneuvers to seize the crystal and displace Kairma as the heir Kinter s future hangs by a thread Collin Kairma s lifelong friend discovers he may be forever barred from Kairma by the evil carried in her blood unless the power of the Crystal can be realized Bearing the weight of the most powerful object known to mankind Kairma has an impossible choice to make return to Survin in ignorance or dare to trust these powerful strangers When freedom fighter Rand Solis allies himself with young Kairma they discover that in order to heal the world both must make sacrifices friends religious beliefs and political philosophies Great knowledge comes at great cost to the pair as they learn that a political philosophy may be perfect in a given moment but such moments are fleeting The Healing Crystal Trilogy presents a science fiction epic about lost technology the morality of power and the creation of religious and political philosophy **A Woman's Ransom, Etc**

Matthew: A King's Ransom Practical Christianity Foundation,2020-08-08 The gospel of Matthew chronicled by one who personally journeyed with Jesus during His earthly ministry is a unique account since it is generally agreed that it was written with a Jewish audience in mind As such great care is taken in providing detail that substantiates Jesus as the Christ the promised Messiah No other gospel focuses so strongly

on the divine aspects of the King and His kingdom No other gospel provides such detail of the Sermon on the Mount No other gospel so thoroughly links Jesus as the fulfillment of all Old Testament prophecies True the concept of Jesus as God s anointed King over Israel is the point around which the Jewish people must wrestle for if Jesus is the Messiah then where is His kingdom Indeed the skeptical Gentile can ask this question as well They like each of us must realign their concept of the kingdom and understand the full impact of Matthew s personal testimony concerning Jesus His life His death His resurrection and the salvation that He offers to them and indeed to the whole world **Rose, Or Love's Ransom** Henry Sutherland Edwards, John Liptrot Hatton, 1864 **The Mount of Vision** Christopher Z. Hobson, 2012-10-18 Christopher Z Hobson offers the first in depth study of prophetic traditions in African American religion Drawing on contemporary speeches essays sermons reminiscences and works of theological speculation from 1800 to 1950 he shows how African American prophets shared a belief in a God of the oppressed a God who tested the nation s ability to move toward justice and who showed favor toward struggles for equality The Mount of Vision also examines the conflict between the African American prophets who believed that the nation could one day be redeemed through struggle and those who felt that its hypocrisy and malevolence lay too deep for redemption Contrary to the prevalent view that black nationalism is the strongest African American justice tradition Hobson argues that the reformatory tradition in prophecy has been most important and constant in the struggle for equality and has sparked a politics of prophetic integrationism spanning most of two centuries Hobson shows too the special role of millennial teaching in sustaining hope for oppressed people and cross fertilizing other prophecy traditions The Mount of Vision incorporates a wide range of biblical scholarship illuminating diverse prophetic traditions as well as recent studies in politics and culture It concludes with an examination of the meaning of African American prophecy today in the time of the first African American presidency the semicentenary of the civil rights movement and the sesquicentennial of the American Civil War paradoxical moments in which our post racial society is still pervaded by injustice and prophecy is not fulfilled but endures as a challenge «Вождь краснокожих» и другие лучшие рассказы / «The Ransom of Red Chief» and Other Stories. 2 уровень (+MP3) О.
