Rivera,2003-02-07 New York Puerto Ricans have been an integral part of hip hop culture since day one from 1970s pioneers like Rock Steady Crew s Jo Jo to recent rap mega stars Big Punisher R I P and Angie Martinez Yet Puerto Rican participation and contributions to hip hop have often been downplayed and even completely ignored And when their presence has been acknowledged it has frequently been misinterpreted as a defection from Puerto Rican culture and identity into the African American camp But nothing could be further from the truth Through hip hop Puerto Ricans have simply stretched the boundaries of Puerto Ricanness and latinidad Secular Devotion Timothy Brennan,2020-05-05 Popular music in the Americas from jazz Cuban and Latin salsa to disco and rap is overwhelmingly neo African Created in the midst of war and military invasion and filtered through a Western worldview these musical forms are completely modern in their sensibilities they are in fact the very sound of modern life But the African religious philosophy at their core involved a longing for earlier eras ones that pre dated the technological discipline of labor forced on captive populations by the European occupiers In this groundbreaking new book Timothy Brennan shows how the popular music of the Americas the music of entertainment nightlife and leisure is involved in a devotion to an African religious worldview that survived the ravages of slavery and found its way into the rituals of everyday listening In doing so he explores the challenge posed by Afro Latin music to a world music system dominated by a few wealthy countries and the processes by which Afro Latin music has been absorbed into the imperial imagination Almost A Born Loser! Annis Gregory Aleck,2011-05-09 Canada also tried to exterminate the Indians just like the USA but used subtle methods like diseases starvation Residential Schools and oppression Then when we tried to do something for ourselves we were held back by the Govt and many Canadians wouldn t hire us or didn t treat us very well when we got hired Canada kept the truth well hidden by not exposing the truth or distorting stories so much that when they were exposing what happened there was very little if any truth to what they re saying My story will expose some of these issues and how we had to struggle against overwhelming odds to do something with our lives but still weren t able to work to our full potential **China in the Mix** Ying Xiao,2017-08-09 Scarce attention has been paid to the dimension of sound and its essential role in constructing image
