

Rape On Trial

Rachel Killean, Eithne Dowds, Anne-Marie McAlinden

Rape On Trial:

A Woman Scorned Peggy Sanday, 2011-12-14 2011 Edition with a New Afterword by the author The venerable and often misquoted phrase Hell hath no fury like a woman scorned continues to haunt American women who accuse men of sexual harassment and rape In this bracing study of American sexual culture and the politics of acquaintance rape anthropologist Peggy Reeves Sanday identifies the sexual stereotypes that continue to obstruct justice and diminish women Beginning with a harrowing account of the St John s rape case Sanday reaches back through British and American landmark rape cases to explain how with the exception of earliest colonial times rape has been a crime notable for placing the woman on trial Whether she is charged as a false accuser gold digger loose or scorned woman stereotypes prevail American jurisprudence and the public at large remain divided on acquaintance rape With the passage of the Violence Against Women Act one of the most important legislation for women a new breed of antifeminists stepped up to the plate to subordinate women s bid for sexual autonomy and freedom A groundbreaking classic work of scholarship that coherently challenges the anti rape backlash and its rhetoric A Woman Scorned continues to bring a broad perspective to our understanding of acquaintance rape even if its original vision of a new paradigm for female sexual equality awaits implementation Carnal Knowledge Sue Lees, 1996 Drawing on the testimonies of women many who have never before spoken out this book uncovers the fraudulence of the view that women are increasingly crying rape when they simply regret what has happened the night before **Sexual History Evidence And The Rape Trial** Joanne Conaghan, Yvette Russell, 2023-10-27 The use of a rape victim s sexual history as evidence attracted intense public attention after the acquittal of footballer Ched Evans in 2017 Set within the context of a criminal justice system widely perceived to be failing rape victims the use of sexual history evidence remains a flashpoint of contention around rape law reform This accessible book mounts an important interrogation into the use of a victim s sexual history as evidence in rape trials Adopting a critical multidisciplinary perspective underpinned by feminist theory the authors explore the role and significance of sexual history evidence in criminal justice responses to rape

Sexual Violence on Trial Rachel Killean, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 *Sexual Violence on Trial* provides a contemporary critical examination of the investigation prosecution and cultural contexts of sexual violence It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as MeToo and TimesUp This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape peer abuse intimate partner violence and forced to penetrate cases as well as alternative

perspectives and future reforms It also considers broader debates including balancing the interests of victims and defendants the impact of cultural myths and stereotypes the challenges of the digital age models of consent legal representation for victims and anonymity and publicity surrounding trials Written by leading authorities in the field Sexual Violence on Trial will be of great interest to students and scholars of Criminology Law and Sociology **Rape on Trial** Lisa M. Cuklanz,1996 Rape on Trial provides insight into the different roles news coverage and fictionalized texts play in adjudicating between traditional views of rape and those advanced by advocates of rape law reform **The American Jury On Trial** Saul M. Kassin, Lawrence S. Wrightsman,2013-10-08 First Published in 1988 More than 3 million Americans are called for jury duty every year For most people serving on a jury arouses two feelings it is both a personal sacrifice and an exciting experience And where a jury is asked to decide some cases they make headlines As a result of trials such as these the American system of trial by jury faces unprecedented challenges This volume offers an informed examination of the entire process from jury selection to the delivery of a verdict Quoting the experiences and expertise of F Lee Bailey William Kunstler Clarence Darrow Learned Hand and many others this book investigates such important factors as pretrial bias the psychology of evidence inadmissible testimony interpreting the law and what goes on inside the jury room People often think that any book dealing with the law must be written in legalese but in this book Professors Kassin and Wrightsman present their case in an exceptionally readable style They utilize modern advances in psychology to illuminate the usually hidden world of trial practice and procedure and offer thoughtful possibilities for improving the system **Sexual Assault in Canada** Elizabeth A. Sheehy,2012-09-29 Sexual Assault in Canada is the first English language book in almost two decades to assess the state of sexual assault law and legal practice in Canada Gathering together feminist scholars lawyers activists and policy makers it presents a picture of the difficult issues that Canadian women face when reporting and prosecuting sexual violence The volume addresses many themes including the systematic undermining of women who have been sexually assaulted the experiences of marginalized women and the role of women s activism It explores sexual assault in various contexts including professional sports the doctor patient relationship and residential schools And it highlights the influence of certain players in the reporting and litigation of sexual violence including health care providers social workers police lawyers and judges Sexual Assault in Canada provides both a multi faceted assessment of the progress of feminist reforms to Canadian sexual assault law and practice and articulates a myriad of new ideas proposed changes to law and inspired activist strategies This book was created to celebrate the tenth anniversary of Jane Doe s remarkable legal victory against the Toronto police for sex discrimination in the policing of rape and for negligence in failing to warn her of a serial rapist The case made legal history and motivated a new generation of feminist activists This book honours her pioneering work by reflecting on how law legal practice and activism have evolved over the past decade and where feminist research and reform should lead in the years to come Published in English **The Rape Trial** Bidisha Ghosal,2020-01-07 What do you do when the rapist is someone you

know What do you do when he has been found innocent in the eyes of the law Rhea Hitaishi and Amruta s friendship has been cemented over a lifetime but now they find themselves struggling to answer these questions together Nearly a decade has passed since Rahul Satyabhagi heir to the mega Satyabhagi business empire had raped Avni Rambha bested her in court and gone on to become a men s rights activist and the who s who of Badrid Bay had breathed a sigh of relief that the sordid mess was over But now a sting operation proves what many the three friends included had suspected all along he d been lying Furious that he has been exposed Rahul plans to sue the media as well as his long suffering victim Now Rhea Hitaishi and Amruta find themselves at a crossroad can they carry on doing nothing DC Virendra Dixit was among those who d believed that the Rambha rape case had been a false allegation but now the sting tape brings him to a case that promises to be a turning point in his career Just as he thinks he is nearing a resolution he finds himself at a crossroad of his own Rhea Hitaishi and Amruta have carved out a path that has already affected DC Dixit s but do their paths cross Who is the hunter and who is the hunted Can a story of hard questions and difficult choices have an easy resolution

The Nantucket Rape Trial Michael Wells Glueck, This is an account of the dramatic trial of a wealthy Atlanta businessman on spurious charges of having raped his female interior decorator **A Brief for the Trial of Criminal Cases** Austin Abbott,1925 **Local Violence, Global Media** Lisa M. Cuklanz,Sujata Moorti,2009 This series publishes critical scholarship that seeks to engage and transcend the disciplinary isolationism and genre confinement that now characterize so much of contemporary research in communication studies and related fields It focuses on studies that address the broad intersections and hybrid trajectories that define the encounters between human groups in modern institutions and societies and the way these intersections are represented in contemporary popular cultural forms of knowledge *Respectability on Trial* Brian Donovan,2016-09-21 Recovers and chronicles the plights of ordinary New Yorkers that resonate with contemporary debates on rape and domestic violence Providing a front row seat at critical courtroom battles over seduction pimping rape and sodomy in early twentieth century New York City Brian Donovan uses verbatim trial transcripts to understand the city s history during the so called first sexual revolution By tracing the revolutionary and repressive dimensions of this time period Donovan reveals how conflicting ideas about sex and gender shaped the city s criminal justice system He unearths stories of sexual violence and legal injustice that contradict the image of early twentieth century America as a time of sexual revolution and progress Police and courts often served the interests of the upper classes men and racial and ethnic majorities but the trial transcripts included here reveal the considerable extent to which members of working class and immigrant communities used the machinery of law enforcement for their own ends Many previous books have fully documented and analyzed the sensational trials of turn of the century New York City but none have paid such close attention to the courtroom experiences of common city dwellers [The Southwestern Reporter](#) ,1918 **Transgressing Discourses** Michael Huspek,Gary P. Radford,1997-01-01 The basic theme of this volume is excellent Readers are treated to fascinating explorations of

communication at the boundaries between discourses and selves The essays address important theoretical issues and do so often by treating significant social issues Most welcome is the constructive tone that is for the most part maintained throughout the volume demonstrating an effort to understand engage and critically assess different discourses and selves and others at once without valorizing one over the other An essential theme running through this volume is the idea that our efforts to engage as well as other s efforts to engage us have been seriously impaired because of problems which are fundamentally communicative in nature More specifically there is general agreement among the contributors that the voice of other has not been sufficiently heard and this on account of how discourses of the human sciences as well as other dominant discourses e g law have structured our interaction with other Each of the essays helps to clarify the nature of the communicative failing and to develop an appropriate corrective action

Feminism, Media, and the Law Martha Fineman, Martha T. McCluskey, 1997 A collection of essays that explores how the media represents women in relation to the law eg abortion race surrogacy on trial and as lawyers Deals solely with American law and media

Legal-Lay Communication Chris Heffer, Frances Rock, John Conley, 2013-07-16 This volume responds to a growing interest in the language of legal settings by situating the study of language and law within contemporary theoretical debates in discourse studies linguistic anthropology and sociolinguistics The chapters in the collection explore many of the common occasions when those acting on behalf of the legal system such as the police lawyers and judges interact with those coming into contact with the legal system such as suspects and witnesses However the chapters do this work through the conceptual lens of textual travel or the way that texts move across space and time and are transformed along the way Collectively notions of textual travel shed new light on the ways in which texts can influence and are influenced by social and legal life With contributions from leading experts in language and law Legal Lay Communication explores such textual travel themes as the mediating role of technologies in the investigatory stages of the legal process the centrality of intertextuality in the legal construction of cases in court the transformative effects of recontextualization in processes of judicial decision making and the way that processes of textual travel disturb the apparent permanence of legal categorization The book challenges both the notion of legal text as a static repository of meaning and the very idea of legal lay or lay legal communication

Courts Cassia Spohn, Craig Hemmens, 2011-11-09 Authored text sections and carefully selected accompanying readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century Edited readings introduce students to classic studies of the criminal court system and to cutting edge research on decision making by court actors An introduction to each reading gives students an overview of the purpose main points and conclusion of each article and evaluates their policy implications How to Read a Research Article tied to the first reading in the book guides students in understanding and learning from the research articles Mini chapters precede the selection of readings and offer clear and concise explanations of key terms and concepts in each section coupled with boxes with special interest topics and

review materials that enhance student comprehension Jurisprudence Wayne Morrison, 2016-04-08 This challenging book on jurisprudence begins by posing questions in the post modern context and then seeks to bridge the gap between our traditions and contemporary situation It offers a narrative encompassing the birth of western philosophy in the Greeks and moves through medieval Christendom Hobbes the defence of the common law with David Hume the beginnings of utilitarianism in Adam Smith Bentham and John Stuart Mill the hope for enlightenment with Kant Rousseau Hegel and Marx onto the more pessimistic warnings of Weber and Nietzsche It defends the work of Austin against the reductionism of HLA Hart analyses the period of high modernity in the writings of Kelsen Hart and Fuller and compares the different approaches to justice of Rawls and Nozick The liberal defence of legality in Ronald Dworkin is contrasted with the more disillusioned accounts of the critical legal studies movement and the personalised accounts of prominent feminist writers International Relations Theory and International Law Adriana Sinclair, 2010-10-28 International law is playing an increasingly important role in international politics However international relations theorists have thus far failed to conceptualise adequately the role that law plays in politics Instead IR theorists have tended to operate with a limited conception of law An understanding of jurisprudence and legal methodology is a crucial step towards achieving a better account of international law in IR theory But many of the flaws in IR's idea of law stem also from the theoretical foundations of constructivism the school of thought which engages most frequently with law In this book Adriana Sinclair rehabilitates IR theory's understanding of law using cases studies from American English and international law to critically examine contemporary constructivist approaches to IR and show how a gap in their understanding of law has led to inadequate theorisation **Language and Social Justice** Helen Sauntson, Clare Cunningham, Johanna Ennser-Kananen, Dai O'Brien, 2025-03-31 Language and Social Justice provides readers with the knowledge and analytical skills required to explore why and how social inequalities and injustices are enacted through language and how they may be challenged The expert authors introduce readers to theories concepts methods and applications which enable them to become activist applied linguists in the field of language and social justice Each chapter contains up to date information case studies study questions and activities suggestions for activism and recommended readings relating to a range of topics within the field of language and social justice research This innovative and accessible textbook is essential reading for students and scholars engaged in language and social justice research across a range of contexts
